Banking **Evolved**SM

This presentation contains forward-looking statements that involve risks and uncertainties, including without limitation statements relating to Axos Financial, Inc.'s ("Axos") financial prospects and other projections of its performance and asset quality, Axos' deposit balances and capital ratios, Axos' ability to continue to grow profitably and increase its business, Axos' ability to continue to diversify its lending and deposit franchises, the anticipated timing and financial performance of other offerings, initiatives, and acquisitions, expectations of the environment in which Axos operates and projections of future performance. These forward-looking statements are made on the basis of the views and assumptions of management regarding future events and performance as of the date of this presentation. Actual results and the timing of events could differ materially from those expressed or implied in such forward-looking statements as a result of risks and uncertainties, including without limitation Axos' ability to successfully integrate acquisitions and realize the anticipated benefits of the transactions, changes in the interest rate environment, monetary policy, inflation, government regulation, general economic conditions, changes in the competitive marketplace, conditions in the real estate markets in which we operate, risks associated with credit quality, our ability to attract and retain deposits and access other sources of liquidity, and the outcome and effects of litigation and other factors beyond our control. These and other risks and uncertainties detailed in Axos' periodic reports filed with the Securities and Exchange Commission, including its Annual Report on Form 10-K for the fiscal year ended June 30, 2023, Form 10-Q for the quarter ended

March 31, 2024 and its last earnings press release, could cause actual results to differ materially from those expressed or implied in any forward-looking statements. Readers are cautioned not to place undue reliance on these forward-looking statements, which speak only as of the date of this press release. Axos undertakes no obligation to publicly update or revise any forward-looking statements, whether as a result of new information, future events or otherwise. All written and oral forward-looking statements made in connection with this presentation, which are attributable to us or persons acting on Axos' behalf are expressly qualified in their entirety by the foregoing information.

Axos' Business Model is Differentiated From Other Banks

Axos is a Top Performer Versus Bank Peer Group

	Axos Bank	Peer Group¹	Percentile
ROAA	2.09%	0.65%	96%
Return on Equity	21.04%	6.69%	94%
Net Interest Income	4.46%	2.70%	96%
Efficiency Ratio	42.71%	72.82%	6%

The 94% on ROE means that the Bank outperformed 94% of all banks. The 6% efficiency ratio ranking means that only 6% of banks have lower expenses in comparison to their revenues.

Axos Financial's Three Divisions Provide the Foundation for Sustained Long-term Growth

Investment Thesis

- > Diverse mix of assets, deposits, and fee income reduces risk and provides multiple growth opportunities in varying environments
- > Differentiated retail digital strategy from “online savings banks” or fin-tech competitors
- > Structural cost advantage vs. traditional banks
- > Differentiated distribution strategy
- > New business initiatives generate incremental growth
- > Universal Digital Banking Platform and Enterprise Technology stack provide operating leverage opportunity
- > Technology synergies among divisions reduce overall cost of growth strategy
