In our opinion, the financial statements present fairly, in all material respects, the financial position of the Company as of September 30, 2022, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on the Company's financial statements based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) ("PCAOB") and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Accordingly, we express no such opinion.

Our audit included performing procedures to assess the risks of material misstatement to the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audit provides a reasonable basis for our opinion.

Objective Equity, LLC
NOTES TO FINANCIAL STATEMENTS
September 30, 2022

NOTE A- DESCRIPTION OF BUSINESS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Description of Business: Objective Equity, LLC (the “Company”) is a broker-dealer that was organized in April 2004 as a New York limited liability company. The Company is approved to operate as a broker-dealer, with a perpetual period of duration, registered with the Securities and Exchange Commission (“SEC”). The Company is also a member of the Financial Industry Regulatory Authority (“FINRA”). The Company provides research and corporate advisory services. The Company’s customers are primarily corporations and financial institutions located throughout the United States. As a limited liability company, the members’ liability is limited to their investments.

Cash: The Company maintains its bank accounts in a high credit quality financial institution. The balances at times may exceed federally insured limits.

Income Taxes: The Company has elected to be taxed as a partnership under the provisions of the Internal Revenue Code and, accordingly, is not subject to income taxes. Instead, members are liable for federal and state income taxes on their respective share of the taxable income of the Company. Accordingly, no provision for income tax has been provided for in the accompanying financial statements.

Under the provisions of FASB Accounting Standards Codification 740-10 (ASC 740-10), Accounting for Uncertainty in Income Taxes, the Company is required to evaluate each of its tax positions to determine if they are more likely than not to be sustained if the taxing authority examines the respective position. A tax position includes an entity's status, including its status as a pass-through entity, and the decision not to file a return.

The Company has evaluated each of its tax positions and has determined that it has no uncertain tax positions for which a provision or liability for income taxes is necessary.

Revenue Recognition: Revenue from contracts with customers includes placement and advisory services. The recognition and measurement of revenue is based on the assessment of individual contract terms. Significant judgment is required to determine whether performance obligations are satisfied at a point in time or over time; how to allocate transactions prices where multiple performance obligations are identified; when to recognize revenue based on appropriate measure of the Company's progress under the contract; whether revenue should be presented gross or net of certain costs; and whether constraints on variable consideration should be applied due to uncertain future events.

Objective Equity, LLC
NOTES TO FINANCIAL STATEMENTS
September 30, 2022

NOTE A- DESCRIPTION OF BUSINESS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Revenue Recognition (continued):

The Company provides placement and advisory services related to capital raising activities and mergers and acquisition transactions. Revenue for advisory arrangements is generally recognized at the point in time that performance under the agreement is completed (the closing of the transaction). In some circumstances, significant judgment is needed to determine the timing and measure of progress appropriate for revenue recognition under a specific contract. Retainers and other fees received from customers prior to recognizing the revenue are reflected as unearned income.

All advisory fee revenue recognized by the Company during fiscal year 2022 pertains to a transaction from a prior year where collectability was not reasonably assured.

Basis of Presentation: The Company maintains its accounting records on an accrual basis and follows Generally Accepted Accounting Principles (GAAP), as established by the Financial Accounting Standards Board (the FASB), to ensure consistent reporting of financial condition, results of operation, and cash flows.

Use of Estimates: Management uses estimates and assumptions in preparing financial statements in accordance with generally accepted accounting principles. Those estimates and assumptions affect the reported amounts of assets, liabilities, revenues and expenses. Actual results could vary from the estimates that were assumed in preparing the financial statements.

Date of Management's Review: Subsequent events were evaluated through the date the financial statements were issued.

NOTE B - NET CAPITAL

The Company, as a registered broker dealer, is subject to the Securities and Exchange Commission Uniform Net Capital Rule (SEC Rule 15c3-1), which requires the maintenance of minimum net capital, equal to the greater of \$5,000 or 6 2/3% of aggregate indebtedness and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. At September 30, 2022, the Company's net capital was \$12,891, which was \$7,891 in excess of its required net capital of \$5,000 and its ratio of aggregate indebtedness to net capital was 0.00 to 1.00.

NOTE C – CONTINGENCIES

The Company is subject to litigation in the normal course of business. The Company has no litigation in progress as defendant at September 30, 2022.

Objective Equity, LLC
NOTES TO FINANCIAL STATEMENTS
September 30, 2022

NOTE D – RELATED PARTY TRANSACTIONS

The Company has extended informal loans to an affiliated company in the amount of \$26,578 as of September 30, 2022. This entity is affiliated with the Company through common ownership with the Company's majority member. The loans are payable on demand, do not bear interest and are included in "Due from related parties" on the statement of financial condition.

The Company operates from office space provided by its majority member at no cost.

Financial position and results of operations could differ from the amounts in the accompanying financial statements if these related party transactions did not exist.

NOTE E – NET LOSS

The Company incurred a loss for fiscal year 2022 and was dependent upon capital contributions from its members for working capital and net capital. The Company's members have represented that they intend to continue to make capital contributions as needed to ensure the Company's survival through at least one year subsequent to the date of the report of the independent registered public accounting firm.

Management expects the Company to continue as a going concern and the accompanying financial statements have been prepared on a going-concern basis without adjustments for realization in the event that the Company ceases to continue as a going concern.

NOTE F - CONCENTRATIONS

All of the Company's advisory fee revenue during fiscal year 2022 came from one customer.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Members of
Objective Equity, LLC

We have reviewed management's statements included in the accompanying Broker Dealer's Annual Exemption Report in which (1) Objective Equity, LLC did not claim an exemption from Rule 15c3-3 in reliance upon Footnote 74 of the 2013 Release, and (2) Objective Equity, LLC stated that Objective Equity, LLC met the identified conditions for such reliance throughout the most recent fiscal year without exception. Objective Equity, LLC's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about Objective Equity, LLC's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in Footnote 74 of the 2013 Release.

Objective Equity, LLCs EXEMPTION REPORT

We, as members of management of Objective Equity, LLC (the “Company”), are responsible for complying with Rule 17a-5, “Reports to be made by certain brokers and dealers”. We have performed an evaluation of the Company’s compliance with the requirements of Rule 17a-5 and the exemption provisions in Rule 15c3-3(k) (the “exemption provisions”) and of the 2013 Release adopting amendments to Rule 17a-5, including Footnote 74 of the 2013 Release.

We have determined that the Company does not meet any of the exemption conditions of paragraph (k) of Rule 15c3-3 (i.e., paragraph (k)(1), (k)(2)(i) or (k)(2)(ii)) but also (1) does not directly or indirectly receive, hold, or otherwise owe funds or securities for or to customers, other than money or other consideration received and promptly transmitted in compliance with paragraph (a) or (b)(2) of Exchange Act Rule 15c2-4 (“Rule 15c2-4”); (2) does not carry accounts of or for customers; and (3) does not carry PAB accounts (as defined in Rule 15c3-3) and therefore is covered by Footnote 74 of the 2013 Release.
