CHANGE IN CONTROL

The change in control is occurring primarily as a result of a Stock Purchase Agreement with Yang Wu and Pei Ru Wu to acquire 1,662,500 shares by Harvey Lalach and Athanasios Skarpelos. The shares acquired will represent 51.95% of the outstanding shares of the company. Our acquisition of the Thrifty shares is an arm's length transaction. LEGAL PROCEEDINGS

We are not aware of any legal proceedings in which any director or officer, or any owner of record or beneficial owner of more than 5% of our common stock is a party adverse to us. We are not aware of any legal proceeding to which we are a party.

DIRECTORS AND EXECUTIVE OFFICERS

The following information relates to those individuals who will be our directors and executive officers April 25, 2006 upon compliance with Section 14(f) of the Securities Exchange Act of 1934 and Rule 14f-1 thereunder. All directors of our company hold office until the next annual meeting of the stockholders or until their successors have been elected and qualified. The officers of our company are appointed by our board of directors and hold office until their death, resignation or removal from office. Our directors, executive officers and significant employees, their ages, positions held, and duration as such, are as follows:

Name	Position Held with the Company	Age	Date First Elected or Appointed
Harvey Lalach	Director, C.E.O. and President	40	April 25, 2006

Business Experience

The following is a brief account of the education and business experience during at least the past five years of each director, executive officer and key employee, indicating the principal occupation during that period, and the name and principal business of the organization in which such occupation and employment were carried out.

Harvey Lalach

Mr. Lalach has been appointed our President and C.E.O. effective April 25, 2006. Additional he was appointed a Director of the Company on April 25, 2006 which will become effective upon compliance with Section 14(f) of the Securities Exchange Act of 1934 and Rule 14f-1 thereunder.

Mr. Lalach has been involved with public companies for the past 20 years. Most recently he served as President, CEO and Director for a public Oil and Gas exploration and development company based out of Calgary, Alberta from September, 2002 to September 2005.

Mr. Lalach has also been involved in a number of small start-up companies as well as reorganization of previously run companies. He has extensive experience in the management and administration of listed public companies.

Family Relationships

There are no family relationships among our current or proposed directors or officers.

Board and Committee Meetings

The Board of Directors of our company held no formal meetings during the year ended September 30, 2005. All proceedings of the Board of Directors were conducted by resolutions consented to in writing by all the directors and filed with the minutes of the proceedings of the directors. Such resolutions consented to in writing by the directors entitled to vote on that resolution at a meeting of the directors are, according to the Nevada General Corporate Law and the By-laws of the Company, as valid and effective as if they had been passed at a meeting of the directors duly called and held.

For the year ended September 30, 2005 the company did not have any standing committees of the Board of Directors... We currently do not have nominating, compensation committees or committees performing similar functions. Our Board does not believe that it is necessary to have a nominating committee because it believes that the functions of a nominating committee can be adequately performed by the Board of Directors, consisting of Yang Wu and Ru Pei Wu at present. In its capacity as a nominating committee, our Board has determined that it does not have any members that qualify as "independent" as the term is used in Item 7(d)(2)(ii)(D) of Schedule 14A under the *Securities Exchange Act of 1934*, as amended, and as defined by Rule 4200(a)(14) of the NASD Rules. There has not been any defined policy or procedure requirements for shareholders to submit recommendations or nomination for directors. We believe that, given the early stages of our development, a specific nominating policy would be premature and of little assistance until our business operations are at more advanced level. We do not have a nominating committee charter. We do not currently have any specific or minimum criteria for nominees to our Board of Directors and we do not have any specific process or procedure for evaluating such nominees. The entire Board assesses all candidates, whether submitted by management or stockholders, and makes recommendations for election or appointment.

Audit Committee

At the present time, the Company's Audit Committee is comprised of Mr. Yang Wu and Mr. Pei Ru Wu. During fiscal 2005, there were no meetings held by this Committee. The business of the Audit Committee was conducted by resolutions consented to in writing by all the members and filed with the minutes of the proceedings of the Audit Committee.

Involvement in Certain Legal Proceedings

Our directors, executive officers and control persons have not been involved in any of the following events during the past five years:

1. any bankruptcy petition filed by or against any business of which such person was a general partner or executive officer either at the time of the bankruptcy or within two years prior to that time;
2. any conviction in a criminal proceeding or being subject to a pending criminal proceeding (excluding traffic violations and other minor offenses);
3. being subject to any order, judgment, or decree, not subsequently reversed, suspended or vacated, of any court of competent jurisdiction, permanently or temporarily enjoining, barring, suspending or otherwise limiting his involvement in any type of business, securities or banking activities; or
4. being found by a court of competent jurisdiction (in a civil action), the Commission or the Commodity Futures Trading Commission to have violated a federal or state securities or commodities law, and the judgment has not been reversed, suspended, or vacated.

CERTAIN RELATED TRANSACTIONS AND RELATIONSHIPS

None of our directors, executive officers, future directors, 5% shareholders, or any members of the immediate families of the foregoing persons have been indebted to us during the last fiscal year or the current fiscal year.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Executive officers, directors and greater than 10% shareholders are required by the Securities and Exchange Commission regulations to furnish us with copies of all Section 16(a) reports they file.

To the best of our knowledge, all executive officers, directors and greater than 10% shareholders filed the required reports in a timely manner.
