Partners LP, Crestwood Holdings LLC, Inergy Midstream, L.P. et al.

File No. 005-83088

Dear Mr. Campbell and Mr. Dougherty:

We have reviewed your filings and have the following comment.

General

1. We note that Inergy Midstream recently closed an offering of 11,000,000 common units at a price of \$22.50 per unit and filed a Form 8-K/A on September 20, 2013 giving pro forma effect to the merger and the offering. As a preliminary matter, please provide an analysis as to whether this information must be filed under Rule 13e-3 and Regulation 14A. Please also tell us what consideration you gave to disseminating to Crestwood unitholders information regarding the impact of the offering on dividends declared per limited partner unit, the other pro forma measures contained in the Form 8-K/A, and the current market value of the consideration to be received by those unitholders in the merger in light of your obligations under Rule 13e-3(f)(1)(iii), among other rules that require you to disseminate material changes.
