Dear Mr. Boetius:

We have reviewed your Item 4.01 Form 8-K and have the following comments. Where indicated, we think you should revise your documents in response to these comments. If you disagree, we will consider your explanation as to why our comment is inapplicable or a revision is unnecessary. Please be as detailed as necessary in your explanation. In some of our comments, we may ask you to provide us with supplemental information so we may better understand your disclosure. After reviewing this information, we may or may not raise additional comments.

Please understand that the purpose of our review process is to assist you in your compliance with the applicable disclosure requirements and to enhance the overall disclosure in your filing. Form 8-K filed May 12, 2006

1. We note that you disclose that there were no disagreements or reportable events with your former accountant in connection with the audits of the two most recent fiscal years ended December 31, 2005 and 2004. Please amend your filing to disclose whether there were any disagreements with the former accountant during your two most recent fiscal years *and* any subsequent interim period preceding their dismissal. In the event of disagreements or reportable events during the period from inception to date of dismissal, provide the specific disclosures required by Item 304(a)(1)(iv) of Regulation S-B.
2. We note that the opinion in your Form 10-K filed April 10, 2006, contains a modification regarding your ability to continue as a going concern. Please revise your second paragraph to disclose that the accountant's reports for the periods ended December 31, 2005 and 2004 contained a modification for this uncertainty.
3. Please obtain and file an Exhibit 16 letter from your former accountant stating whether the accountant agrees with the statements made in your revised Form 8-K.

As appropriate, please amend your filing and respond to these comments within 5 business days or tell us when you will provide us with a response. You may wish to provide us with marked copies of the amendment to expedite our review. Please furnish a cover letter with your amendment that keys your responses to our comments and provides any requested information. Detailed cover letters greatly facilitate our review. Please understand that we may have additional comments after reviewing your amendment and responses to our comments.

We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filing to be certain that the filing includes all information required under the Securities Exchange Act of 1934 and that they have provided all information investors require for an informed investment decision. Since the company and its management are in possession of all facts relating to a company's disclosure, they are responsible for the accuracy and adequacy of the disclosures they have made.

In connection with responding to our comments, please provide, in writing, a statement from the company acknowledging that:

- the company is responsible for the adequacy and accuracy of the disclosure in the filing;
- staff comments or changes to disclosure in response to staff comments do not
