Cue Capital Limited Partnership
Notes to the Statement of Financial Condition
December 31, 2022

1. Organization and Nature of Business

Cue Capital Limited Partnership (the “Partnership”) was formed on September 4, 2003. The partnership is a broker-dealer registered with the Securities and Exchange Commission (“SEC”) and is also a member of the Financial Industry Regulatory Authority (“FINRA”) and the Securities Investor Protection Corporation (“SIPC”).

The Partnership’s operations consist primarily of introducing leading institutional investors to fund managers that make private equity, real estate and other non-traditional investments. The Partnership also provides advice to fund managers regarding ways to improve their methods of raising capital.

The Partnership’s federal, state and local tax returns are subject to possible examination by the taxing authorities until expiration of the related statutes of limitations on those tax returns. In general, the federal and state income tax returns have a three year statute of limitations. The Company would recognize accrued interest and penalties associated with uncertain tax positions, if any, as part of the income tax provision.

2. Summary of Significant Accounting Policies

Basis of Presentation

The financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America (“U.S. GAAP”).

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. Actual results could differ from those estimates.

Cash and Cash Equivalents

Cash consists of deposits with banks. For purposes of the statement of cash flows, the Partnership considers as short term, highly liquid investments purchased with an original maturity of three months or less to be cash equivalents.

Fair Value of Financial Instruments

The Partnership’s financial instruments consist of cash and cash equivalents, and accounts payable. The fair value of cash and cash equivalents is based upon the bank balance at

Summary of Significant Accounting Policies (Continued)

Fair Value of Financial Instruments (Continued)

December 31, 2022. The fair value of accounts payable is estimated by management to approximate their carrying value at December 31, 2022.

Property and equipment

Property and equipment are stated at cost less accumulated depreciation. Depreciation is based on the straight-line method over the estimated useful life as follows:

<u>Assets</u>	<u>Estimated Useful Life</u>
Computer equipment	5 Years
Computer software	5 Years
Furniture	7 Years
Leasehold improvements	15 Years

The Partnership periodically assesses the recoverability of the carrying amounts of long-lived assets. A loss is recognized when expected undiscounted cash flows are less than the carrying amount of the asset. The impairment loss is the difference by which future cash flows are less than the carrying amount of the asset. The impairment loss is the difference by which the carrying amount of the asset exceeds its fair value. The Partnership did not recognize an impairment loss on its long lived assets for the year ended December 31, 2022.

Income Taxes

No provision for federal and state income taxes has been recorded because the limited partner reports the Partnership's income or loss on his income tax returns.

3. Property and Equipment

Property and equipment at December 31, 2022 are as follows:

Furniture and fixtures	\$ 15,137
Computer Equipment	18,521
	<u>33,658</u>
Less: accumulated depreciation	(29,995)
	<u>\$ 3,663</u>

4. Due from Partner

As of December 31, 2022, there is a balance in due from partner of approximately \$8,842 as presented in the Statement of Financial Condition.

5. Concentration of Credit Risk and Uncertainties

The Partnership maintains all of its cash deposits in one financial institution, which at times, may exceed federally insured limits. The Partnership has not experienced any losses in such accounts and believes it is not subject to any significant credit risk with respect to these deposits.

6. Commitments

The Partnership had no commitments for the year ended December 31, 2022.

7. Net Capital Requirements

The Partnership is subject to the SEC Uniform Net Capital Rule 15c3-1. This rule requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1, and that equity capital may not be withdrawn if the resulting net capital ratio would exceed 10 to 1.

At December 31, 2022, the Partnership's net capital was \$16,747, which was \$11,747 in excess of its minimum requirement of \$5,000 under SEC Rule 15c3-1. The Partnership's net capital ratio was 1.75 to 1.

The Partnership does not claim exemption from the Customer Protection Rule but limits its business activities to those specified in footnote 74 of SEC Release No. 34-70073.

8. Subsequent Events

Subsequent events have been evaluated through February 15, 2023, the date the financial statements were available to be issued. The Company has incurred a loss from operations. The Company's Ownership has indicated that it will provide additional capital as needed to sustain the Company one year from the date these financial statements are available to be issued.
