**Re: Regado Biosciences, Inc.
Amendment No. 2 to Registration Statement on Form S-1
Filed May 24, 2013
File No. 333-188209**

Dear Dr. Mazzo:

We have reviewed your amended registration statement and correspondence dated May 24, 2013, and have the following comments. In some of our comments, we may ask you to provide us with information so we may better understand your disclosure.

Please respond to this letter by providing the requested information and amending your registration statement. If you do not believe our comments apply to your facts and circumstances or do not believe an amendment is appropriate, please tell us why in your response.

After reviewing the information you provide in response to these comments, we may have additional comments.

Selected Financial Data, page 46

1. Please revise the amount shown for cash held in escrow as of December 31, 2012, as it appears based on the audited balance sheet that this amount should be zero and not \$5,155. Also please revise the formatting for the balance sheet data so it is clear that only the amounts as of March 31, 2013 are unaudited.
