Opinion on the Financial Statement

We have audited the accompanying statement of financial condition of Redrock Trading Partners, LLC (the Company) as of December 31, 2020, and the related notes to the financial statement (collectively, the financial statement). In our opinion, the financial statement presents fairly, in all material respects, the financial position of the Company as of December 31, 2020, in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

This financial statement is the responsibility of the Company's management. Our responsibility is to express an opinion on the Company's financial statement based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and are required to be independent with respect to the Company in accordance with U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement, whether due to error or fraud. The Company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. As part of our audit we are required to obtain an understanding of internal control over financial reporting but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion.

Our audit included performing procedures to assess the risks of material misstatement of the financial statement, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statement. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statement. We believe that our audit provides a reasonable basis for our opinion.

REDROCK TRADING PARTNERS, LLC
NOTES TO FINANCIAL
STATEMENTS

Note 1

Nature of Business and Summary of Significant Accounting Policies

Nature of Business

Redrock Trading Partners, LLC was formed on May 24, 2004 in the State of Arizona as a Limited Liability Corporation (LLC). The LLC was re-domiciled in Georgia on August 12, 2006. The Company is a registered broker-dealer under the provisions of the Securities Exchange Act of 1934. The Company began operations as a broker-dealer in April 2005. The Company provides services on behalf of clients for the purchase and/or sale of securities and private placements.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

Cash and Cash Equivalents

The Company considers all highly liquid debt instruments with a maturity of 90 days or less at the time of purchase to be cash equivalents.

Revenue Recognition

The Company receives revenue for private placement fees and other miscellaneous services. Revenue is recognized when the performance obligation for the transactions are completed under the terms of each engagement and when collection is reasonably assured.

During the year ending December 31, 2020, the Company earned all of its fees from one client. The only performance obligation within this agreement is that the customer remains invested in contracted placement. This performance obligation is deemed to be satisfied over time and the fees are recorded quarterly when collection is reasonably assured.

Income Taxes

The Company is recognized as a partnership for income tax purposes under the provisions of the Internal Revenue Code for Limited Liability Companies. As a result, income and losses of the Company are passed through to the members for income tax reporting purposes. Accordingly, no provision has been made for federal or state income taxes. The tax returns of the past three years have not been audited, and could be subject to audit.

Fair Value of Financial Instruments

The Company's financial assets and liabilities are reported in the statement of financial condition at market or fair value or at carrying amounts of approximate current fair value. Financial instruments consist principally of cash and payables.

This information is an integral part of the accompanying financial statements

REDROCK TRADING PARTNERS, LLC

Note 2

Concentrations of Credit Risk

The Company maintains its cash in bank deposit accounts which, at times, may exceed federally insured limits. Accounts are guaranteed by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. At December 31, 2020, the Company had no cash in excess of the FDIC insured limits. During the year ending December 31, 2020, one customer accounted for 100% of the company's revenues.

Note 3

Net Capital Requirements

The Company, as a registered broker-dealer, is subject to the Securities and Exchange Commission Uniform Net Capital Rule (Rule 15c3-1). Rule 15c3-1 requires the maintenance of minimum net capital of \$5,000, as defined, and requires that aggregate indebtedness, as defined, shall not exceed 15 times net capital. At December 31, 2020, the Company had net capital, as defined, of \$24,907, which exceeded the required net capital of \$5,000 by \$19,907. At December 31, 2020, the Company had a ratio of aggregate indebtedness to net capital less than 0.01 to 1.

Note 4

Fidelity Bond

As a FINRA member, the Company is required to maintain minimum fidelity bond coverage of \$100,000. The coverage was properly maintained from January 1, 2020 through December 31, 2020.

Note 5

Subsequent Events

Management has evaluated subsequent events through the date on which the financial statements were available to be issued and is unaware of any events requiring recognition or disclosure in the financial statements or notes thereto.

Note 6

Novel Coronavirus

The 2019 novel coronavirus (or "COVID-19") has adversely affected, and may continue to adversely affect economic activity globally, nationally and locally. It is unknown the extent to which COVID-19 may spread, may have a destabilizing effect on financial and economic activity and may increasingly have the potential to negatively impact the Company's and its customers' costs, demand for the Company's services, and the U.S. economy. These conditions could adversely affect the Company's business. The extent of the potential adverse impact, if any, of the COVID-19 outbreak on the Company cannot be predicted at this time.

The Company's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about the Company's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(i) of 17 C.F.R. § 240.15c3-3.
