SGMA CAPITAL MARKETS LIMITED
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023

Note 1 - Nature of business:

SGMA Capital Markets Limited (the “Company”), was organized in May 2007 as a New York limited liability company. The Company is a wholly owned subsidiary of Rossendale Group, Inc. (the “Parent”), a New York corporation. The Company is registered as a broker-dealer with the Securities and Exchange Commission (“SEC”) and is a member of the Financial Industry Regulatory Authority, Inc. (“FINRA”) and Securities Investor Protection Corp. (“SIPC”).

The Company is considered a Non-Covered Firm exempt from 17 C.F.R. § 240.15c3-3 relying on Footnote 74 of the SEC Release No. 34-70073 adopting amendments to 17 C.F.R. § 240.17a-5. The Company limits its business activities exclusively to receiving transaction-based compensation for identifying potential merger and acquisition opportunities for clients.

The Company’s operations consist of providing merger and acquisition services, through referrals from Sheumack & Co. SGMA, LLC (“Sheumack”), a related party.

Note 2 – Summary of significant accounting policies:

Use of estimates:

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of the assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Revenue recognition:

Revenue from contracts with customers includes advisory services on mergers and acquisitions (M&A). The recognition and measurement of revenue is based on the assessment of individual contract terms. Significant judgment is required to determine whether performance obligations are satisfied at a point in time or over time; how to allocate transaction prices where multiple performance obligations are identified; when to recognize revenue based on the appropriate measure of the Company’s progress under the contract; and whether constraints on variable consideration should be applied due to uncertain future events.

Revenue for M&A advisory arrangements is generally recognized at the point in time that performance under the arrangement is completed, generally the closing date of the transaction.

SGMA CAPITAL MARKETS LIMITED
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023

Note 2 – Summary of significant accounting policies (continued):

Income taxes:

The Company had elected to be taxed under the provisions of Subchapter S of the Internal Revenue Code ("IRC") and the Parent has elected under the IRC for the Company to be treated as a qualified Subchapter S Subsidiary ("Qsub") of the Parent. Under the Qsub election, the Company is disregarded for federal tax purposes; therefore, all taxable income or loss flows through to the Parent's S-corporation tax return, resulting in all the federal tax liabilities or benefits relating to the operations of the Company and the Parent passing through to the individual shareholders of the Parent; therefore, federal income taxes are not payable by, or provided for, the Company.

The Company is subject to state income taxes.

Note 3 – Net capital requirement:

The Company is subject to the SEC Uniform Net Capital Rule (SEC Rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. Rule 15c3-1 also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1. At December 31, 2023, the Company had net capital of \$825,662, which was \$820,662 in excess of its net capital requirement of \$5,000. The Company's net capital ratio was .006 to 1.

Note 4 - Related party transactions/Concentration/Economic dependency:

The Company, Parent and Sheumack are under common control and the Company is economically dependent on its Parent and Sheumack. The existence of that control and dependency creates operating results and financial position significantly different than if the Companies were autonomous. Transactions between the Company and Sheumack were not consummated on terms equivalent to arm's length transactions.

The Company provides merger and acquisition services through referrals from Sheumack.

The sole shareholder of the Parent and Sheumack, who is also an officer and registered securities representative of the Company, generated substantially all of the Company's revenue and accounted for substantially all of the Company's compensation and related costs for the year. The Company is economically dependent upon this individual due to the concentration of services provided.

SGMA CAPITAL MARKETS LIMITED
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023

Note 4 - Related party transactions/Concentration/Economic dependency (continued):

The Company and Sheumack have entered into an office and administrative services agreement (“Agreement”), last amended on January 1, 2023. The Agreement was for an initial one-year term and is automatically renewable unless canceled by either Party. The Agreement has automatically renewed through December 31, 2024. Under the Agreement, Sheumack provides management and back office services required by the Company, including, but not limited to administrative services, office space, office equipment and supplies, payroll (excluding commissions), marketing, sales, legal and accounting services. The Agreement required the Company to pay a proportional allocation services fee of approximately \$5,689 per month for the year of 2023. Fees under the Agreement totaled \$68,268 for the year ended December 31, 2023.

Note 5 – Concentration of revenue:

The Company earned all of its revenue from one customer during the year.

Note 6 – Concentration of credit risk:

At various times during the year the Company maintains cash balances at one national bank in excess of federally insured amounts. Cash balances fluctuate on a daily basis. At December 31, 2023, cash held in excess of the FDIC insurance totaled \$576,136.

Note 7 – Contingencies:

There are currently no asserted claims or legal proceedings against the Company, however, the nature of the Company’s business subjects it to various claims, regulatory examinations, and other proceedings in the ordinary course of business. The ultimate outcome of any such future action against the Company could have an adverse impact on the financial condition, results of operations, or cash flows of the Company.

Note 8 – Subsequent events:

Management has evaluated the Company’s events and transactions that occurred subsequent to December 31, 2023, through January 21, 2024, the date which the financial statements were available to be issued.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based upon the Company's business activities contemplated by Footnote 74 of the SEC Release No. 34-70073 adopting amendments to 17 C.F.R. § 240.17a-5, and related SEC Staff Frequently Asked Questions.
