Our responsibility is to express an opinion on the Company's financial statements based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. The Company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. As part of our audit we are required to obtain an understanding of internal control over financial reporting, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion.

Our audit included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe our audit provides a reasonable basis for our opinion.

SEQUENCE FINANCIAL SPECIALISTS LLC
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2017

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

This summary of significant accounting policies of Sequence Financial Specialists LLC (the "Company") is presented to assist in understanding the Company's financial statements. The financial statements and notes are the representation of the Company's management, who is responsible for their integrity and objectivity. These accounting policies conform to accounting principles generally accepted in the United States of America and have been consistently applied in the preparation of the financial statements.

Organization and Nature of Business

Sequence Financial Specialists LLC is a broker-dealer registered with the Securities and Exchange Commission (SEC) and is a member of the Financial Industry Regulatory Authority, Inc. (FINRA). The Company's primary lines of business are providing access to capital for alternative investments including serving as the managing broker dealer for such investments; serving as intermediary for mergers and acquisitions and special financing needs and debt restructuring; serving as an administrative service provider to regional centers and direct pooled investments for EB-5 transactions; and serve as referring broker dealer for EB5 transactions involving foreign investors. The Company is a South Carolina Limited Liability Company.

The Company operates under the provisions of Paragraphs (k)(2)(i) of Rule 15c3-3 of the Securities and Exchange Commission and, accordingly, is exempt from the remaining provisions of that rule. The Company does not hold customer accounts and promptly transmits all customer funds and securities received in connection with its activities as a broker-dealer. The Company does not hold any funds or securities for or owe money or securities to customers.

Limited Liability Company

The member of Sequence Financial Specialists LLC has limited liability.

Cash and Cash Equivalents

Financial instruments that potentially subject the Company to concentrations of credit risk consist principally of cash deposits. Accounts at each institution are insured by the Federal Deposit Insurance Corporation (FDIC) up to certain limits and may, at times, be in excess of those limits. The Company had \$238,573 in cash balances in excess of FDIC coverage at December 31, 2017. For purposes of the Statement of Cash Flows, the Company has defined cash equivalents as highly liquid investments, with original maturities of less than three months that are not held for sale in the ordinary course of business.

Accounts Receivable

Accounts receivable are stated at the amount the Company expects to collect. The Company maintains allowances for doubtful accounts for estimated losses resulting from the inability of its customers to make required payments. Management considers the following factors when determining the collectability of specific customer accounts: customer credit-worthiness, past transaction history with the customer, current economic industry trends, and changes in customer payment terms. Past due balances over 90 days and other higher risk amounts are reviewed individually for collectability. If the financial condition of the Company's customers were to deteriorate, adversely affecting their ability to make payments, additional allowances would be required. Based on management's assessment, the Company provides for estimated uncollectible amounts through a charge to earnings and a credit to a valuation allowance. Balances that remain outstanding after the Company has used reasonable collection efforts are written off through a charge to the valuation allowance and a credit to accounts receivable.

Prepaid Contract Fees and Other Assets

Prepaid contract fees and other assets primarily is comprised of prepaid contract placement fees totaling \$500,000 for services to be performed in the 2018 fiscal year.

SEQUENCE FINANCIAL SPECIALISTS LLC
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2017

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Property and Equipment

Property and equipment are stated at cost less accumulated depreciation and amortization. Depreciation is computed using accelerated methods over estimated useful lives of related assets. Depreciation expense for the year ended December 31, 2017 was \$1,764.

Advertising

The Company expenses advertising costs as they are incurred. For the year ended December 31, 2017, Sequence Financial Specialists LLC had \$2,114 in advertising expenses.

Revenue Recognition

Consulting fees are substantially reported based on an hourly rate (or other arranged billing schedule) and billed on a monthly basis and recognized in the period of service. Merger and acquisition success fee engagements have initial upfront fees which are recognized under the terms of the contract. Any other fees are success based and are recognized at the close of the transaction when considered earned. Private placement fees are generally for real estate transactions that have been on a min/max basis to date; therefore, no fees are earned or recorded until the minimum is reached and a closing occurs. All payments are received at closing. Fees for EB-5 transactions are earned at various stages based on the approval process for the foreign investor. Revenue recognition occurs when such approval for each stage is complete.

Income Taxes

The Company was established as a Limited Liability Company (LLC), which, in lieu of corporate income taxes, the member of an LLC is taxed on its proportionate share of the Company's taxable income.

The Company recognizes and measures its unrecognized tax positions in accordance with FASB ASC 740, Income Taxes. Under that guidance the Company assesses the likelihood, based on their technical merit, that tax positions will be sustained upon examination based on the facts, circumstances and information available at the end of each period. The measurement of unrecognized tax position is adjusted when new information is available, or when an event occurs that requires a change. Management has considered this guidance and there was no impact to these financial statements associated with this consideration.

2. CERTAIN SIGNIFICANT RISKS AND UNCERTAINTIES

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Significant estimates include collectability of accounts receivable, amounts due from related parties and depreciable lives and depreciation methods for fixed assets. It is at least reasonably possible that the estimate of the effect on the financial statements of a condition, situation, or set of circumstances that existed at the date of the financial statements will change in the near term due to one or more future confirming events. The effect of this change would be material to the financial statements.

Concentration in Business

During the year ended December 31, 2017, 45% of the Company's operating revenue came from one customer; no outstanding accounts receivable due from this customer at December 31, 2017. Due to the nature of the Company's business, it is reasonably possible that the loss of a customer or the default on receivables due from customers could have an adverse effect on the Company's results of operations and financial condition.

SEQUENCE FINANCIAL SPECIALISTS LLC
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2017

2. CERTAIN SIGNIFICANT RISKS AND UNCERTAINTIES - CONTINUED

Contingencies

On December 27, 2017, the Company, and four other defendants, were named in a complaint filed in the United States Bankruptcy Court for the District of South Carolina. Counsel for the Company has reviewed the Trustee's complaint and, in response, filed a motion to dismiss that Counsel believes is supported by strong legal arguments. The claim is in the early stage of the proceeding, and counsel is unable to predict the likelihood of an adverse result to the Company or, if there was an adverse result, the range of possible damages that could be awarded. Based upon this position, the Company has not provided an accrual for this contingency at December 31, 2017.

Industry and Regulatory Requirements

The Company is subject to complex legal and regulatory requirements that continue to evolve. The Company might be subject to a variety of legal proceedings including FINRA arbitrations, as well as civil lawsuits, class actions and other regulatory examinations, reviews, investigations (both formal and informal), audits and requests for information by various governmental regulatory agencies and self-regulatory organizations in jurisdictions where the Company does business.

Indemnifications

In the normal course of its business, the Company indemnifies and guarantees certain service providers, such as clearing and custody agents, trustees and administrators, against specified potential losses in connection with their acting as an agent of, or providing services to, the Company. The maximum potential amount of future payments that the Company could be required to make under these indemnifications cannot be estimated. However, based on the historical trends the Company believes that it is unlikely it will have to make material payments under these arrangements and has not recorded any contingent liability in the financial statements for these indemnifications. The Company provides representations and warranties to counterparties in connection with a variety of commercial transactions and occasionally indemnifies them against potential losses caused by the breach of those representations and warranties. These indemnifications generally are standard contractual terms and are entered in the normal course of business. The maximum potential amount of the future payments that the Company could be required to make under these indemnifications cannot be estimated. However, the Company believes that it is unlikely it will have to make material payments under these arrangements and has not recorded any contingent liability in the financial statements for these indemnifications.

3. PROPERTY AND EQUIPMENT

Property and equipment at December 31, 2017 are as follows:

Software	\$ 7,301
Office equipment & furniture	20,496
	<hr/> 27,797
Accumulated depreciation	<hr/> (21,850)
Net property and equipment	<hr/> <hr/> \$ 5,947

SEQUENCE FINANCIAL SPECIALISTS LLC
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2017

4. NET CAPITAL REQUIREMENTS

The Company is subject to the SEC Uniform Net Capital Rule (SEC Rule 15c3-1), which requires the maintenance of minimum net capital, and limits the ratio of aggregate indebtedness to net worth. At December 31, 2017, the Company had net capital of \$371,585, which was in excess of the required net capital balance.

5. RECENT PRONOUNCEMENTS

In May 2014, FASB issued ASU 2014-09, Revenue from Contracts with Customers, to clarify the principles used to recognize revenue for all entities. Subsequently, in August 2015, the FASB issued ASU 2015-14, which delayed the effective date for nonpublic companies to annual periods beginning after December 15, 2018. The Company is currently evaluating the impact adopting this guidance will have on its financial position, results of operations, and cash flows.

6. SUBSEQUENT EVENTS

Management has evaluated the effect subsequent events would have on the financial statements of the Company at December 31, 2017, through March 9, 2018, which is the date the financial statements were available to issue. There were no material subsequent events requiring recognition or additional disclosure in these financial statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States), and, accordingly, included inquiries and other required procedures to obtain evidence about Sequence Financial Specialists LLC's compliance with the exemption provisions. Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(i) of Rule 15c3-3 under the Securities Exchange Act of 1934.
