Note 10. Equity Method Investments, page F-26

1. We note from your response letter, dated November 18, 2013, that you have concluded the third condition of Rule 1-02(w) of Regulation S-X is met. As such, separate audited financial statements of Liyu are required under Rule 3-09 of Regulation S-X. Please file an amended Form 20-F that includes these required financial statements.

We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filing to be certain that the filing includes the information the Securities Exchange Act of 1934 and all applicable Exchange Act rules require. Since the company and its management are in possession of all facts relating to a company's disclosure, they are responsible for the accuracy and adequacy of the disclosures they have made.
