At such time as the employment or engagement of a holder of Class C-1 Units with NTK Holdings and its subsidiaries terminates, such holder shall forfeit all Class C-1 Units held by such holder that are not vested at such time and such forfeited Units shall be deemed cancelled.

“Vested Class C-2 Units” means with respect to a given holder a number of Class C-2 Units equal to: (i) until such time as the First Performance Hurdle is reached, 0; (ii) following the attainment of the First Performance Hurdle and prior to the attainment of the Second Performance Hurdle, (a) the total number of Class C-2 Units held by such holder *multiplied by* (b) a fraction, (1) the numerator of which is the aggregate distributions made on the Target Holders’ Class A Units and Class B Units *plus* the aggregate proceeds received by the Target Holders upon any sale of their Class A Units and Class B Units *less* \$722,600,000 and (2) the denominator of which is \$722,600,000; and (iii) following the attainment of the Second Performance Hurdle, all of the Class C-2 Units held by such holder. For avoidance of doubt, immediately prior to any distribution by the Company that will result in the vesting of any C-2 Units, the Company will determine how many of the C-2 Units will vest as a result of such distribution (after taking into account the reduction in the amount of such distribution to be made with respect to the Class B Units as a result of the need to make distributions to such newly vested Class C-2 Units), and such distribution will be made to the Unitholders in the manner provided in Section 4.4(a) below, treating such newly vested Class C-2 Units as Vested Class C-2 Units. At such time as the employment or engagement of a holder of Class C-2 Units with NTK Holdings or its subsidiaries terminates, such holder shall forfeit all Class C-2 Units held by such holder that are not vested at such time and such forfeited Units shall be deemed cancelled.

SECTION 1.2 Terms Generally. The definitions in Section 1.1 shall apply equally to both the singular and plural forms of the terms defined. Whenever the context may require, any pronoun shall include the corresponding masculine, feminine and neuter forms. The term “person” or “Person” includes individuals, partnerships (whether general or limited), joint ventures, corporations, limited liability companies, trusts, estates, custodians, nominees, governments (or agencies or political subdivisions thereof) and other associations, entities or

groups (as defined in the Securities Exchange Act of 1934, as amended). The words “include,” “includes” and “including” shall be deemed to be followed by the phrase “without limitation.” All terms herein that relate to accounting matters shall be interpreted in accordance with generally accepted accounting principles from time to time in effect. All references to “Sections” and “Articles” shall refer to Sections and Articles of this Agreement unless otherwise specified. The words “hereof” and “herein” and similar terms shall relate to this Agreement.

ARTICLE II. GENERAL PROVISIONS

SECTION 2.1 Formation. The Company has been organized as a Delaware limited liability company by the execution and filing of a Certificate of Formation (the “Certificate”) by THL, as an initial Member, under and pursuant to the Act. The rights, powers, duties, obligations and liabilities of the Members shall be determined pursuant to the Act and this Agreement. To the extent that the rights, powers, duties, obligations and liabilities of any Member are different by reason of any provision of this Agreement than they would be in the absence of such provision, this Agreement shall, to the extent permitted by the Act, control.

SECTION 2.2 Name. The name of the Company is “THL-Nortek Investors, LLC,” and all Company business shall be conducted in that name or in such other names that comply with applicable law as the Management Committee may select from time to time.

SECTION 2.3 Term. The term of the Company commenced on the date the Certificate was filed with the office of the Secretary of State of the State of Delaware and shall continue in existence perpetually until termination or dissolution in accordance with the provisions of Section 5.2.

SECTION 2.4 Purpose; Powers.

(a) General Powers. The nature of the business or purposes to be conducted or promoted by the Company is to engage in any lawful act or activity for which limited liability companies may be organized under the Act. The Company may engage in any and all activities necessary, desirable or incidental to the accomplishment of the foregoing. Notwithstanding anything herein to the contrary, nothing set forth herein shall be construed as authorizing the Company to possess any purpose or power, or to do any act or thing, forbidden by law to a limited liability company organized under the laws of the State of Delaware.

(b) Company Action. Subject to the provisions of this Agreement and except as prohibited by applicable law (i) the Company may, with the approval of the Management Committee, enter into and perform any and all documents, agreements and instruments contemplated thereby, all without any further act, vote or approval of any Member and (ii) the Management Committee may authorize any Person (including any Member or Officer) to enter into and perform any document on behalf of the Company.

(c) Merger. Subject to the provisions of this Agreement, the Company may, with the approval of the Management Committee and without the need for any further act, vote or approval of any Member, merge with, or consolidate into, another

limited liability company (organized under the laws of Delaware or any other state), a corporation (organized under the laws of Delaware or any other state) or other business entity (as defined in Section 18-209(a) of the Act), regardless of whether the Company is the survivor of such merger or consolidation.

SECTION 2.5 Foreign Qualification. Prior to the Company's conducting business in any jurisdiction other than Delaware, the Management Committee shall cause the Company to comply, to the extent procedures are available and those matters are reasonably within the control of the Officers, with all requirements necessary to qualify the Company as a foreign limited liability company in that jurisdiction.

SECTION 2.6 Registered Office; Registered Agent; Principal Office; Other Offices. The registered office of the Company required by the Act to be maintained in the State of Delaware shall be the office of the initial registered agent named in the Certificate or such other office (which need not be a place of business of the Company) as the Management Committee may designate from time to time in the manner provided by law. The registered agent of the Company in the State of Delaware shall be the initial registered agent named in the Certificate or such other Person or Persons as the Management Committee may designate from time to time in the manner provided by law. The principal office of the Company shall be at such place as the Management Committee may designate from time to time, which need not be in the State of Delaware, and the Company shall maintain records at such place. The Company may have such other offices as the Management Committee may designate from time to time.

SECTION 2.7 No State-Law Partnership. The Unitholders intend that the Company shall not be a partnership (including a limited partnership) or joint venture, and that no Unitholder, Representative or Officer shall be a partner or joint venturer of any other Unitholder, Representative or Officer by virtue of this Agreement, for any purposes other than as set forth in the last sentence of this Section 2.7, and this Agreement shall not be construed to the contrary. The Unitholders intend that the Company shall be treated as a partnership for federal and, if applicable, state or local income tax purposes, and each Unitholder and the Company shall file all tax returns and shall otherwise take all tax and financial reporting positions in a manner consistent with such treatment.

SECTION 2.8 Ownership of Units and Issuance of Additional Units. Schedule A to this Agreement, as amended from time to time in accordance with the terms hereof, sets forth the Members' ownership of Units. Subject to Article X of the Securityholders Agreement, the Management Committee shall have the right to issue additional Units from time to time and to amend Schedule A accordingly.

ARTICLE III. MANAGEMENT

SECTION 3.1 The Management Committee; Delegation of Authority and Duties.

(a) Members and Management Committee. The Members shall possess all rights and powers as provided in the Act and otherwise by law. Except as otherwise

expressly provided for herein, the Members hereby consent to the exercise by the Management Committee of all such powers and rights conferred on them by the Act with respect to the management and control of the Company. Notwithstanding the foregoing and except as explicitly set forth in this Agreement, if a vote, consent or approval of the Members is required by the Act or other applicable law with respect to any act to be taken by the Company or matter considered by the Management Committee, each Member agrees that it shall be deemed to have consented to or approved such act or voted on such matter in accordance with a vote of the Management Committee on such act or matter. No Member, in its capacity as a Member, shall have any power to act for, sign for or do any act that would bind the Company. The Members, acting through the Management Committee, shall devote such time and effort to the affairs of the Company as they may deem appropriate for the oversight of the management and affairs of the Company. Each Member acknowledges and agrees that, except as otherwise agreed in writing, no Member shall, in its capacity as a Member, be bound to devote all of such Member's business time to the affairs of the Company, and that each Member and such Member's Affiliates do and will continue to engage for such Member's own account and for the account of others in other business ventures.

(b) Delegation by Management Committee. Except as provided in Section 3.1(c) below, the Management Committee shall not have the power and authority to delegate to one or more other Persons the Management Committee's rights and powers to manage and control the business and affairs of the Company; provided, however that the Management Committee may authorize any Person (including, without limitation, any Member, Officer or Representative) to enter into and perform under any document authorized by the Management Committee on behalf of the Company.

(c) Committees. The Management Committee may, from time to time, designate one or more committees, each of which shall be comprised of at least two Representatives and shall have such membership as is required by Article VIII of the Securityholders Agreement. Any such committee, to the extent provided in the enabling resolution and until dissolved by the Management Committee, shall have and may exercise any or all of the authority of the Management Committee. At every meeting of any such committee, the presence of a majority of all the representatives thereof shall constitute a quorum, and the affirmative vote of a majority of the representatives present shall be necessary for the adoption of any resolution. The Management Committee may dissolve any committee at any time, unless otherwise provided in the Certificate or this Agreement.

SECTION 3.2 Establishment of Management Committee.

(a) Representatives. In accordance with the terms of the Securityholders Agreement, there shall be established a Management Committee composed of between five (5) and eleven (11) Persons (as determined by the holders of a majority of the Class B Units) all of whom shall be individuals ("Representatives") who shall be elected by a majority vote of the holders of Class B Units and each such Member shall have one vote for each Class B Unit held by such Member. Subject to the terms of the Securityholders Agreement, any Representative may be removed from the Management Committee at any

time by the holders of a majority of the total voting power of the outstanding Class B Units. Each Representative shall remain in office until his or her death, resignation or removal, and in the event of death, resignation or removal of a Representative, the party or parties, as applicable, which designated such Representative shall fill the vacancy created. From August 26, 2004 through the completion of the First Merger, the members of the Management Committee shall be Anthony J. DiNovi and Kent R. Weldon and each of them shall be authorized to execute documents on behalf of the Company. Immediately following the completion of the First Merger, the members of the Management Committee shall be Anthony J. DiNovi, Kent R. Weldon, Richard L. Bready, David B. Hiley, Joseph M. Cianciolo and David V. Harkins and thereafter the Management Committee shall be appointed and composed in accordance with the terms of the Securityholders Agreement.

(b) Duties. The Representatives, in the performance of their duties, shall owe to the Company and the Members duties of loyalty and due care of the type owed by the directors of a corporation to such corporation and its stockholders under the laws of the State of Delaware; provided, that to the maximum extent permitted from time to time under the law of the State of Delaware applying to corporations, this Company renounces any interest or expectancy of the Company in, or in being offered an opportunity to participate in, business opportunities that are from time to time presented to its Representatives, other than those Representatives who are employees of NTK Holdings, Holdings or Nortek.

(c) Absence. A Representative may, in isolated instances arising from exigent circumstances, designate a Person to act as his or her substitute and in his or her place at any meeting of the Management Committee. Such Person shall have all power of the absent Representative, and references herein to a “Representative” at a meeting shall be deemed to include his or her substitute. Notwithstanding anything in this Agreement to the contrary, Representatives, in their capacities as such, shall not be deemed to be “members” or “managers” (as such terms are defined in the Act) of the Company; provided that, for the purpose of clarity and the avoidance of doubt, nothing contained in this sentence shall relieve or diminish any Representative’s duties under Section 3.2(b) hereof.

(d) No Individual Authority. No Representative has the authority or power to act for or on behalf of the Company, to do any act that would be binding on the Company or to make any expenditures or incur any obligations on behalf of the Company or authorize any of the foregoing, other than acts that are expressly authorized by the Management Committee.

(e) Conflict. Each provision of this Section 3.2 is subject to the terms and provisions of the Securityholders Agreement, and to the extent any such provisions apply, they are then to be construed as being incorporated in this Agreement and made a part hereof.

SECTION 3.3 Management Committee Meetings.

(a) Quorum. A majority of the total number of Representatives shall constitute a quorum for the transaction of business of the Management Committee and, except as otherwise provided in this Agreement, the act of a majority of the Representatives present at a meeting of the Management Committee at which a quorum is present shall be the act of the Management Committee. A Representative who is present at a meeting of the Management Committee at which action on any matter is taken shall be presumed to have assented to the action unless his dissent shall be entered in the minutes of the meeting or unless he shall file his written dissent to such action with the Person acting as secretary of the meeting before the adjournment thereof or shall deliver such dissent to the Company immediately after the adjournment of the meeting. Such right to dissent shall not apply to a Representative who voted in favor of such action.

(b) Place, Waiver of Notice. Meetings of the Management Committee may be held at such place or places as shall be determined from time to time by resolution of the Management Committee. At all meetings of the Management Committee, business shall be transacted in such order as shall from time to time be determined by resolution of the Management Committee. Attendance of a Representative at a meeting shall constitute a waiver of notice of such meeting, except where a Representative attends a meeting for the express purpose of objecting to the transaction of any business on the ground that the meeting is not lawfully called or convened.

(c) Regular Meetings. Regular meetings of the Management Committee shall be held at such times and places as shall be designated from time to time by resolution of the Management Committee. Notice of such meetings shall not be required.

(d) Special Meetings. Special meetings of the Management Committee may be called on at least 24 hours notice to each Representative by the chairman or any two Representatives. Such notice need not state the purpose or purposes of, nor the business to be transacted at, such meeting, except as may otherwise be required by law or provided for in this Agreement.

(e) Notice. Notice of any special meeting of the Management Committee or other committee may be given as provided in Section 7.6.

SECTION 3.4 Chairman. The Management Committee shall designate a Representative to serve as chairman. The chairman shall preside at all meetings of the Management Committee. If the chairman is absent at any meeting of the Management Committee, a majority of the Representatives present shall designate another Representative to serve as interim chairman for that meeting. Except as authorized by the Management Committee, the chairman shall have no authority or power to act for or on behalf of the Company, to do any act that would be binding on the Company or to make any expenditure or incur any obligations on behalf of the Company or authorize any of the foregoing. The chairman shall initially be Richard L. Bready and shall continue to be Mr. Bready for the period during which he is a Representative of the Company.

SECTION 3.5 Approval or Ratification of Acts or Contracts. Any act or contract that shall be approved or be ratified by the Management Committee on behalf of the

Company shall be as valid and as binding upon the Company and upon all the Members (in their capacity as Members) as if it shall have been approved or ratified by every Member of the Company; provided, that no action taken under this Section 3.5 shall bind any party other than the Company with respect to the Securityholders Agreement, the Senior Management Unit Subscription Agreements (as defined in the Securityholders Agreement) and the Option Cancellation Agreements (as defined in the Securityholders Agreement).

SECTION 3.6 Action by Written Consent or Telephone Conference. Any action permitted or required by the Act, the Certificate or this Agreement to be taken at a meeting of the Management Committee or any committee designated by the Management Committee may be taken without a meeting if a consent in writing, setting forth the action to be taken, is signed by a majority of the Representatives or members of such other committee, as the case may be. Such consent shall have the same force and effect as a vote at a meeting and may be stated as such in any document or instrument filed with the Secretary of State of the State of Delaware, and the execution of such consent shall constitute attendance or presence in person at a meeting of the Management Committee or any such other committee, as the case may be. Subject to the requirements of this Agreement for notice of meetings, the Representatives, or representatives of any other committee designated by the Management Committee, may participate in and hold a meeting of the Management Committee or any such other committee, as the case may be, by means of a conference telephone or similar communications equipment by means of which all Persons participating in the meeting can hear each other, and participation in such meeting shall constitute attendance and presence in person at such meeting, except where a Person participates in the meeting for the express purpose of objecting to the transaction of any business on the ground that the meeting is not lawfully called or convened.

SECTION 3.7 Officers.

(a) Designation and Appointment. The Management Committee may, from time to time, employ and retain Persons as may be necessary or appropriate for the conduct of the Company's business (subject to the supervision and control of the Management Committee), including employees, agents and other Persons (any of whom may be a Member or Representative) who may be designated as Officers of the Company, with titles including "chief executive officer," "chairman," "president," "vice president," "treasurer," "secretary," "general manager," "director" and "chief financial officer," as and to the extent authorized by the Management Committee. Any number of offices may be held by the same Person. In its discretion, the Management Committee may choose not to fill any office for any period as it may deem advisable. Officers need not be residents of the State of Delaware or Members. Any Officers so designated shall have such authority and perform such duties as the Management Committee may, from time to time, delegate to them. The Management Committee may assign titles to particular Officers. Each Officer shall hold office until his successor shall be duly designated and shall qualify or until his death or until he shall resign or shall have been removed in the manner hereinafter provided. The salaries or other compensation, if any, of the Officers of the Company shall be fixed from time to time by the Management Committee.

(b) Resignation/Removal. Any Officer may resign as such at any time. Such resignation shall be made in writing and shall take effect at the time specified therein, or if no time is specified, at the time of its receipt by the Management Committee. The acceptance of a resignation shall not be necessary to make it effective, unless expressly so provided in the resignation. Subject to clauses (d), (e) and (f) of this Section 3.7, any Officer may be removed as such, either with or without cause at any time by the Management Committee. Designation of an Officer shall not of itself create any contractual or employment rights.

(c) Duties of Officers Generally. The Officers, in the performance of their duties as such, shall owe to the Company duties of loyalty and due care of the type owed by the officers of a corporation to such corporation and its stockholders under the laws of the State of Delaware; provided, that to the maximum extent permitted from time to time under the law of the State of Delaware applying to corporations, this Company renounces any interest or expectancy of the Company in, or in being offered an opportunity to participate in, business opportunities that are from time to time presented to its Officers, other than those Officers who are employees of NTK Holdings, Holdings or Nortek.

(d) Chief Executive Officer. Subject to the powers of the Management Committee, the chief executive officer of the Company shall be in general and active charge of the business and affairs of the Company, and shall be its chief policy making officer. The chief executive officer shall initially be Richard L. Bready and shall continue to be Mr. Bready during the period during which he is the Chief Executive Officer of Nortek.

(e) President. The president shall, subject to the powers of the Management Committee and chief executive officer, have general and active authority for the management of the business of the Company; and shall see that all orders and resolutions of the Management Committee are carried into effect. The president shall have such other powers and perform such other duties as may be prescribed by the chief executive officer or the Management Committee. The president shall initially be Richard L. Bready and shall continue to be Mr. Bready during the period during which he is the President of Nortek.

(f) Chief Financial Officer. The chief financial officer shall keep and maintain, or cause to be kept and maintained, proper books and records of accounts of the properties and business transactions of the Company, including accounts of its assets, liabilities, receipts, disbursements, gains, losses and capital. The chief financial officer shall have the custody of the funds and securities of the Company, and shall keep full and accurate accounts of receipts and disbursements in books belonging to the Company, and shall deposit all moneys and other valuable effects in the name and to the credit of the Company in such depositories as may be designated by the Management Committee. The chief financial officer shall have such other powers and perform such other duties as may from time to time be prescribed by the chief executive officer or the Management Committee. The chief financial officer shall initially be Almon C. Hall and shall continue to be Mr. Hall during the period during which he is the Chief Financial Officer of Nortek.

(g) Vice President(s). The vice president(s) shall perform such duties and have such other powers as the chief executive officer or the Management Committee may from time to time prescribe.

(h) Secretary.

(i) The secretary shall attend all meetings of the Management Committee, and shall record all the proceedings of the meetings in a book to be kept for that purpose, and shall perform like duties for the standing committees of the Management Committee when required. The secretary shall initially be Kevin W. Donnelly and shall continue to be Mr. Donnelly for the period during which he is the Secretary of Nortek.

(ii) The secretary shall keep a record of all actions of the Members and the Management Committee and a record of such other matters as may be required under the Act. The secretary shall perform such other duties and have such other authority as may be prescribed elsewhere in this Agreement or from time to time by the chief executive officer or the Management Committee. The secretary shall have the general duties, powers and responsibilities of a secretary of a corporation.

(iii) If the Management Committee chooses to appoint an assistant secretary or assistant secretaries, the assistant secretaries, in the order of their seniority, in the absence, disability or inability to act of the secretary, shall perform the duties and exercise the powers of the secretary, and shall perform such other duties as the chief executive officer or the Management Committee may from time to time prescribe.

SECTION 3.8 Management Matters.

(a) Transfer of Property. All property owned by the Company shall be registered in the Company's name, in the name of a nominee or in "street name" as the Management Committee may from time to time determine. Any corporation, brokerage firm or transfer agent called upon to transfer any Securities to or from the name of the Company shall be entitled to rely on instructions or assignments signed or purported to be signed by any Officer without inquiry as to the authority of the Person signing or purporting to sign such instructions or assignments or as to the validity of any transfer to or from the name of the Company. At the time of any such transfer, any such corporation, brokerage firm or transfer agent shall be entitled to assume that (i) the Company is then in existence and (ii) that this Agreement is in full force and effect and has not been amended, in each case unless such corporation, brokerage firm or transfer agent shall have received written notice to the contrary.

(b) Existence and Good Standing. The Management Committee may take all action which may be necessary or appropriate (i) for the continuation of the Company's valid existence as a limited liability company under the laws of the State of Delaware (and of each other jurisdiction in which such existence is necessary to enable

the Company to conduct the business in which it is engaged) and (ii) for the maintenance, preservation and operation of the business of the Company in accordance with the provisions of this Agreement and applicable laws and regulations. The Management Committee may file or cause to be filed for recordation in the office of the appropriate authorities of the State of Delaware, and in the proper office or offices in each other jurisdiction in which the Company is formed or qualified, such certificates (including certificates of limited liability companies and fictitious name certificates) and other documents as are required by the applicable statutes, rules or regulations of any such jurisdiction or as are required to reflect the identity of the Members and the amounts of their respective capital contributions.

(c) Investment Company Act. The Management Committee shall use its best efforts to assure that the Company shall not be subject to registration as an investment company pursuant to the Investment Company Act of 1940, as amended.

(d) No UBTI; ECI. The Company shall not, directly or through any pass-through entity in which it holds an interest, engage in any transaction or activity that shall cause its Unitholders, or any of such Unitholder's limited partners, which, in the case of clause (i), are exempt from income taxation under Section 501(a) of the Code, or, in the case of clause (ii), are non-U.S. persons, to recognize (i) unrelated business taxable income, as defined in Section 512 and Section 514 of the Code, that is taxable to such Persons under Section 511 of the Code or (ii) income that is or is deemed to be "effectively connected" with a U.S. trade or business, as defined in Section 864(b) of the Code or income received directly or indirectly from a commercial activity within the meaning of Section 892(a)(2) of the Code.

SECTION 3.9 Securities in NTK Holdings. The Company shall vote all of the securities it holds in NTK Holdings as directed by the Management Committee.

SECTION 3.10 Liability of Unitholders.

(a) No Personal Liability. Except as otherwise required by applicable law and as expressly set forth in this Agreement, no Unitholder shall have any personal liability whatsoever in such Person's capacity as a Unitholder, whether to the Company, to any of the other Unitholders, to the creditors of the Company or to any other third party, for the debts, liabilities, commitments or any other obligations of the Company or for any losses of the Company. Each Unitholder shall be liable only to make such Unitholder's Initial Capital Contribution to the Company, if applicable, and the other payments provided expressly herein.

(b) Return of Distributions. In accordance with the Act and the laws of the State of Delaware, a member of a limited liability company may, under certain circumstances, be required to return amounts previously distributed to such member. It is the intent of the Members that no distribution to any Member pursuant to Article V hereof shall be deemed a return of money or other property paid or distributed in violation of the Act. The payment of any such money or distribution of any such property to a Member shall be deemed to be a compromise within the meaning of the Act, and the

Member receiving any such money or property shall not be required to return to any Person any such money or property. However, if any court of competent jurisdiction holds that, notwithstanding the provisions of this Agreement, any Member is obligated to make any such payment, such obligation shall be the obligation of such Member and not of any Representative or other Member.

SECTION 3.11 Indemnification and Exculpation by the Company. Subject to the limitations and conditions provided in this Section 3.11, each Person who was or is made a party or is threatened to be made a party to or is involved in any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or arbitral (hereinafter a "Proceeding"), or any appeal in such a Proceeding or any inquiry or investigation that could lead to such a Proceeding, by reason of the fact that he, she, or it, or a Person of which he, she or it is the legal representative, is or was a Unitholder, Officer or Representative shall be indemnified by the Company to the fullest extent permitted by applicable law, as the same exists or may hereafter be amended (but, in the case of any such amendment, only to the extent that such amendment permits the Company to provide broader indemnification rights than said law permitted the Company to provide prior to such amendment) against all judgments, penalties (including excise and similar taxes and punitive damages), fines, settlements and reasonable expenses (including reasonable attorneys' fees and expenses) actually incurred by such Person in connection with such Proceeding, appeal, inquiry or investigation if such Person acted in Good Faith, and indemnification under this Section 3.11 shall continue as to a Person who has ceased to serve in the capacity which initially entitled such Person to indemnity hereunder. A Representative shall not be liable to the Company or its Members for monetary damages for breach of fiduciary duty as a Representative if such Person acted in Good Faith, except to the extent that exculpation from liability is not permitted under applicable law as in effect at the time such liability is determined. The rights granted pursuant to this Section 3.11 shall be deemed contract rights, and no amendment, modification or repeal of this Section 3.11 shall have the effect of limiting or denying any such rights with respect to actions taken or Proceedings, appeals, inquiries or investigations arising prior to any amendment, modification or repeal. It is expressly acknowledged that the indemnification provided in this Section 3.11 could involve indemnification for negligence or under theories of strict liability. "Good Faith" shall mean a Person having acted in good faith and in a manner such Person reasonably believed to be in or not opposed to the best interests of the Company, and, with respect to a criminal proceeding, having had no reasonable cause to believe such Person's conduct was unlawful.

ARTICLE IV.

CAPITAL CONTRIBUTIONS; ALLOCATIONS; DISTRIBUTIONS

SECTION 4.1 Capital Contributions. The Members listed on Exhibit I hereto have made initial Capital Contributions to the Company in the amounts and of the type set forth in Exhibit I hereto in respect of Units other than Class D Units (with respect to each Member, an "Initial Capital Contribution"). The Members listed on Exhibit II hereto have made additional Capital Contributions to the Company in the amounts set forth on Exhibit II hereto in respect of Class D Units.

SECTION 4.2 Capital Accounts.

(a) Creation. There shall be established for each Unitholder on the books of the Company a Capital Account which shall be increased or decreased in the manner set forth in this Agreement.

(b) Negative Balance. A Unitholder shall not have any obligation to the Company or to any other Unitholder to restore any negative balance in the Capital Account of such Unitholder.

SECTION 4.3 Allocations of Net Income and Net Loss.

(a) Timing and Amount of Allocations of Net Income and Net Loss. Net Income and Net Loss of the Company shall be determined and allocated with respect to each fiscal year of the Company as of the end of each such year or as circumstances otherwise require or allow. Subject to the other provisions of this Section 4.3, an allocation to a Unitholder of a share of Net Income or Net Loss shall be treated as an allocation of the same share of each item of income, gain, loss or deduction that is taken into account in computing Net Income or Net Loss.

(b) General Allocations.

(i) Net Income and Net Loss. After giving effect to the special allocations provided in Sections 4.3(c) all Net Income and Net Loss of the Company for a fiscal year shall be allocated to the Unitholders as follows:

(A) first, Net Income will be allocated to the Unitholders having deficit balances in their Capital Accounts (computed after giving effect to all contributions, distributions, allocations and other Capital Account adjustments for all taxable years (other than the items comprising the Net Income or Net Loss of the Company being allocated to the Unitholders for the current fiscal year), after adding back each Unitholder's share of Company Minimum Gain and Member Minimum Gain as provided in Regulations Sections 1.704-2(g) and 1.704-2(i)(5)), to the extent of, and in proportion to, those deficits, unless satisfied by allocations under Section 4.3(c) hereof; and

(B) second, Net Income and Net Loss not allocated under Section 4.3(b)(i)(A) will be allocated so as to cause the credit balance in each Unitholder's Capital Account (computed in the same manner as provided parenthetically in Section 4.3(b)(i)(A) hereof) to equal, as nearly as possible, the amount such Unitholder would receive if the Company sold all of its assets for the Gross Asset Value of each such asset and distributed the proceeds thereof (after satisfaction of any liabilities of the Company) in accordance with the provisions of Section 4.4 hereof.

(c) Additional Allocation Provisions. Notwithstanding the foregoing provisions of this Section 4.3:

(i)

(A) If there is a net decrease in Company Minimum Gain or Member Minimum Gain during any fiscal year, the Unitholders shall be allocated items of Company income and gain for such fiscal year (and, if necessary, for subsequent fiscal years) in accordance with Regulations Section 1.704-2(f) or 1.704-2(i)(4), as applicable. It is intended that this Section 4.3(c)(i)(A) qualify and be construed as a “minimum gain chargeback” and a “chargeback of partner nonrecourse debt minimum gain” within the meaning of such Regulations, which shall be controlling in the event of a conflict between such Regulations and this Section 4.3(c)(i)(A).

(B) Any Nonrecourse Deductions for any fiscal year shall be specially allocated to the holders of Class A Units in accordance with the number of Class A Units held by each such Unitholder. Any Member Nonrecourse Deductions for any fiscal year shall be specially allocated to the Unitholder(s) who bears the economic risk of loss with respect to the Member Nonrecourse Debt to which such Member Nonrecourse Deductions are attributable, in accordance with Regulations Section 1.704- 2(i).

(C) If any Unitholder unexpectedly receives an adjustment, allocation or distribution described in Regulations Section 1.704- 1(b)(2)(ii)(d)(4), (5) or (6), items of Company income and gain shall be allocated, in accordance with Regulations Section 1.704- 1(b)(2)(ii) (d), to the Unitholder in an amount and manner sufficient to eliminate, to the extent required by such Regulations, the Adjusted Capital Account Deficit of the Unitholder as quickly as possible. It is intended that this Section 4.3(c)(i)(C) qualify and be construed as a “qualified income offset” within the meaning of Regulations 1.704- 1(b)(2)(ii)(d), which shall be controlling in the event of a conflict between such Regulations and this Section 4.3(c)(i)(C).

(D) The allocations set forth in Sections 4.3(c)(i)(A), (B) and (C) (the “Regulatory Allocations”) are intended to comply with certain regulatory requirements, including the requirements of Regulations Sections 1.704-1(b) and 1.704-2. Notwithstanding the provisions of Section 4.3(b), the Regulatory Allocations shall be taken into account in allocating other items of income, gain, loss and deduction among the Unitholders so that, to the extent possible, the net amount of such allocations of other items and the Regulatory Allocations to each Unitholder shall be equal to the net amount that would have been allocated to each such Unitholder if the Regulatory Allocations had not occurred.

(ii) For any fiscal year during which a Unitholder’s interest in the Company is assigned by such Unitholder, the portion of the Net Income and

Net Loss of the Company that is allocable in respect of such Unitholder's interest shall be apportioned between the assignor and the assignee of such Unitholder's interest using any permissible method under Code Section 706 and the Regulations thereunder, as determined by the Management Committee.

(iii) In the event that any amount claimed by the Company to constitute a deductible expense in any fiscal year is treated for federal income tax purposes as a distribution made to a Unitholder in its capacity as a partner of the Company and not a payment to a Unitholder not acting in its capacity as a partner under Code Section 707(a), then the Unitholder who is deemed to have received such distribution shall first be allocated an amount of Company gross income equal to such payment, its Capital Account shall be reduced to reflect the distribution, and for purposes of Section 4.3, Net Income and Net Loss shall be determined after making the allocation required by this Section 4.3(c)(iii).

(iv) In the event that any amount claimed by the Company to constitute a distribution made to a Unitholder in its capacity as a partner of the Company is treated for federal income tax purposes as a deductible expense of the Company for a payment to a Unitholder not acting in its capacity as a partner of the Company, then the Unitholder who is deemed to have received such payment shall first be allocated the Company expense item attributable to such payment, its Capital Account shall be reduced to reflect the allocation, and for purposes of Section 4.3, Net Income and Net Loss shall be determined after making the allocation required by this Section 4.3(c)(iv).

(d) Required Tax Allocations. All items of income, gain, loss, deduction and credit for federal income tax purposes shall be allocated to each Unitholder in the same manner as the Net Income or Net Loss (and each item of income, gain, loss and deduction related thereto) that is allocated to such Unitholder pursuant to Section 4.3(a), (b) and (c) to which such tax items relate. Notwithstanding the foregoing provisions of this Section 4.3, income, gain, loss, deduction, and credits with respect to property contributed to the Company by a Unitholder shall be allocated among the Unitholders for federal and state income tax purposes pursuant to Regulations promulgated under Section 704(c) of the Code, so as to take account of the variation, if any, between the adjusted basis for federal income tax purposes of the property to the Company and its initial Gross Asset Value at the time of contribution. In the event the Gross Asset Value of any Company asset is adjusted pursuant to subparagraph (b), (c), or (d) of the definition of Gross Asset Value, subsequent allocations of income, gain, loss, deduction, and credits with respect to such asset shall take account of the variation, if any, between the adjusted basis of such asset for federal income tax purposes and its Gross Asset Value in the same manner as under Code Section 704(c) and the applicable Regulations consistent with the requirements of Regulations Section 1.704-1(b)(2)(iv)(g). Allocations pursuant to this Section 4.3(d) are solely for purposes of federal, state and local income taxes and shall not affect, or in any way be taken into account in computing, any Unitholder's Capital Account or share of Net Income, Net Loss, other tax items or distributions pursuant to any provision of this Agreement.

(e) Unitholders' Tax Reporting. The Unitholders acknowledge and are aware of the income tax consequences of the allocations made by this Section 4.3 and, except as may otherwise be required by applicable law or regulatory requirements, hereby agree to be bound by the provisions of Section 4.3 in reporting their shares of Company income, gain, loss, deductions, and credits for federal, state and local income tax purposes.

(f) Withholding. Each Unitholder hereby authorizes the Company to withhold and to pay over any taxes payable by the Company or any of its Affiliates as a result of the participation by such Unitholder (or any Assignee of, or Successor in Interest to, such Unitholder) in the Company. If and to the extent that the Company shall be required to withhold any taxes, such Unitholder shall be deemed for all purposes of this Agreement to have received a payment from the Company as of the time such withholding is required to be paid, which payment shall be deemed to be a distribution to such Unitholder under Section 4.4(a) or Section 5.2 to the extent that the Unitholder is entitled to receive a distribution and shall be taken into account in determining the amount of future distributions to such Unitholder. To the extent that the aggregate of such payments to a Unitholder for any period exceeds the distributions to which such Unitholder is entitled for such period, the amount of such excess shall be considered a demand loan from the Company to such Unitholder, with interest at an interest rate of 9% compounded annually, which interest shall be treated as an item of Company income until discharged by such Unitholder by repayment, which may be made in the sole discretion of the Management Committee out of distributions to which such Unitholder would otherwise be subsequently entitled. The withholdings referred to in this Section 4.3 shall be made at the maximum applicable statutory rate under applicable tax law unless the Management Committee receives documentation, satisfactory to the Management Committee, to the effect that a lower rate is applicable, or that no withholding is applicable.

SECTION 4.4 Distributions.

(a) Priority. Distributable Assets will be distributed at such time and in such amounts as is determined by the Management Committee, subject to Sections 4.4(b), (c) and (d) as follows:

(i) First, 100% of the Distributable Assets shall be distributed to the holders of Class D Units in proportion to each such Unitholder's Unreturned Class D Capital until each such Unitholder's Unreturned Class D Capital has been reduced to zero;

(ii) Second, after the required distributions pursuant to subparagraph (i) above, 100% of the Distributable Assets shall be distributed to the holders of Class D Units in proportion to each such Unitholder's Class D Preferred Return until each such Unitholder's Class D Preferred Return has been reduced to zero;

(iii) Third, after the required distributions pursuant to subparagraph (ii) above, 100% of the Distributable Assets shall be distributed to the holders of Class A Units and Class B Units in proportion to each such Unitholder's Unreturned Class A and Class B Capital until each such Unitholder's Unreturned Class A and Class B Capital has been reduced to zero;

(iv) Fourth, after the required distributions pursuant to subparagraph (iii) above, 100% of Distributable Assets shall be distributed to the holders of Class C-1 Units and Class C-2 Units that were outstanding but unvested at the time the Company made one or more previous distributions under Section 4.4(a)(v) below (and that consequently did not share in such one or more previous distributions), but that became vested subsequent to such one or more previous distributions, in an amount and in such proportions between such newly-vested Class C-1 Units and Class C-2 Units so that the sum of (x) the amount distributed under this Section 4.4(a)(iv) plus (y) the aggregate amount distributed in such one or more previous distributions under Section 4.4(a)(v) shall be distributed with respect to the Class B Units and vested Class C Units (including such newly vested Class C-1 Units and Class C-2 Units) in the same amounts and the same proportions as if such newly-vested Class C-1 Units and Class C-2 Units had been vested at the time of such one or more previous distributions (provided that if the Distributable Assets available for distribution under this Section 4.4(a)(iv) are insufficient to permit the newly-vested Class C-1 Units and Class C-2 Units to receive the full amounts to which they would have been entitled if they had been vested at the time of such one or more previous distributions, the Distributable Assets shall be shared between the newly-vested Units in the same proportions as if sufficient Distributable Assets had been available);

(v) Fifth, after the required distributions, if any, pursuant to subparagraph (iv) above, 100% of Distributable Assets shall be distributed to the holders of Class B Units, Vested Class C-1 Units and Vested Class C-2 Units, pro rata in accordance with the number of Class B Units, Vested Class C-1 Units and Vested Class C-2 Units held by such Unitholder;

provided that, if the Distributable Assets being distributed consist of more than one kind of asset, all Distributable Assets consisting of cash must be distributed before any other kind of asset is distributed; and

provided further that, the terms of this Section 4.4(a) shall not require the return of any distributions made in accordance with the terms of the Prior Agreement and distributions made in accordance with the terms of the Prior Agreement shall be given effect for purposes of calculating future distributions to be made under Section 4.4.

(b) Successors. For purposes of determining the amount of distributions under this Section 4.4, each Unitholder shall be treated as having received amounts received by its predecessors in respect of any of such Unitholder's Units.

(c) Tax Distributions. Subject to the Act, no later than the tenth day of March the Company shall make a tax distribution in cash to each Unitholder in an amount equal to 110% of the excess of (i) the product of (A) the cumulative taxable income allocable to such Unitholder (including any guaranteed payments for services that are not actually received by such Unitholder in cash) in excess of the cumulative taxable loss allocable to such Unitholder for all taxable years prior to the year in which such distribution is being made, as reported on the Unitholder's Schedule K-1s delivered by the Company to the Unitholder or (in the case of the taxable year prior to the year in which the distribution is made, if no Schedule K-1 has yet been delivered with respect to such year) as estimated in good faith by the Company and (B) the combined maximum federal, state and local marginal income tax rate (taking into account the deductibility of state and local taxes and adjusted appropriately to take into account the varying rates applicable to capital gains, qualified dividend income and ordinary income) applicable to individual residents of Providence, Rhode Island, over (ii) all prior distributions pursuant to this Section 4.4. At the time each tax distribution is made, the Company shall deliver to each Unitholder a detailed explanation of the manner in which such tax distribution was calculated, including (if applicable) the Company's good faith estimate of the amount of taxable income or loss allocable to the Unitholder for the taxable year preceding the year in which the distribution was made. All tax distributions made to a Unitholder pursuant to this Section 4.4(c) on account of the taxable income allocated to such Unitholder shall be treated as advance distributions under Section 4.4(a) or Section 5.2 and shall be taken into account in determining the amount of future distributions to such Unitholder.

(d) Requirements for Certain Distributions. Other than pursuant to an Exit Event or other dissolution under Section 5.2, any distribution of assets other than cash or Marketable Securities pursuant to this Section 4.4 shall require the approval of (i) all the Representatives constituting the Management Committee or (ii) THL Holders holding a majority of the Units held by the THL Holders and Management Holders holding a majority of all Units held by the Management Holders. In addition, any distribution of Marketable Securities pursuant to Section 4.4 prior to an Exit Event or other dissolution under Section 5.2 shall only be permitted if each THL Third Party Investment Fund that receives such distribution (whether such distribution is initially received directly or indirectly by another THL Holder) distributes to its investors promptly thereafter its portion of such distribution.

(e) Valuation. All Distributable Assets shall be valued by the Management Committee in good faith, except as specifically provided in the following sentence with respect to securities that are publicly traded. In the case of any distribution of securities that are publicly traded, such securities shall be valued at the lesser of (i) the average of the last reported trade price of securities of such class on the 10 most recent trading days prior to the date of distribution and (ii) the last reported trade price of securities of such class on the trading day prior to the date of distribution.

SECTION 4.5 Security Interest and Right of Set-Off. As security for any withholding tax or other liability or obligation to which the Company may be subject as a result of any act or status of any Unitholder, or to which the Company may become subject with

respect to the interest of any Unitholder, the Company shall have (and each Unitholder hereby grants to the Company) a security interest in all Distributable Assets distributable to such Unitholder to the extent of the amount of such withholding tax or other liability or obligation. The Company shall have a right of setoff against such distributions of Distributable Assets in the amount of such withholding tax or other liability or obligation. The Company may withhold distributions or portions thereof if it is required to do so by the Code or any other provision of federal, state or local tax or other law. Any amount withheld pursuant to the Code or any other provision of federal, state or local tax or other law with respect to any distribution to a Unitholder shall be treated as an amount distributed to such Unitholder for all purposes under this Agreement.

ARTICLE V.
WITHDRAWAL; DISSOLUTION; TRANSFER OF MEMBERSHIP INTERESTS;
ADMISSION OF NEW MEMBERS

SECTION 5.1 Unitholder Withdrawal. No Unitholder shall have the power or right to withdraw or otherwise resign or be expelled from the Company prior to the dissolution and winding up of the Company except pursuant to a transfer permitted under this Agreement of all of such Unitholder's Units to an Assignee, a Member or the Company. Notwithstanding anything to the contrary contained in the Act, in no event shall any Unitholder be deemed to have withdrawn from the Company or cease to be a Unitholder upon the occurrence of any of the events specified in this Agreement (other than dissolution pursuant to Section 5.2), or any events similar thereto, unless the Unitholder, after the occurrence of any such event, indicates in a written instrument that the Unitholder has so withdrawn.

SECTION 5.2 Dissolution.

(a) Events. The Company shall be dissolved and its affairs shall be wound up on the first to occur of the following:

- (i) the unanimous vote of the Management Committee;
- (ii) the written consent of the holders of a majority of the Units held by the THL Holders and the holders of a majority of the Units held by the Management Holders;
- (iii) the entry of a decree of judicial dissolution of the Company under Section 18-802 of the Act;
- (iv) upon consummation of an Exit Event, with the consent of a majority of the Management Committee; and
- (v) upon the liquidation, dissolution or winding up of the Company or Holdings.

The death, retirement, resignation, expulsion, incapacity, bankruptcy or dissolution of a Member, or the occurrence of any other event that terminates the continued membership of a Member in

the Company, shall not cause a dissolution of the Company, and the Company shall continue in existence subject to the terms and conditions of this Agreement.

(b) Actions Upon Dissolution. When the Company is dissolved, the business and property of the Company shall be wound up and liquidated by the Management Committee or, in the event of the unavailability of the Management Committee, such Member or other liquidating trustee as shall be named by the Management Committee. A reasonable time shall be allowed for the orderly liquidation of the assets of the Company and the discharge of liabilities to creditors so as to enable the Members to minimize the normal losses attendant upon a liquidation.

(c) Priority. Following completion of the wind up and liquidation process, the assets of the Company shall be distributed in the following manner and order:

(i) All debts and obligations of the Company, if any, shall first be paid, discharged or provided for by adequate reserves in accordance with the Act; and

(ii) The balance shall be distributed to the Unitholders in accordance with Section 4.4.

(d) Cancellation of Certificate. On completion of the distribution of Company assets as provided herein, the Company is terminated, and shall file a certificate of cancellation with the Secretary of State of the State of Delaware, cancel any other filings made and take such other actions as may be necessary to terminate the Company.

(e) Tax Distribution Clawback. Upon dissolution of the Company, to the extent that (x) any tax distribution received by a Unitholder pursuant to Section 4.4(c) has not been applied to reduce a distribution to which such Unitholder would otherwise be entitled under Section 4.4(a) above (an “Unapplied Tax Distribution”), and (y) such Unitholder recognizes a loss for tax purposes attributable to such Unitholder’s Units which results in a reduction of tax or a tax refund or credit (a “Tax Benefit”), such Unitholder shall be obligated to contribute to the Company an amount of cash equal to the lesser of the amount of such Unapplied Tax Distribution or such Tax Benefit, such contribution to be made promptly upon such Unitholder’s receipt of such Tax Benefit. In the event that a Unitholder that has received an Unapplied Tax Distribution contributes less than the full amount of such Unapplied Tax Distribution to the Company because the Unitholder has not recognized a Tax Benefit at least equal to such Unapplied Tax Distribution at the time of the dissolution of the Company, then upon recognition of any Tax Benefit with respect to any of such Unitholder’s next five tax years (including the tax year in which the dissolution occurs), which Tax Benefits on a cumulative basis do not exceed such Unitholder's Unapplied Tax Distribution, such Unitholder shall pay an amount equal to such Tax Benefit directly to THL for distribution to the other former Unitholders (or their successors) in the same proportions that they would have received the proceeds of such distribution if it had been made at the time of the dissolution of the Company.

SECTION 5.3 Transfer by Unitholders. Subject to the restrictions on transfer set forth in the Securityholders Agreement and this Agreement, a Unitholder may transfer or assign all or part of its interest as a Unitholder in the Company to any Person that agrees in writing to assume the responsibility of a Unitholder. Any Member who shall assign any Units in the Company shall cease to be a Member of the Company with respect to such Units and shall no longer have any rights or privileges of a Member with respect to such Units. Any Member or Assignee who acquires in any manner whatsoever any Units, irrespective of whether such Person has accepted and adopted in writing the terms and provisions of this Agreement, shall be deemed by the acceptance of the benefits of the acquisition thereof to have agreed to be subject to and bound by all of the terms and conditions of this Agreement that any predecessor in such Units or other interest in the Company was subject to or by which such predecessor was bound. No Member shall cease to be a Member upon the collateral assignment of, or the pledging or granting of a security interest in, its entire interest in the Company.

SECTION 5.4 Admission or Substitution of New Members.

(a) Admission. The Management Committee shall have the right, subject to Section 5.3, to admit as a Substitute Member or an Additional Member, any Person who acquires an interest in the Company, or any part thereof, from a Member or from the Company; provided that, the Management Committee shall admit as a Substitute Member, subject to Section 5.4(b), any Permitted Transferee (as such term is defined in the Securityholders Agreement) who acquires an interest in the Company pursuant to a transfer from a Member. Concurrently with the admission of a Substitute Member or an Additional Member, the Management Committee shall forthwith cause any necessary papers to be filed and recorded and notice to be given wherever and to the extent required showing the substitution of a transferee as a Substitute Member in place of the transferring Member, or the admission of an Additional Member, all at the expense, including payment of any professional and filing fees incurred, of the Substitute Member or the Additional Member.

(b) Conditions. The admission of any Person as a Substitute or Additional Member shall be conditioned upon (i) such Person's written acceptance and adoption of all the terms and provisions of this Agreement, either by (X) execution and delivery of a counterpart signature page to this Agreement countersigned by a an authorized Officer on behalf of the Company or (Y) any other writing evidencing the intent of such Person to become a Substitute Member or Additional Member and such writing is accepted by the Management Committee on behalf of the Company and (ii) (at the request of the Management Committee) such Person's execution and delivery of a counterpart to the Securityholders Agreement.

SECTION 5.5 Compliance with Law. Notwithstanding any provision hereof to the contrary, no sale or other disposition of an interest in the Company may be made except in compliance with all federal, state and other applicable laws, including federal and state securities laws. Nothing in this Section 5.5 shall be construed to limit or otherwise affect any of the provisions of the Securityholders Agreement or the Management Unit Subscription Agreements, and to the extent any such provisions apply, they are then to be construed as being incorporated in this Agreement and made a part hereof.

ARTICLE VI.
REPORTS TO MEMBERS; TAX MATTERS

SECTION 6.1 Access. Each Member shall have access to all books, records and accounts of the Company as is required under the Act, in each case, under such conditions and restrictions as the Management Committee may reasonably prescribe.

SECTION 6.2 Reports.

(a) Tax Reporting. The Company shall supply to the Unitholders all information reasonably necessary to enable each Unitholder to prepare its federal, state, and local income tax returns, which information shall include a Schedule K-1.

(b) Determinations. All determinations, valuations and other matters of judgment required to be made for accounting purposes under this Agreement shall be made by the Management Committee in good faith and, if so made, shall be conclusive and binding on all Unitholders, their Successors in Interest and any other Person, and to the fullest extent permitted by law, no such Person shall have the right to an accounting or an appraisal of the assets of the Company or any successor thereto.

SECTION 6.3 Fiscal Year. The fiscal year of the Company shall end on December 31st of each calendar year unless otherwise determined by the Management Committee in accordance with Section 706 of the Code.

SECTION 6.4 Certain Tax Matters.

(a) Preparation of Returns. The Management Committee shall cause to be prepared all federal, state and local tax returns of the Company for each year for which such returns are required to be filed and shall cause such returns to be timely filed. The Management Committee shall determine the appropriate treatment of each item of income, gain, loss, deduction and credit of the Company and the accounting methods and conventions under the tax laws of the United States, the several states and other relevant jurisdictions as to the treatment of any such item or any other method or procedure related to the preparation of such tax returns. The Management Committee may cause the Company to make or refrain from making any and all elections permitted by such tax laws. Each Unitholder agrees that it shall not, except as otherwise required by applicable law or regulatory requirements, (i) treat, on its individual income tax returns, any item of income, gain, loss, deduction or credit relating to its interest in the Company in a manner inconsistent with the treatment of such item by the Company as reflected on the Form K-1 or other information statement furnished by the Company to such Unitholder for use in preparing its income tax returns or (ii) file any claim for refund relating to any such item based on, or which would result in, such inconsistent treatment. In respect of an income tax audit of any tax return of the Company, the filing of any amended return or claim for refund in connection with any item of income, gain, loss, deduction or credit reflected on any tax return of the Company, or any administrative or judicial proceedings arising out of or in connection with any such audit, amended return, claim for refund or denial of such claim, (A) the Tax Matters Member (as defined below) shall be authorized

to act for, and its decision shall be final and binding upon, the Company and all Unitholders except to the extent a Unitholder shall properly elect to be excluded from such proceeding pursuant to the Code, (B) all expenses incurred by the Tax Matters Member in connection therewith (including attorneys', accountants' and other experts' fees and disbursements) shall be expenses of, and payable by, the Company, (C) no Unitholder shall have the right to (1) participate in the audit of any Company tax return, (2) file any amended return or claim for refund in connection with any item of income, gain, loss, deduction or credit (other than items which are not partnership items within the meaning of Section 6231(a)(4) of the Code or which cease to be partnership items under Section 6231(b) of the Code) reflected on any tax return of the Company, (3) participate in any administrative or judicial proceedings conducted by the Company or the Tax Matters Member arising out of or in connection with any such audit, amended return, claim for refund or denial of such claim, or (4) appeal, challenge or otherwise protest any adverse findings in any such audit conducted by the Company or the Tax Matters Member or with respect to any such amended return or claim for refund filed by the Company or the Tax Matters Member or in any such administrative or judicial proceedings conducted by the Company or the Tax Matters Member and (D) the Tax Matters Member shall keep the Unitholders reasonably apprised of the status of any such proceeding. Notwithstanding the previous sentence, if a petition for a readjustment to any partnership item included in a final partnership administrative adjustment is filed with a District Court or the Court of Claims and the IRS has elected to assess income tax against a Member with respect to that final partnership administrative adjustments (rather than suspending assessments until the District Court or Court of Claims proceedings become final), such Member shall be permitted to file a claim for refund within such period of time to avoid application of any statute of limitation provisions which would otherwise prevent the Member from having any claim based on the final outcome of that review.

(b) Tax Matters Member. The Company and each Member hereby designate Thomas H. Lee Equity Fund V, L.P. as the "tax matters partner" for purposes of Section 6231(a)(7) of the Code (the "Tax Matters Member").

(c) Certain Filings. Upon the sale of Company assets or a liquidation of the Company, Unitholders shall provide the Management Committee with certain tax filings as reasonably requested by the Management Committee and required under applicable law.

ARTICLE VII. MISCELLANEOUS

SECTION 7.1 Schedules. Without in any way limiting the provisions of Section 6.2, a Representative may from time to time execute on behalf of the Company and deliver to the Unitholders schedules which set forth the then current Capital Account balances of each Unitholder and any other matters deemed appropriate by the Management Committee or required by applicable law. Such schedules shall be for information purposes only and shall not be deemed to be part of this Agreement for any purpose whatsoever.

SECTION 7.2 Governing Law. THIS AGREEMENT IS GOVERNED BY AND SHALL BE CONSTRUED IN ACCORDANCE WITH THE LAW OF THE STATE OF DELAWARE, EXCLUDING ANY CONFLICT-OF-LAWS RULE OR PRINCIPLE THAT MIGHT REFER THE GOVERNANCE OR THE CONSTRUCTION OF THIS AGREEMENT TO THE LAW OF ANOTHER JURISDICTION. In the event of a direct conflict between the provisions of this Agreement and any provision of the Certificate or any mandatory provision of the Act, the applicable provision of the Certificate or the Act shall control. If any provision of this Agreement or the application thereof to any Person or circumstance is held invalid or unenforceable to any extent, the remainder of this Agreement and the application of that provision to other Persons or circumstances is not affected thereby and that provision shall be enforced to the greatest extent permitted by law.

SECTION 7.3 Successors and Assigns. This Agreement shall be binding upon and shall inure to the benefit of the parties hereto and their respective Successors in Interest; provided that no Person claiming by, through or under a Member (whether as such Member's Successor in Interest or otherwise), as distinct from such Member itself, shall have any rights as, or in respect to, a Member (including the right to approve or vote on any matter or to notice thereof).

SECTION 7.4 Confidentiality. By executing this Agreement, for the longer of three years from the receipt thereof or the period ending on the second anniversary of the last date when any Member holds any Units, each Member expressly agrees to maintain the confidentiality of, and not to disclose to any Person other than the Company, another Member or a Person designated by the Company or any of their respective financial planners, accountants, attorneys or other advisors, any information relating to the business, financial structure, financial position or financial results, clients or affairs of the Company that shall not be generally known to the public, except as otherwise required by law or by any regulatory or self-regulatory organization having jurisdiction and except in the case of any Member who is employed by any entity controlled by the Company in the ordinary course of such Person's duties. Notwithstanding anything to the contrary set forth herein or in any other agreement to which the parties hereto are parties or by which they are bound, the obligations of confidentiality contained herein and therein, as they relate to an investment in Membership Interests (the "Transaction"), shall not apply to the tax structure or tax treatment of the Transaction, and each party hereto (and any employee, representative, or agent of any party hereto) may disclose to any and all persons, without limitation of any kind, the tax structure and tax treatment of the Transaction and all materials of any kind (including opinions or other tax analysis) that are provided to such party relating to such tax treatment and tax structure; provided, however, that such disclosure shall not include the name (or other identifying information not relevant to the tax structure or tax treatment) of any person and shall not include information for which nondisclosure is reasonably necessary in order to comply with applicable securities laws.

SECTION 7.5 Amendments. The Management Committee may, to the fullest extent allowable under Delaware law, amend or modify this Agreement; provided that, if an amendment or modification adversely affects the Management Holders (including by reason of an effect on the terms of the Units held by the Management Holders), the Management Holders holding a majority of all Units held by the Management Holders must approve such amendment or modification; provided further that, the Management Committee may amend this Agreement

without the consent of Members in order to provide for the issuance of any Company Units in accordance with Section 2.8 hereof and to make any such other amendments as it deems necessary or desirable to reflect such additional issuances provided that, no such amendment shall adversely affect the relationship among the Class A Units, Class B Units, Class C Units and Class D Units as set forth herein; provided further that no amendment shall be effective if such amendment results in Units held by a Member being redesignated to a different class of Unit than the class of which it is then included, without such Member's consent.
