1. We note your disclosure at the top of page 50 that inventories are valued at the lower of first-in, first-out cost or market. Please tell us, and revise to disclose, how your measurement of inventory conforms to the requirements in ASC 330-10-35-1B which indicates that inventory measured using any method other than LIFO or the retail inventory method (for example, inventory measured using first-in, first-out (FIFO) or average cost) shall be measured at the lower of cost and net realizable value. See Accounting Standards Update No. 2015-11.

Note 10. Segment Reporting and Geographic Locations, page 63

2. We note from your disclosure on page 14 that sales to A.B. Volvo, Daimler and PACCAR accounted for approximately 19%, 16% and 11% of your revenue in 2018. Please note that if you have revenues from transactions with any customer that amounts to 10 percent

or more of your total revenues, your notes to the financial statements should disclose that fact, the total amount of revenue from each such customer, and the segment reporting the revenue. See guidance in ASC 280-10-50-42. Please revise accordingly. Also, to the extent that your revenue from any country outside the United States is more than 10% of your total revenue, please revise to separate disclose the revenue from that foreign country. See ASC 280-10-50-41.
