(c) As of each Closing Date, the Purchaser shall own and be entitled to receive with respect to each Mortgage Loan purchased on such Closing Date all Monthly Payments due after the applicable Cut-Off Date, and all other payments and recoveries of principal and interest received on or after such Cut-Off Date, other than payments that were due on or prior to such Cut-Off Date.

(d) On or before each Closing Date, the applicable Seller or Sellers shall deliver to the Purchaser with the related Term Sheet the related Mortgage Loan Schedule, which shall be in hard copy or "read-only" electronic format (as reasonably acceptable to such Seller and the Purchaser).

Section 2.3. Recordation of Mortgages and Assignments of Mortgages

With respect to each Mortgage Loan (other than any Mortgage Loan for which a Payoff has been made after the related Cut-Off Date and prior to the related Closing Date), in instances where, due to a delay on the part of the recording office, any Recording Documents are not included in the Mortgage File delivered to the Purchaser or its designee on or before the related Closing Date, the applicable Seller shall transmit the Recording Documents to the Purchaser or its designee within 270 days after the related Closing Date. In instances where, due to a delay on the part of the recording office where any such Recording Documents have been delivered for recordation, the Recording Documents cannot be delivered to the Purchaser or its designee within 270 days after such Closing Date, such Seller shall deliver to the Purchaser or its designee within such time period a Seller Officer's Certificate stating the date by which such Seller expects to receive such Recording Documents from the applicable recording office. This procedure shall be repeated until the Recording Documents have been received by such Seller and delivered to the Purchaser or its designee.

If such defect would cause the Mortgage Loan to be other than a "qualified mortgage" (as defined in the Code), then notwithstanding the previous sentence, the repurchase or substitution must occur within the sooner of (i) 90 days from the date the defect was discovered by such Seller, the Purchaser or any other party to the related Pooling and Servicing Agreement or (ii) in the case of substitution, two years from the related Closing Date.

(b) Any number of Substitute Mortgage Loans may be substituted for any number of Reacquired Mortgage Loans, subject to the limitations described in the next sentence. Furthermore, the applicable Seller shall be deemed to have made as of the date of substitution the representations and warranties set forth in Section 3.1 as to such Substitute Mortgage Loan (except that references to "Closing Date" and "Cut-Off Date" in such Section 3.1 shall be deemed to be references to the date of substitution). In addition, a Substitute Mortgage Loan shall not be a High Cost Loan or Covered Loan (as such terms are defined in the Standard & Poor's LEVELS® Glossary in effect on the date of substitution, with such exceptions thereto as the Purchaser and Standard & Poor's Ratings Services may reasonably agree). A Substitute Mortgage Loan may be substituted for a defective Mortgage Loan that is itself a Substitute Mortgage Loan.

(c) In connection with the substitution of one or more Substitute Mortgage Loans for one or more Reacquired Mortgage Loans on any date, the applicable Seller shall pay to the Purchaser the Substitution Price for such Reacquired Mortgage Loans.

(d) Concurrently with each such substitution, the applicable Seller shall deliver to and deposit with, or cause to be delivered to and deposited with, the Purchaser or its designee the Mortgage File for each Substitute Mortgage Loan. Upon such substitution, the Substitute Mortgage Loan shall be subject to the terms of this Agreement, to the extent applicable (including, without limitation, the Seller's obligations with respect to the Substitute Mortgage Loan pursuant to this Section 2.4 and Sections 2.3 and 3.3). The Seller and the Purchaser shall amend the Mortgage Loan Schedule in a timely fashion to delete all repurchased Mortgage Loans and Reacquired Mortgage Loans and add all Substitute Mortgage Loans.

(e) The applicable Seller shall pay any Repurchase Price or Substitution Price by such method as is specified by the Purchaser in writing.

(f) With respect to each repurchased Mortgage Loan or Reacquired Mortgage Loan, the applicable Seller shall own and be entitled to receive all scheduled payments due after the date of repurchase or substitution, as applicable, any Curtailments received in or after the calendar month of repurchase or substitution, as applicable, and any Payoff received after the 14th day of the calendar month of repurchase or substitution, as applicable; and with respect to each Substitute Mortgage Loan, the applicable Seller shall own and be entitled to receive all payments due under the related Mortgage Note on or before the date of substitution. Any such payments received by the Purchaser or its transferee shall promptly be remitted by the Purchaser to such Seller. With respect to each Substitute Mortgage Loan, the Purchaser shall own and be entitled to receive all scheduled payments due after the date of repurchase or substitution, as applicable, any Curtailments received in or after the calendar month of repurchase or substitution, as applicable, and any Payoff received after the 14th day of the calendar month of repurchase or substitution, as applicable. Any such payments received by the applicable Seller shall promptly be remitted by the Seller to the Purchaser or its transferee.

(g) Upon receipt by the Purchaser of the Repurchase Price or the Substitution Price, as applicable, and (in the case of a substitution for a Mortgage Loan pursuant to this Section 2.4 or Section 3.3) upon receipt by the Purchaser of such instruments of transfer or assignment, in each case without recourse, as shall be necessary to vest in the Purchaser title to any Substitute Mortgage Loan, the Purchaser shall release to the applicable Seller the Mortgage File for the repurchased Mortgage Loan or the Reacquired Mortgage Loan, as applicable, and shall execute and deliver such instruments of transfer or assignment, in each case without recourse, as shall be necessary to vest in such Seller title to such Mortgage Loan.

(h) Each Seller shall pay all costs and expenses incurred in connection with any repurchase or substitution by such Seller made pursuant to this Section 2.4 or Section 3.3.

(i) It is understood and agreed that the obligations of a Seller set forth in this Section 2.4 constitute the sole remedies available to the Purchaser or its transferee respecting such Seller's failure to include in the Mortgage File for a Mortgage Loan sold by such Seller the documents required to be included therein.

Section 3.1. Seller Representations and Warranties Concerning the Mortgage Loans

Each of the Sellers hereby, severally and not jointly, represents and warrants to and covenants to and agrees with the Purchaser that, as to each Mortgage Loan sold by such Seller

hereunder, as of the related Cut-Off Date unless otherwise indicated, subject in all cases (including, without limitation, clauses (iv), (xi) and (xviii)) to such exceptions, if any, as are set forth on Schedule III to the related Term Sheet:

(i) The information set forth in the Mortgage Loan Schedule delivered on the Closing Date was true and correct in all material respects at the date or dates respecting which such information is furnished;

(ii) As of the Closing Date, each Mortgage relating to a Mortgage Loan that is not a Cooperative Loan is a valid and enforceable (except as such enforceability may be limited by laws affecting the enforcement of creditors' rights generally and principles of equity) first lien on an unencumbered estate in fee simple or (if the related Mortgage Loan is secured by the interest of the Mortgagor as a lessee under a ground lease) leasehold estate in the related Mortgaged Property subject only to (a) liens for current real property taxes and special assessments; (b) covenants, conditions and restrictions, rights of way, easements and other matters of public record as of the date of recording such Mortgage, such exceptions appearing of record being acceptable to mortgage lending institutions generally or specifically reflected in the appraisal obtained in connection with the origination of the Mortgage Loan; (c) exceptions set forth in the title insurance policy relating to such Mortgage, such exceptions being acceptable to mortgage lending institutions generally; and (d) other matters to which like properties are commonly subject which do not materially interfere with the benefits of the security intended to be provided by the Mortgage;

(iii) Immediately upon the transfer and assignment contemplated herein, the Purchaser shall have good title to, and will be the sole legal owner of, each Mortgage Loan, free and clear of any encumbrance or lien (other than any lien under this Agreement);

(iv) Except as set forth on Schedule III to the Term Sheet, if applicable, as of the day prior to the Cut-Off Date, all payments due on each Mortgage Loan had been made and no Mortgage Loan had been delinquent (i.e., was more than 30 days past due) more than once in the preceding 12 months and any such delinquency lasted for no more than 30 days;

(v) As of the Closing Date, there is no offset, defense or counterclaim to any Mortgage Note, including the obligation of the Mortgagor to pay the unpaid principal or interest on such Mortgage Note, except to the extent that the Buydown Agreement for a Buydown Loan forgives certain indebtedness of a Mortgagor;

(vi) As of the Closing Date, each Mortgaged Property is free of damage and in good repair, ordinary wear and tear excepted;

(vii) Each Mortgage Loan at the time it was made complied with all applicable local, state and federal laws, including, without limitation, usury, equal credit

opportunity, disclosure and recording laws, and predatory and abusive lending laws applicable to the originating lender;

(viii) Each Mortgage Loan was originated by (a) the Seller, (b) a savings association, savings bank, bank, credit union, insurance company or similar institution which is supervised and examined by a federal or state authority or (c) a mortgagee approved by the FHA;

(ix) As of the Closing Date, each Mortgage Loan that is not a Cooperative Loan is covered by an ALTA form or CLTA form of mortgagee title insurance policy, or other form of policy of insurance acceptable to Fannie Mae or Freddie Mac as of the origination date of such Mortgage Loan, which has been issued by, and is the valid and binding obligation of, a title insurer which, as of the origination date of such Mortgage Loan, was qualified to do business in the state in which the related Mortgaged Property is located. Such policy insures the originator of the Mortgage Loan and its successors and assigns as to the first priority lien of the Mortgage in the original principal amount of the Mortgage Loan subject to the exceptions set forth in such policy. Such policy is in full force and effect and inures to the benefit of the Purchaser upon the consummation of the transactions contemplated by this Agreement and no claims have been made under such policy, and no prior holder of the related Mortgage, including the Seller, has done, by act or omission, anything which would impair the coverage of such policy;

(x) Except as set forth on Schedule III to the Term Sheet, if applicable, each Mortgage Loan with both (a) an Original Loan-to-Value Ratio and (b) a Current Loan-to-Value Ratio in excess of 80% was covered, as of the Cut-Off Date, by a Primary Insurance Policy or an FHA insurance policy or a VA guaranty, and such policy or guaranty is valid and remains in full force and effect;

(xi) The Mortgage Note related to (a) each Mortgage Loan (other than a Cooperative Loan) requires the related Mortgagor to maintain a policy of hazard insurance, with extended coverage in an amount which is not less than the original principal balance of such Mortgage Loan, except in cases in which such original principal balance exceeds the value of the improvements to the Mortgaged Property, and (b) each Mortgage Loan (other than a Cooperative Loan) with respect to which any part of any improvement to the related Mortgaged Property is located in a federally designated special flood hazard area and in a community which participates in the National Flood Insurance Program at the time of origination of such Mortgage Loan, requires the related Mortgagor to maintain a policy of flood insurance;

(xii) As of the Closing Date, all taxes, governmental assessments, insurance premiums, leasehold payments or ground rents that have become due and payable with respect to each Mortgaged Property have been paid or an escrow of funds sufficient to pay them has been established;

(xiii) As of the Closing Date, each insurer issuing a Primary Insurance Policy holds a rating acceptable to the Rating Agencies;

(xiv) Each Mortgage (exclusive of any riders thereto) was documented by appropriate Fannie Mae/Freddie Mac mortgage instruments in effect at the time of origination, or other instruments approved by the Seller;

(xv) As of the Closing Date, the Mortgaged Property securing each Mortgage relating to a Mortgage Loan that is not a Cooperative Loan is improved with a one- to four-family dwelling unit, including units in a duplex, triplex, fourplex, condominium project, townhouse, a planned unit development or a de minimis planned unit development;

(xvi) As of the Closing Date, each Mortgage and Mortgage Note is the legal, valid and binding obligation of the maker thereof and is enforceable in accordance with its terms, except only as such enforceability may be limited by laws affecting the enforcement of creditors' rights generally and principles of equity;

(xvii) As of the date of origination, as to Mortgaged Properties which are units in condominiums or planned unit developments, all of such units met the applicable Underwriting Standards, are located in a condominium or planned unit development projects which have received Fannie Mae or Freddie Mac approval, or are approvable by Fannie Mae or Freddie Mac or have otherwise been approved by the Seller;

(xviii) Except as set forth on Schedule III to the Term Sheet, if applicable, no Mortgage Loan is a Buydown Loan;

(xx) The Mortgage Loans have been underwritten substantially in accordance with the applicable Underwriting Standards;

(xxi) All of the Mortgage Loans have due-on-sale clauses; however, the due on sale provisions may not be exercised at the time of a transfer if prohibited by law or the terms of the related Mortgage Note;

(xxii) The Seller used no adverse selection procedures in selecting the Mortgage Loans from among the outstanding mortgage loans of the same type originated or purchased by it which were available for sale to the Purchaser and as to which the representations and warranties in this Section 3.1 could be made;

(xxiii) If such Mortgage Loan is a Cooperative Loan, the Cooperative Stock that is pledged as security for the Cooperative Loan is held by a person as a tenant-stockholder (as defined in Section 216 of the Code) in a cooperative housing corporation (as defined in Section 216 of the Code);

(xxiv) If such Mortgage Loan is a Cooperative Loan, it is secured by a valid, subsisting and enforceable (except as such enforceability may be limited by laws affecting the enforcement of creditors' rights generally and principles of equity)

perfected first lien and security interest in the related Cooperative Stock, subject only to (a) liens of the Cooperative for unpaid assessments representing the Mortgagor's pro rata share of the Cooperative's payments for its blanket mortgage, current and future real property taxes, insurance premiums, maintenance fees and other assessments to which like collateral is commonly subject, and (b) other matters to which like collateral is commonly subject which do not materially interfere with the benefits of the security intended to be provided by the Security Agreement;

(xxv) With respect to any Mortgage Loan as to which an affidavit has been delivered by the Seller to the Purchaser or its assignee certifying that the original Mortgage Note is a Destroyed Mortgage Note, if such Mortgage Loan is subsequently in default, the enforcement of such Mortgage Loan or of the related Mortgage will not be materially adversely affected by the absence of the original Mortgage Note (or portion thereof, as applicable);

(xxvi) Each Mortgage Loan constitutes a "qualified mortgage" under Section 860G(a)(3)(A) of the Code and Treasury Regulation Section 1.860G-2(a)(1), (2), (4), (5), (6), (7) and (9), without reliance on the provisions of Treasury Regulation Section 1.860G-2(a)(3) or 1.860G-2(f)(2) or any other provision that would allow a Mortgage Loan to be treated as a "qualified mortgage" notwithstanding its failure to meet the requirements of Section 860G(a)(3)(A) of the Code and Treasury Regulation Section 1.860G-2(a)(1), (2), (4), (5), (6), (7) and (9);

(xxvii) No Mortgage Loan is a High Cost/Covered Loan, and no Mortgage Loan originated during the period of October 1, 2002 through March 6, 2003 is governed by the Georgia Fair Lending Act;

(xxviii) No Mortgage Loan is subject to the Home Ownership and Equity Protection Act of 1994 or Section 226.32 of Regulation Z, is a "high-cost" loan or a "predatory" loan as defined under any state or local law or regulation applicable to the originator of such Mortgage Loan or which would result in liability to the purchaser or assignee of such Mortgage Loan under any predatory or abusive lending law, or, without limiting the generality of the foregoing, is a "covered" loan under the laws of the states of California, Colorado or Ohio; and

(xxix) No Mortgage Loan has a Closing Date Loan-to-Value Ratio greater than 100%.

Section 3.2. Additional Seller Representations and Warranties

Each of the Sellers hereby, severally and not jointly, represents and warrants to the Purchaser as to such Seller as of each Closing Date on which such Seller sells Mortgage Loans hereunder, and with respect to such Mortgage Loans, as of such Closing Date:

(i) If the Seller is Washington Mutual Bank, the Seller is a federal savings association, duly organized, validly existing and in good standing under the laws of the

United States. If the Seller is Washington Mutual Bank fsb, the Seller is a federal savings bank, duly organized, validly existing and in good standing under the laws of the United States.

(ii) The Seller has all licenses necessary to carry on its business as now being conducted and is licensed, qualified and in good standing in the states where the Mortgaged Properties are located if the laws of such states require licensing or qualification in order to conduct business of the type conducted by the Seller and to the extent necessary to ensure the enforceability of each Mortgage Loan. The Seller has the corporate power and authority to hold each Mortgage Loan, to sell each Mortgage Loan, to enter into, execute and deliver this Agreement, the Term Sheet, the Confidential Pricing Supplement and all documents and instruments executed and delivered pursuant hereto and to perform its obligations in accordance therewith. The execution, delivery and performance of this Agreement by the Seller and the consummation of the transactions contemplated hereby, including, without limitation, the repurchase obligations herein contained, have been duly and validly authorized. This Agreement, the Term Sheet, the Confidential Pricing Supplement and all other documents and instruments contemplated hereby to which the Seller is a party, in each case assuming due authorization, execution and delivery by the Purchaser, evidence the valid, binding and enforceable obligations of the Seller, subject as to enforceability, (i) to bankruptcy, insolvency, receivership, conservatorship, reorganization, arrangement, moratorium, and other laws of general applicability relating to or affecting creditor's rights, and (ii) to general principles of equity, whether such enforcement is sought in a proceeding in equity or at law. All requisite corporate action has been taken by the Seller to make this Agreement valid and binding upon the Seller in accordance with its terms.

(iii) No consent, approval, authorization, or order of any court or governmental agency or body relating to the transactions contemplated by this Agreement and the transfer of legal title to the Mortgage Loans to the Purchaser, is required as to the Seller or, if required, such consent, approval, authorization, or order has been or will, prior to the applicable Closing Date, be obtained, except for any recordation of Mortgages or assignments of Mortgages or filing of UCC financing statements or amendments thereto to or for the benefit of the Purchaser pursuant to this Agreement.

(iv) The consummation of the transactions contemplated by this Agreement, including without limitation the transfer and assignment of the Mortgage Loans to the Purchaser pursuant to this Agreement and the fulfillment of or compliance with the terms and conditions of this Agreement, are in the ordinary course of business of the Seller and will not (i) result in the breach of any term or provision of the charter or by-laws of the Seller, (ii) result in the breach of any term or provision of, or conflict with or constitute a default under, or result in the acceleration of any obligation under, any material agreement, indenture, loan or credit agreement or other instrument to which the Seller or its property is subject or (iii) result in the violation of any law, rule, regulation, order, judgment, or decree to which the Seller or its property is subject.

(v) There is no action, suit, proceeding or investigation pending or, to the best of the Seller's knowledge, threatened, against the Seller which, either in any one instance or in the aggregate, is likely, in the Seller's judgment, to result, in any material impairment of the right or ability of the Seller to carry on its business substantially as now conducted, or which would draw into question the validity of this Agreement or the Mortgage Loans, or of any action taken or to be taken in connection with the obligations of the Seller contemplated herein or therein, or which would be likely to impair materially the ability of the Seller to perform its obligations hereunder or thereunder.

(vi) The Seller is a U.S. Department of Housing and Urban Development ("HUD") approved mortgagee pursuant to Section 203 of the National Housing Act of 1934, as amended. No event has occurred, including but not limited to a change in insurance coverage, which would make the Seller unable to comply with HUD eligibility requirements or which would require notification to HUD.

(vii) The Seller is not in violation of, and the execution and delivery of this Agreement by the Seller and its performance and compliance with the terms of this Agreement will not constitute a violation with respect to, any order or decree of any court or any order or regulation of any federal, state, municipal or governmental agency having jurisdiction over the Seller or its assets, which violation might have consequences that would materially and adversely affect the condition, financial or otherwise, or the operations, of the Seller or its assets or might have consequences that would materially and adversely affect the performance of its obligations and duties hereunder.

(viii) Upon payment of the Purchase Price by the Purchaser, in the event that the Seller retains record title to a Mortgage, the Seller shall retain such record title to such Mortgage solely in trust for the Purchaser as owner thereof.

Section 3.3. Repurchases and Substitutions in the Event of Breach of Seller Representations and Warranties

(a) It is understood and agreed that the representations and warranties set forth in Sections 3.1 and 3.2 shall survive the sale of Mortgage Loans by each Seller to the Purchaser and shall inure to the benefit of the Purchaser, notwithstanding any restrictive or qualified endorsement on any Mortgage Note or assignment of Mortgage.

(b) Upon discovery by a Seller (the "Breaching Seller") or the Purchaser of a breach of any of the representations and warranties set forth in Section 3.1 made by the Breaching Seller (in the case of a breach of the representation set forth in clause (xxix) of Section 3.1, as based on a determination of the applicable Closing Date Loan-to-Value Ratio using such evidence as is reasonably designed to approximate the value of the applicable Mortgaged Property as of the related Closing Date) that materially and adversely affects the value of any Mortgage Loan sold by such Breaching Seller hereunder or the interests of the Purchaser in such Mortgage Loan, the party discovering such breach shall give prompt written notice to the other. Any breach of the representation set forth in clause (xxvii) or clause (xxviii) of Section 3.1 shall be deemed to materially and adversely affect the value of the related

Mortgage Loan or the interests of the Purchaser in the related Mortgage Loan. Within 90 days of its discovery of breach or its receipt of notice of breach from the Purchaser, the Breaching Seller shall repurchase from the Purchaser or its transferee the affected Mortgage Loan or Mortgage Loans or any property acquired in respect thereof, or substitute one or more Substitute Mortgage Loans therefor, unless it has cured such breach in all material respects. Any such repurchase or substitution shall be made in the manner and within the time limits set forth in Section 2.4. If such breach would cause the Mortgage Loan to be other than a “qualified mortgage” (as defined in the Code), then notwithstanding the previous sentence, the repurchase or substitution must occur within the sooner of (i) 90 days from the date the defect was discovered by such Seller, the Purchaser or any other party to the related Pooling and Servicing Agreement or (ii) in the case of substitution, two years from the related Closing Date.

(c) It is understood and agreed that the obligations of a Breaching Seller set forth in this Section 3.3 constitute the sole remedies available to the Purchaser or its transferee respecting a breach of the representations and warranties by such Breaching Seller set forth in Section 3.1.

(d) In addition to such cure, repurchase or substitution obligation, each Seller shall indemnify the Purchaser and hold it harmless against any losses, damages, penalties, fines, forfeitures, reasonable and necessary legal fees and related costs, judgments, and other costs and expenses resulting from the defense of any claim against the Purchaser by a third party resulting from a breach of the representations and warranties made by such Seller in this Article 3.

ARTICLE 4.

Section 4.4. Consents and Approvals

Each Seller shall obtain, at its sole cost and expense, prior to each Closing Date, all consents and approvals required by law or pursuant to contract to consummate the transactions contemplated hereby. All such consents will be obtained without any cost or expense to the Purchaser and will be obtained without any modification in the terms of any of the agreements relating to the Mortgage Loans or the imposition of any provisions or conditions on the Purchaser.

Section 4.5. Confidentiality

Each party understands that certain information which has been furnished and will be furnished in connection with this transaction is confidential and proprietary, and each party agrees that, with respect to such information that is marked or identified as confidential or proprietary, such party will maintain the confidentiality of such information and will not without the consent of the party furnishing such information disclose it to others or use it except in connection with the transactions contemplated by this Agreement. The parties agree that the completed Confidential Pricing Supplement is confidential, and that the Term Sheet, this Agreement and their other exhibits, including the Mortgage Loan Schedule, and the underwriting guidelines of the Seller are not confidential. Information also shall not be deemed confidential or proprietary for these purposes if the information is generally known in the industry concerning a party, if it has been disclosed to the other party by a third party, or if it is required to be disclosed by law or by regulatory or judicial process.

ARTICLE 5.

CONDITIONS TO PURCHASE

The obligations of the Purchaser to purchase any Mortgage Loans on any Closing Date are subject to the satisfaction, as applicable, prior to or on such Closing Date (or on such other date as expressly provided for herein) of the following conditions, any of which may be waived in writing by Purchaser:

Section 5.1. Required Documents

On or before the Closing Date for the initial purchase of Mortgage Loans hereunder, each party hereto shall have received fully executed counterpart originals of this Agreement. On each Closing Date, the Purchaser and each applicable Seller shall furnish to the other party fully executed counterpart originals of the relevant Term Sheet and Confidential Pricing Supplement.

Section 5.2. Correctness of Representations and Warranties

All of the representations and warranties of the applicable Seller or Sellers under this Agreement shall be true and correct as of such Closing Date (except as otherwise expressly provided for herein), and no event shall have occurred which, with notice or the passage of time, would constitute a default under this Agreement.

Section 5.3. Compliance With Conditions

All other terms and conditions of this Agreement to be performed by the applicable Seller or Sellers on or prior to such Closing Date (or such other date as expressly provided for herein) shall have been duly complied with and performed in all respects.

Section 5.4. Costs

Each Seller shall pay all costs, fees and expenses incurred in connection with the transfer and delivery of the Mortgage Loans sold by such Seller under this Agreement for such Seller's accountants, attorneys and other service providers. In addition, with respect to each Pooling and Servicing Agreement, each Seller shall, in proportion to the aggregate principal balance of the Mortgage Loans subject to such Pooling and Servicing Agreement and sold by such Seller under this Agreement, (a) reimburse the Purchaser for all reasonable expenses incurred by the Purchaser in connection with the issuance of the related Certificates and (b) pay to the Purchaser a securitization fee, to be agreed upon separately.

ARTICLE 6.

SERVICING; SALE PURSUANT TO POOLING AND SERVICING AGREEMENT

Section 6.1. Servicing Agreement; Sellers' Consent to Assignment

(a) On each Closing Date, the Purchaser and Washington Mutual Bank shall execute an agreement (which may be a Pooling and Servicing Agreement) pursuant to which (i) Washington Mutual Bank shall service the Mortgage Loans purchased by the Purchaser on such Closing Date as provided therein and (ii) the Servicer thereunder shall have the right to purchase such Mortgage Loans if the aggregate principal balance thereof is less than a percentage specified therein of such aggregate principal balance as of the related Cut-Off Date.

(b) Each Seller hereby consents to the assignment by the Purchaser to a Trust, pursuant to a Pooling and Servicing Agreement, of all of the Purchaser's rights under (i) this Agreement, to the extent that this Agreement relates to Mortgage Loans transferred by the Purchaser to such Trust, and (ii) the Term Sheet with respect to such Mortgage Loans. Each Seller agrees that its obligations hereunder and under the related Term Sheet may be enforced by the Trustee or the Servicer for such Trust.

Section 6.2. Indemnification

(a) Each of the Sellers, severally and not jointly, (i) agrees to indemnify and hold harmless the Purchaser and the related Trust (each, an "Indemnified Party"), against any losses, claims, damages or liabilities to which such Indemnified Party may become subject, under the Securities Act of 1933, as amended, or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon any untrue statement of any material fact contained in the information provided by such Seller to the Purchaser with

respect to such Seller's origination and underwriting criteria, the regulatory status of such Seller and its affiliates (other than the Purchaser and the Trust), and the characteristics of the Mortgage Loans sold by such Seller on the related Closing Date (such information, the "Seller's Information") and included in the prospectus or the prospectus supplement or other disclosure document prepared in connection with the related Sale (collectively, the "Disclosure Documents") and (ii) will reimburse each Indemnified Party for any legal or other expenses reasonably incurred by such Indemnified Party in connection with investigating or defending any such loss, claim, damage, liability or action.

(b) The Purchaser (i) will indemnify and hold harmless each of the Sellers against any losses, claims, damages or liabilities to which such Seller may become subject, under the Securities Act of 1933, as amended, or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) (x) arise out of or are based upon any untrue statement of any material fact contained in any Disclosure Document (other than an untrue statement of material fact contained in the applicable Seller's Information) or (y) arise out of or are based upon the omission to state in any Disclosure Document a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading (unless such omission also constitutes an omission to state in the applicable Seller's Information a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading) and (ii) will reimburse each Seller for any legal or other expenses reasonably incurred by such Seller in connection with investigating or defending any such loss, claim, damage, liability or action.

(c) In connection with each Sale, (i) each of the Sellers agrees to execute an agreement pursuant to which such Seller will agree to indemnify each underwriter engaged in connection with such Sale against any losses, claims, damages or liabilities to which such underwriter may become subject, under the Securities Act of 1933, as amended, or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon any untrue statement of any material fact contained in the applicable Seller's Information and included in any Disclosure Document, and (ii) the Purchaser agrees to make reasonable efforts to obtain indemnification satisfactory to the Sellers with respect to any information provided by parties other than the Purchaser or an affiliate of the Purchaser and included in any Disclosure Document.

ARTICLE 7.

MISCELLANEOUS PROVISIONS

Section 7.1. Amendment

This Agreement may be amended from time to time by the Sellers and the Purchaser solely by written agreement signed by the Sellers and the Purchaser. If any provision of this Agreement or of a Confidential Pricing Supplement conflicts with any provision of a Term Sheet, the provision of such Term Sheet shall control. If any provision of this Agreement conflicts with any provision of a Confidential Pricing Supplement, the provision of this Agreement shall control.

Section 7.2. Recordation of Agreement

(a) To the extent necessary under applicable law to protect the interests of the Purchaser, this Agreement or a memorandum thereof is subject to recordation in all appropriate public offices for real property records in all the counties and other comparable jurisdictions in which any or all of the Mortgaged Properties are situated, and in any other appropriate public recording office or elsewhere, such recordation to be effected by the Sellers at the Purchaser's expense upon direction of the Purchaser.

(b) Each Seller agrees to execute or cause to be executed such documents and take or cause to be taken such actions as may be necessary to effect the intent of this Agreement, including without limitation the execution and delivery of instruments of further assurance and the execution and delivery of such other documents, and the taking of such other actions, as may be reasonably requested by the Purchaser.

Section 7.3. Governing Law

This Agreement shall be governed by and construed in accordance with the laws of the State of New York, without reference to the choice of law doctrine of such state (other than Section 5-1401 of the General Obligations Law).

Section 7.4. General Interpretive Principles

For purposes of this Agreement, except as otherwise expressly provided or unless the context otherwise requires:

(i) the terms defined in this Agreement include the plural as well as the singular, and the use of any gender herein shall be deemed to include the other gender;

(ii) accounting terms not otherwise defined herein have the meanings assigned to them in accordance with generally accepted accounting principles;

(iii) references herein to "Articles," "Sections," "Subsections," "Paragraphs," and other subdivisions without reference to a document are to designated Articles, Sections, Subsections, Paragraphs, and other subdivisions of this Agreement;

(iv) a reference to a subsection without further reference to a Section is a reference to such subsection as contained in the same Section in which the reference appears, and this rule shall also apply to Paragraphs and other subdivisions;

(v) the words "herein," "hereof," "hereunder," and other words of similar import refer to this Agreement as a whole and not to any particular provision; and

(vi) the term "include" or "including" shall mean without limitation by reason of enumeration.

Section 7.5. Notices

Section 7.6. Severability of Provisions

If any one or more of the covenants, agreements, provisions, or terms of this Agreement shall be held invalid for any reason whatsoever, then such covenants, agreements, provisions, or terms shall be deemed severable from the remaining covenants, agreements, provisions, or terms of this Agreement and shall in no way affect the validity or enforceability of the other covenants, agreements, provisions, or terms of this Agreement or the rights of the parties hereunder. If the invalidity of any part, provision, representation or warranty of this Agreement shall deprive any party of the economic benefit intended to be conferred by this Agreement, the parties shall negotiate in good faith to develop a structure the economic effect of which is as nearly as possible the same as the economic effect of this Agreement without regard to such invalidity.

Section 7.7. Exhibits

The exhibits to this Agreement are hereby incorporated and made a part hereof and are an integral part of this Agreement.

Section 7.8. Counterparts; Successors and Assigns

Notwithstanding the foregoing, (a) none of the Sellers shall assign its rights and obligations under this Agreement without the prior written consent of the Purchaser, which consent shall not be unreasonably withheld or delayed, and (b) the Purchaser may not assign its rights and obligations under this Agreement except (i) as provided in Section 6.1 or (ii) with the prior written consent of the applicable Seller or Sellers, which consent shall not be unreasonably withheld or delayed (in which case all references to the Purchaser herein shall be deemed to include such assignee).

Section 7.9. Effect of Headings

The headings in this Agreement are for purposes of reference only and shall not limit or otherwise affect the meaning hereof.

Section 7.10. Other Agreements Superseded

This Agreement supersedes all prior agreements and understandings relating to the subject matter hereof.

Section 7.11. Intention of the Parties

It is the intention of the parties that the Purchaser is purchasing, and each Seller is selling, Mortgage Loans and not a debt instrument of such Seller or other security. Accordingly, the parties hereto each intend to treat each of the transactions hereunder for federal income tax purposes as a sale by each Seller, as applicable, and a purchase by the Purchaser, of Mortgage Loans. The Purchaser shall have the right to review the Mortgage Loans to determine the characteristics of the Mortgage Loans which shall affect the federal income tax consequences of owning the Mortgage Loans, and the applicable Seller or Sellers shall cooperate with all reasonable requests made by the Purchaser in the course of such review.

Section 7.12. Nonsolicitation

Each Seller covenants and agrees that it will not take any action personally, by telephone, by mail or otherwise, to solicit the prepayment of any Mortgage Loans by the related Mortgagors, in whole or in part following the Closing Date with respect to such Mortgage Loans. Notwithstanding the foregoing, no Seller shall be prohibited from:

(i) advertising its availability for handling refinancing of mortgage loans if the Mortgage Loans are not specifically targeted;

(ii) promoting terms available for refinancing by sending letters or promotional material to the mortgagors of all the mortgage loans that such Seller or its affiliates owns or services;

(iii) promoting terms available for refinancing by sending letters or promotional material to the mortgagors of all the mortgage loans of a specific type (e.g., conventional fixed-rate or conventional adjustable-rate) that such Seller or its affiliates owns or services;

(iv) promoting terms available for refinancing by sending letters or promotional material to the mortgagors of all the mortgage loans that fall within specific interest rate ranges that such Seller or its affiliates owns or services;

(v) providing payoff information or otherwise cooperating with individual Mortgagors who contact such Seller about prepaying any Mortgage Loan; or

(vi) advising individual Mortgagors who contact such Seller about prepaying any Mortgage Loan of refinancing terms or streamlined origination arrangements that are available.

In no event shall any Seller treat mortgage loans that it holds in its own portfolio and the Mortgage Loans as separate classes of mortgages for purposes of advertising the availability of refinancing terms.

Section 7.13. Obligations of the Sellers

The obligations and liabilities of each of the Sellers under this Agreement are several, and no Seller shall be responsible for the obligations of the other Seller under this Agreement. Each representation, warranty, indemnity and covenant made by one Seller under the Agreement is made by, or on behalf of, and with respect to, that Seller only and not the other Seller.

Section 7.14. Attorneys' Fees

If either party retains an attorney to enforce any of the provisions of this Agreement, the prevailing party shall be entitled to reasonable attorneys' fees from the other party, including, without limitation, fees incurred in arbitration and in trial and appellate courts, fees incurred without suit, and all arbitration, court and accounting costs.

Section 7.15. Security Interest

(a) The parties hereto intend that each transfer of a Mortgage Loan pursuant to this Agreement and the applicable Term Sheet constitute a sale by the applicable Seller to the Purchaser of such Mortgage Loan, including for accounting purposes, and not a secured

borrowing. It is, further, not the intention of the parties that any such transfer be deemed the grant of a security interest in any Mortgage Loan by the applicable Seller to the Purchaser to secure a debt or other obligation of such Seller. However, in the event that, notwithstanding the intent of the parties, any Mortgage Loan is held to be the property of any Seller, or if for any other reason this Agreement is held or deemed to create a security interest in any Mortgage Loan, then (a) this Agreement shall constitute a security agreement; and (b) the transfer provided for in this Agreement and the applicable Term Sheet shall be deemed to be a grant by each Seller to the Purchaser of, and each Seller hereby grants to the Purchaser, to secure all of such Seller's obligations hereunder, a security interest in all of such Seller's right, title, and interest, whether now owned or hereafter acquired, in, to and under: (i) the Mortgage Loans listed on the Mortgage Loan Schedule to each Term Sheet; (ii) all accounts, chattel paper, deposit accounts, documents, general intangibles, goods, instruments, investment property, letter-of-credit rights, letters of credit, money, and oil, gas, and other minerals, consisting of, arising from, or relating to, any of the foregoing; and (iii) all proceeds of the foregoing. The Purchaser shall have all of the rights of a secured party under the applicable Uniform Commercial Code.

(b) Each Seller shall take or cause to be taken such actions and execute such documents, including without limitation the filing of any financing statements, continuation statements, and amendments to financing statements, as are necessary to perfect the Purchaser's interests in each Mortgage Loan. Each Seller shall file such financing statements, continuation statements, and amendments on a timely basis.

(c) No later than ten (10) days following each Closing Date, each Seller shall file in the applicable jurisdictions such UCC financing statements covering the Mortgage Loans sold by such Seller on such Closing Date as are necessary to perfect the Purchaser's interests in such Mortgage Loans.

Section 7.16. Covenant Not to Place Purchaser or Trust Into Bankruptcy

Each Seller covenants that it shall not, until at least one year and one day after all securities issued by any Trust to which the Purchaser has transferred Mortgage Loans have been paid in full, take any action to file an involuntary bankruptcy petition against the Purchaser or any Trust.

TO WITNESS THIS, the Sellers and the Purchaser have caused their names to be signed to this Mortgage Loan Purchase and Sale Agreement by their duly authorized respective officers as of the date first above written.
