Dear Mr. Sharp:

Please respond to these comments within ten business days by providing the requested information or advise us as soon as possible when you will respond. If you do not believe our comments apply to your facts and circumstances, please tell us why in your response.

After reviewing your response and any amendment you may file in response to these comments, we may have additional comments.

Form 10-12G/A filed September 28, 2021

Risk Factors, page 1

1. We note the disclosure of your emerging growth company status on the cover page. Please expand your disclosure here to include material risk factors relating to your status as an emerging growth company.

Item 4. Security Ownership of Certain Beneficial Owners and Management, page 12

2. We note that footnote (4) to the table on page 12 indicates the 550,000 shares, includes 300,000 shares of series A preferred. Are the Series A Preferred convertible into common shares? If so, please clarify whether the Series A Preferred are presented on an "if converted" basis and include a description of the conversion features of the Series A shares in your registration statement. If they are not convertible, please explain why the share are presented as if they are of the same class of securities.

3. Additionally, your table appears to indicate that 550,000 shares is 56.2% of the shares outstanding. This information is inconsistent with the information in footnote (2) indicating that as of the date of the registration statement there are 235,176,673 shares outstanding. Please reconcile the percentage of shares outstanding held by Mr. Sharp.

Directors and Executive Officers, page 13

4. We note your disclosure of involvement in certain legal proceedings over the past five years. Please expand your disclosure to describe any legal proceedings that would be material to an evaluation of the ability or integrity of any director or executive officer over the past ten years. Please see Item 401(f) of Regulation S-K.
5. Please expand your disclosure to include all principal occupations and employment during the past five years, including directorships and the names of all such companies. Please further disclose the potential risks relating to any current directorships, namely potential conflicts of interest and the effects they may have on shareholders, both here and in the Risk Factors section.

Item 10. Recent Sales of Unregistered Securities, page 15

6. We note your disclosures related to Mr. Sharp's August 29, 2021 acquisition of 300,000 restricted shares of Series A preferred stock. Please tell us when Mr. Sharp acquired the additional 200,000 shares of common stock disclosed in the table on page 12 and the basis for your belief that this acquisition does not warrant additional disclosure.

Item 15. Financial Statements and Exhibits, page 19

7. Please revise the index presented on page 20 to accurately reflect the sets of financial statements included in the Form 10 and to accurately characterize those financial statements that are audited versus those that are unaudited.
8. Please present the annual financial statements for the two fiscal years ended December 31, 2020 after the presentation of the auditor's report. Please also remove all references to the information presented as being unaudited.
9. Please either provide full financial statements as of and for the fiscal years ended December 31, 2019 and December 31, 2018, or remove the balance sheets and footnotes.

Notes to Financial Statements, page F-16

10. Please provide the disclosures required by ASC 450-20-50 for the debt securities disclosed on page 18. Address this comment for your interim financial statements.

We remind you that the company and its management are responsible for the accuracy and adequacy of their disclosures, notwithstanding any review, comments, action or absence of action by the staff.
