Form 10-KSB for the Fiscal Year Ended December 31, 2007

Report of Independent Registered Public Accounting Firm, page F-1

1. We note that although Sherb & Co., LLP indicated in their introductory paragraph that they have audited your financial statements for the period from December 1, 2004 (inception) to December 31, 2007, this period is not mentioned when expressing their opinion. If the financial statements for the cumulative period are audited, these should be referred to in the auditor's opinion, following the guidance in AU §508.08 and Rule 2-02 of Regulation S-X. Otherwise, the introductory paragraph would need to be modified and the cumulative information would need to be labeled as unaudited. In either case, a revised report from the auditor would be appropriate. Please contact us by telephone if you require further guidance or clarification.

Closing Comments

Please respond to these comments within 10 business days or tell us when you will provide us with a response. Please furnish a letter that keys your responses to our comments and provides any requested information. Detailed letters greatly facilitate our review. Please understand that we may have additional comments after reviewing your responses to our comments.
