To the Members of
Seacap Securities LLC

Opinion on the Financial Statement

We have audited the accompanying statement of financial condition of Seacap Securities LLC (the “Company”) as of December 31, 2023, and the related notes (collectively referred to as the “financial statement”). In our opinion, the financial statement presents fairly, in all material respects, the financial position of the Company as of December 31, 2023, in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

This financial statement is the responsibility of the Company’s management. Our responsibility is to express an opinion on the Company’s financial statement based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement, whether due to error or fraud. The Company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. As part of our audit, we are required to obtain an understanding of internal control over financial reporting but not for the purpose of expressing an opinion on the effectiveness of the Company’s internal control over financial reporting. Accordingly, we express no such opinion.

Our audit included performing procedures to assess the risks of material misstatement to the financial statement, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statement. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statement. We believe that our audit provides a reasonable basis for our opinion.

We have served as the Company’s auditor since 2023.

SEACAP SECURITIES LLC
NOTES TO FINANCIAL STATEMENT
DECEMBER 31, 2023

Note 1 - Business Summary

Seacap Securities LLC (the "Company") is a registered broker-dealer under the Securities Exchange Act of 1934 and is a member of the Financial Industry Regulatory Authority ("FINRA"). The Company is a Delaware limited liability company organized in December 2004 and became a broker-dealer in June 2005. As a limited liability company, the members' liability is limited to their investment.

The Company provides financial advisory and investment banking services to aviation and related industries as well as small and medium-size corporations. Services consist of secured asset-based financings, private and public debt/equity offerings and placements, corporate financing and merger and acquisition advisory services.

Note 2 - Summary of Significant Accounting Policies

Cash

The Company maintains its bank account at a high credit quality financial institution. The balance at time may exceed federally insured limits.

Basis of Presentation

The Company's financial statements are prepared using the accrual method of accounting principles generally accepted in the United States of America ("U.S. GAAP") as established by the Financial Accounting Standards Board (the FASB), to ensure consistent reporting of financial condition, results of operations and cash flows.

Income Taxes

The Company has elected to be taxed as a partnership under the provisions of the Internal Revenue Code and, accordingly, is not subject to income taxes. Instead, the Company's members are liable for federal and state income taxes on their respective share of the taxable income of the Company. Accordingly, no provision for income tax has been provided for in the accompanying financial statements.

Under the provisions of FASB Accounting Standards Codification 740-10 (ASC 740-10), Accounting for Uncertainty in Income Taxes, the Company is required to evaluate each of its tax positions to determine if they are more likely than not to be sustained if the taxing authority examines the respective position. A tax position includes an entity's status, including its status as a pass-through entity, and the decision not to file a tax return. The Company has evaluated each of its tax positions and has determined that no provision or liability for income taxes is necessary.

Note 2 - Summary of Significant Accounting Policies (continued)

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, revenues and expenses. Accordingly, actual results could differ from the estimates that were assumed in preparing the financial statements.

Note 3 - Net Capital Requirement

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (Rule 15c3-1) which requires the maintenance of minimum net capital and that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. At December 31, 2023, the Company had net capital of \$64,649, which was \$14,649 in excess of its required net capital of \$50,000. The Company's ratio of aggregate indebtedness to net capital at December 31, 2023 was 0.27 to 1.00.

Note 4 - Related Party Transactions

The Company is a party to an expense sharing agreement with one of its members as well as an affiliate of the Company for occupancy and certain general and administrative services provided to the Company. The Company's share of expenses is calculated based upon estimated usage. Allocated expenses to the Company under the agreement amounted to approximately \$24,000 for the year ended December 31, 2023. The balance due to member on the accompanying statement of financial condition arose from allocated expenses to the Company under this agreement.

Financial position and results of operations could differ from the amounts in the accompanying financial statements if this agreement did not exist.

Note 5 – Commitments and Contingencies

The Company is subject to litigation in the normal course of business. The Company has no litigation in progress at December 31, 2023.

Note 6 - Subsequent Events

Subsequent events were evaluated through the date the financial statement were issued.
