Form 10-KSB/A for the Fiscal Year Ended December 31, 2007

Item 8A(T) Controls and Procedures

1. We have reviewed the proposed disclosures provided in your response to prior comment 1. We note that your proposed disclosures do not address Item 308T(a)(1) and (3) of Regulation S-B. In this regard, you should revise your disclosures to include the following:
 - Include a statement of management's responsibility for establishing and maintaining adequate internal control over financial reporting. Refer to Item 308T(a)(1) of Regulation S-B.
 - Include management's conclusion on the effectiveness of your internal control over financial reporting. We note your proposed disclosures indicate that you

conducted an assessment of internal controls over financial reporting, however, the conclusion you disclose relates to disclosure controls and procedures. As we noted in our letter dated August 22, 2008, internal controls over financial reporting and disclosure controls and procedures are two distinct types of controls requiring independent assessments and disclosures. That is, your disclosures within this section will report the conclusions on two separate assessments, one for internal controls over financial reporting and one for disclosure controls and procedures. Refer to Items 308T(a)(3) and Item 307 of Regulation S-B, respectively.
