Note 2. Summary of Significant Accounting Policies

Revenue Recognition, page F-27

2. We note your response to prior comment 4. Please tell us and consider separately disclosing the amount of online decoration service revenues in your MD&A.
3. We note your response to prior comment 5. Please clarify your proposed disclosures that indicate a minimum selling price is not contractually pre-determined. In this respect, your response indicates that a minimum selling price is set forth in the contract with the developer. In addition, your proposed disclosures should more clearly indicate whether you are entitled to the difference between the actual selling price of designated new property and the minimum selling price set forth in the contract with the developer, if the difference is greater than the contractually stated marketing service fee.

Note 9 Loans Receivable, page F-41

4. We note your response to prior comment 6. Please clarify your disclosures to describe how you account for loans held for investments and for loans held for sale. We refer you to ASC 310-10-35-47 and 48. Further, describe how you considered ASC 310-10-45-10 and 11 in presenting loan activity within your Statements of Cash Flows.

You may contact Morgan Youngwood, Senior Staff Accountant, at (202) 551-3479 if you have questions regarding comments on the financial statements and related matters. Please contact me at (202) 551-3488 with any other questions.
