Filed August 17, 2007
File No. 001-33397

Dear Mr. Zhang:

We have reviewed your filing and have the following comments. We have limited our review of your filing to those issues we have addressed in our comments. Please provide a written response to our comments. Please be as detailed as necessary in your explanation. In some of our comments, we may ask you to provide us with information so we may better understand your disclosure. After reviewing this information, we may raise additional comments.

Please understand that the purpose of our review process is to assist you in your compliance with the applicable disclosure requirements and to enhance the overall disclosure in your filing. We look forward to working with you in these respects. We welcome any questions you may have about our comments or any other aspect of our review. Feel free to call us at the telephone numbers listed at the end of this letter.

Item 4.02 Form 8-K filed August 17, 2007

1. We note that your assessment of the issues identified is on-going, but that you intend to file restated financial statements. Please tell us when you anticipate filing the restated financial statements. We may have further comment after you file the restated financial statements.

2. Clarify for us whether your certifying officers have reconsidered the effectiveness of your disclosure controls and procedures as of the end of the periods covered by the financial statements you intend to restate in light of the potential errors you are assessing and indicate the results of that reconsideration. Please confirm that you will provide like disclosure in the filings you have indicated that you will amend. Additionally, tell us what impact the error had on the evaluation of disclosure controls and procedures as of your most recent fiscal quarter ended June 30, 2007.

Closing Comments

Please respond to these comments within five business days or tell us when you will provide us with a response. Please furnish a letter that keys your responses to our comments and provides any requested information. Detailed letters greatly facilitate our review. Please understand that we may have additional comments after reviewing your responses to our comments.

We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filing to be certain that the filing includes all information required under the Securities Exchange Act of 1934 and that they have provided all information investors require for an informed investment decision. Since the company and its management are in possession of all facts relating to a company's disclosure, they are responsible for the accuracy and adequacy of the disclosures they have made.

In connection with responding to our comments, please provide, in writing, a statement from the company acknowledging that:

- the company is responsible for the adequacy and accuracy of the disclosure in the filing;
- staff comments or changes to disclosure in response to staff comments do not foreclose the Commission from taking any action with respect to the filing; and
- the company may not assert staff comments as a defense in any proceeding initiated by the Commission or any person under the federal securities laws of the United States.

In addition, please be advised that the Division of Enforcement has access to all information you provide to the staff of the Division of Corporation Finance in our review of your filing or in response to our comments on your filing.
