This financial statement is the responsibility of the Company's management. Our responsibility is to express an opinion on the Company's financial statement based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. 1. INCORPORATION AND ACTIVITIES

N.A. Investcorp LLC (the "Company"), a limited liability company and wholly owned by Investcorp International Holdings Inc. (the "Parent" or "Member"), was organized under the laws of the State of Delaware on November 23, 2004. The ultimate parent of the Company is Investcorp Bank B.S.C. ("BSC"), a bank incorporated in the Kingdom of Bahrain. The Company became registered as a broker-dealer with the Securities and Exchange Commission ("SEC") on June 24, 2005 and is a member of the Financial Industry Regulatory Authority ("FINRA").

The Company is approved to serve as a placement agent for private placements of single-manager and multi-manager hedge fund products, registered closed-end investment company funds and other types of private placements. Most of the funds offered by the Company are managed and/or administered by affiliates.

The Company is exempt from Rule 15c3-3 of the SEC under paragraph (k)(2)(i) of that Rule.

2. SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The statement of financial condition is expressed in US Dollars (\$) and is prepared in accordance with accounting principles generally accepted in the United States of America ("US GAAP").

Cash and Cash Equivalents

The Company considers highly-liquid investments, with original maturities of 90 days or less that are not held for sale in the ordinary course of business, to be cash equivalents. Cash and cash equivalents held at financial institutions, at times, may exceed the amount insured by the Federal Deposit Insurance Corporation.

The Company utilizes an end-of-day investment sweep account provided by Capital One, N.A. for its cash balances. The purpose was to enhance the interest income of the Company's cash balance while maintaining a liquid and low risk investment profile.

Income Taxes

As a limited liability company, the Company is not subject to State or Federal income taxes. Such taxes accrue to the Member and, accordingly, have not been recognized in the statement of financial condition.

2. SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Going Concern

Management has made an assessment of the Company's ability to continue as a going concern and is satisfied that it has sufficient resources to continue in business for the foreseeable future. Furthermore, management is not aware of any conditions and events that may raise substantial doubt upon the Company's ability to continue as a going concern. Therefore, the statement of financial condition continues to be prepared on the going concern basis.

Use of Estimates

The preparation of the statement of financial condition in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the statement of financial condition and the reported amounts of revenues and expenses during the reporting period. Actual results may differ from these estimates.

Regulatory net capital and aggregate indebtedness may fluctuate on a daily basis.
