The McGeary Law Firm, P.C. has rendered an opinion on the validity of the securities being registered. Neither Mr. Aaron D. McGeary nor The McGeary Law Firm, P.C. are affiliate of CYTV.

Item 6. Indemnification of Directors and Officers.

Under Nevada law, a corporation may indemnify its directors, officers, employees and agents under certain circumstances, including indemnification of such persons against liability under the Securities Act of 1933, as amended. In addition, a corporation may purchase or maintain insurance on behalf of its directors, officers, employees or agents for any liability incurred by him in such capacity, whether or not the corporation has the authority to indemnify such person. A true and correct copy of Section 78.7502 of Nevada Revised Statutes that addresses indemnification of directors, officers, employees and agents is attached as Exhibit 99.1.

Article IX of the CYTV's By-Laws provides, among other things, that a Director, Trustee, Officer, employee or agent of the Corporation, or a person who is or was serving at the request of the Corporation as a Director, Trustee, Officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, is entitled to be indemnified (other than an action by or in the right of the Corporation) from and against expenses (including attorneys' fees), judgment, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit or proceeding if such person acted in good faith and in a manner such person reasonably believed to be in or not opposed to the best interests of the Corporation, and with respect

to any criminal action or proceeding, had no reasonable cause to believe such person's conduct was unlawful.

The effect of these provisions may be to eliminate the rights of CYTV and its stockholders (other than through stockholder derivative suits on behalf of CYTV) to recover monetary damages against a director, officer, employee or agent for breach of fiduciary duty.

Insofar as indemnification for liabilities arising under the Securities Act of 1933, as amended, may be provided for directors, officers, employees, agents or persons controlling an issuer pursuant to the foregoing provisions, the opinion of the Commission is that such indemnification is against public policy as expressed in the Securities Act of 1933, as amended, and is therefore unenforceable.

 - (i) include any prospectus required by Section 10(a)(3) of the Securities Act;
 - (ii) reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represents a fundamental change in the information set forth in the registration statement;
 - (iii) include any material information with respect to the plan of distribution not previously disclosed in this registration statement or any material change to such information in this registration statement.

The undersigned hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of registrant's annual report pursuant to Section 13(a) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

The Committee may establish installment exercise terms for a Stock Option such that the NQSO becomes fully exercisable in a series of cumulating portions. If an Optionee shall not, in any given installment period, purchase all the Common Shares which such Optionee is entitled to purchase within such installment period, such Optionee's right to purchase any Common Shares not purchased in such installment period shall continue until the expiration or sooner termination of such NQSO. The Committee may also accelerate the exercise of any NQSO. However, no NQSO, or any portion thereof, may be exercisable until thirty (30) days following date of grant ("30-Day Holding Period.").

6.5 A Stock Option, or portion thereof, shall be exercised by delivery of (i) a written notice of exercise of the Company specifying the number of common shares to be purchased, and (ii) payment of the full price of such Common Shares, as fully set forth in paragraph 6 of this Section 6.

No NQSO or installment thereof shall be exercisable except with respect to whole shares, and fractional share interests shall be disregarded. Not less than 100 Common Shares may be purchased at one time unless the number purchased is the total number at the time available for purchase under the NQSO.

Until the Common Shares represented by an exercised NQSO are issued to an Optionee, he shall have none of the rights of a shareholder.

6.6 The exercise price of a Stock Option, or portion thereof, may be paid:

A. In United States dollars, in cash or by cashier's check, certified check, bank draft or money order, payable to the order of the Company in an amount equal to the option price; or

B. At the discretion of the Committee, through the delivery of fully paid and nonassessable Common Shares, with an aggregate Fair Market Value on the date the NQSO is exercised equal to the option price, provided such tendered Shares have been owned by the Optionee for at least one year prior to such exercise; or

C. By a combination of both A and B above.

D. A Stock Option, or a portion thereof, may also be exercised by means of a "cashless exercise" in which Optionee shall be entitled to receive a certificate for the number of Common Shares equal to the quotient obtained by dividing $[(A-B) (X)]$ by (A), where:

(A) = the closing price on the trading day preceding the date of such election;

(B) = the exercise price of a Stock Option, as adjusted; and

(X) = the number of Common Shares issuable upon exercise of a Stock Option in accordance with the terms of the Stock Option.

The Committee shall determine acceptable methods for tendering Common Shares as payment upon exercise of a Stock Option and may impose such limitations and prohibitions on the use of Common Shares to exercise an NQSO as it deems appropriate.

6.7 With the Optionee's consent, the Committee may cancel any Stock Option issued under this Plan and issue a new NQSO to such Optionee.

6.8 Except by will or the laws of descent and distribution, no right or interest in any Stock Option granted under the Plan shall be assignable or transferable, and no right or interest of any Optionee shall be liable for, or subject to, any lien, obligation or liability of the Optionee. Stock Options shall be exercisable during the Optionee's lifetime only by the Optionee or the duly appointed legal representative of an incompetent Optionee.

6.9 If the Optionee shall die while associated with the Company or within three months after termination of such association, the personal representative or administrator of the Optionee's estate or the person(s) to whom an NQSO granted hereunder shall have been validly transferred by such personal representative or administrator pursuant to the Optionee's will or the laws of descent and distribution, shall have the right to exercise the NQSO for one year after the date of the Optionee's death, to the extent (i) such NQSO was exercisable on the date of such termination of employment by death, and (ii) such NQSO was not exercised, and (iii) the exercise period may not be extended beyond the expiration of the term of the Option.

No transfer of a Stock Option by the will of an Optionee or by the laws of descent and distribution shall be effective to bind the Company unless the Company shall have been furnished with written notice thereof and an authenticated copy of the will and/or such other evidence as the Committee may deem

necessary to establish the validity of the transfer and the acceptance by the transferee or transferee of the terms and conditions by such Stock Option.

In the event of death following termination of the Optionee's association with the Company while any portion of an NQSO remains exercisable, the Committee, in its discretion, may provide for an extension of the exercise period of up to one year after the Optionee's death but not beyond the expiration of the term of the Stock Option.

6.10 Any Optionee who disposes of Common Shares acquired on the exercise of a NQSO by sale or exchange either (i) within two years after the date of the grant of the NQSO under which the stock was acquired, or (ii) within one year after the acquisition of such Shares, shall notify the Company of such disposition and of the amount realized upon such disposition. The transfer of Common Shares may also be Common by applicable provisions of the Securities Act of 1933, as amended.

7. Adjustments or Changes in Capitalization

7.1 In the event that the outstanding Common Shares of the Company are hereafter changed into or exchanged for a different number or kind of shares or other securities of the Company by reason of merger, consolidation, other reorganization, recapitalization, reclassification, combination of shares, stock split-up or stock dividend:

A. Prompt, proportionate, equitable, lawful and adequate adjustment shall be made of the aggregate number and kind of shares subject to Stock Options which may be granted under the Plan, such that the Optionee shall have the right to purchase such Common Shares as may be issued in exchange for the Common Shares purchasable on exercise of the NQSO had such merger, consolidation, other reorganization, recapitalization, reclassification, combination of shares, stock split-up or stock dividend not taken place;

B. Rights under unexercised Stock Options or portions thereof granted prior to any such change, both as to the number or kind of shares and the exercise price per share, shall be adjusted appropriately, provided that such adjustments shall be made without change in the total exercise price applicable to the unexercised portion of such NQSO's but by an adjustment in the price for each share covered by such NQSO's; or

C. Upon any dissolution or liquidation of the Company or any merger or combination in which the Company is not a surviving corporation, each outstanding Stock Option granted hereunder shall terminate, but the Optionee shall have the right, immediately prior to such dissolution, liquidation, merger or combination, to exercise his NQSO in whole or in part, to the extent that it shall not have been exercised, without regard to any installment exercise provisions in such NQSO.

7.2 The foregoing adjustments and the manner of application of the foregoing provisions shall be determined solely by the Committee, whose determination as to what adjustments shall be made and the extent thereof, shall be final, binding and conclusive. No fractional Shares shall be issued under the Plan on account of any such adjustments.

8. Merger, Consolidation or Tender Offer

8.1 If the Company shall be a party to a binding agreement to any merger, consolidation or reorganization or sale of substantially all the assets of the Company, each outstanding Stock Option shall pertain and apply to the securities and/or property which a shareholder of the number of Common Shares of the Company subject to the NQSO would be entitled to receive pursuant to such merger, consolidation or reorganization or sale of assets.

8.2 In the event that:

A. Any person other than the Company shall acquire more than 20% of the Common Shares of the Company through a tender offer, exchange offer or otherwise;

B. A change in the “control” of the Company occurs, as such term is defined in Rule 405 under the Securities Act of 1933;

C. There shall be a sale of all or substantially all of the assets of the Company;

any then outstanding Stock Option held by an Optionee, who is deemed by the Committee to be a statutory officer (“Insider”) for purposes of Section 16 of the Securities Exchange Act of 1934 shall be entitled to receive, subject to any action by the Committee revoking such an entitlement as provided for below, in lieu of exercise of such Stock Option, to the extent that it is then exercisable, a cash payment in an amount equal to the difference between the aggregate exercise price of such NQSO, or portion thereof, and, (i) in the event of an offer or similar event, the final offer price per share paid for Common Shares, or such lower price as the Committee may determine to conform an option to preserve its Stock Option status, times the number of Common Shares covered by the NQSO or portion thereof, or (ii) in the case of an event covered by B or C above, the aggregate Fair Market Value of the Common Shares covered by the Stock Option, as determined by the Committee at such time.

8.3 Any payment which the Company is required to make pursuant to paragraph 8.2 of this Section 8 shall be made within 15 business days, following the event which results in the Optionee's right to such payment. In the event of a tender offer in which fewer than all the shares which are validly tendered in compliance with such offer are purchased or exchanged, then only that portion of the shares covered by an NQSO as results from multiplying such shares by a fraction, the numerator of which is the number of Common Shares acquired pursuant to the offer and the denominator of which is the number of Common Shares tendered in compliance with such offer shall be used to determine the payment thereupon. To the extent that all or any portion of a Stock Option shall be affected by this provision, all or such portion of the NQSO shall be terminated.

8.4 Notwithstanding paragraphs 8.1 and 8.3 of this Section 8, the Committee may, by unanimous vote and resolution, unilaterally revoke the benefits of the above provisions; provided, however, that such vote is taken no later than ten business days following public announcement of the intent of an offer or the change of control, whichever occurs earlier.

9. Amendment and Termination of Plan

9.1 The Board may at any time, and from time to time, suspend or terminate the Plan in whole or in part or amend it from time to time in such respects as the Board may deem appropriate and in the best interest of the Company.

9.2 No amendment, suspension or termination of this Plan shall, without the Optionee's consent, alter or impair any of the rights or obligations under any Stock Option theretofore granted to him under the Plan.

9.3 The Board may amend the Plan, subject to the limitations cited above, in such manner as it deems necessary to permit the granting of Stock Options meeting the requirements of future amendments or issued regulations, if any, to the Code.

9.4 No NQSO may be granted during any suspension of the Plan or after termination of the Plan.

10. Government and Other Regulations

10.1 The obligation of the Company to issue, transfer and deliver Common Shares for Stock Options exercised under the Plan shall be subject to all applicable laws, regulations, rules, orders and approval which shall then be in effect and required by the relevant stock exchanges on which the Common Shares are traded and by government entities as set forth below or as the Committee in its sole discretion shall deem necessary or advisable. Specifically, in connection with the Securities Act of 1933, as amended, upon exercise of any Stock Option, the Company shall not be required to issue Common Shares unless the Committee has received evidence satisfactory to it to the effect that the Optionee will not transfer such shares except pursuant to a registration statement in effect under such Act or unless an opinion of counsel satisfactory to the Company has been received by the Company to the effect that such registration is not required. Any determination in this connection by the Committee shall be final, binding and conclusive. The Company may, but shall in no event be obligated to, take any other affirmative action in order to cause the exercise of a Stock Option or the issuance of Common Shares pursuant thereto to comply with any law or regulation of any government authority.

11. Miscellaneous Provisions

11.1 No person shall have any claim or right to be granted a Stock Option or Common Stock under the Plan, and the grant of an NQSO or Common Stock under the Plan shall not be construed as giving an Optionee or Common Stockholder the right to be retained by the Company. Furthermore, the Company expressly reserves the right at any time to terminate its relationship with an Optionee with or without cause, free from any liability, or any claim under the Plan, except as provided herein, in an option agreement, or in any agreement between the Company and the Optionee.

11.2 Any expenses of administering this Plan shall be borne by the Company.

11.3 The payment received from Optionee from the exercise of Stock Options under the Plan shall be used for the general corporate purposes of the Company.

11.4 The place of administration of the Plan shall be in the State of Nevada, and the validity, construction, interpretation, administration and effect of the Plan and of its rules and regulations, and rights relating to the Plan, shall be determined solely in accordance with the laws of the State of Nevada.

11.5 Without amending the Plan, grants may be made to persons who are foreign nationals or employed outside the United States, or both, on such terms and conditions, consistent with the Plan's purpose, different from those specified in the Plan as may, in the judgment of the Committee, be necessary or desirable to create equitable opportunities given differences in tax laws in other countries.

11.6 In addition to such other rights of indemnification as they may have as members of the Board or the Committee, the members of the Committee shall be indemnified by the Company against all costs and expenses reasonably incurred by them in connection with any action, suit or proceeding to which they or any of them may be party by reason of any action taken or failure to act under or in connection with the Plan or any Stock Option granted thereunder, and against all amounts paid by them in settlement thereof (provided such settlement is approved by independent legal counsel selected by the Company) or paid by them in satisfaction of a judgment in any such action, suit or proceeding, except a judgment based upon a finding of bad faith; provided that upon the institution of any such action, suit or proceeding a Committee member shall, in writing, give the Company notice thereof and an opportunity, at its own expense, to handle and defend the same, with counsel acceptable to the Optionee, before such Committee member undertakes to handle and defend it on his own behalf.

11.7 Stock Options may be granted under this Plan from time to time, in substitution for stock options held by employees of other corporations who are about to become employees of the Company as the result of a merger or consolidation of the employing corporation with the Company or the acquisition by the Company of the assets of the employing corporation or the acquisition by the Company of stock of the employing corporation as a result of which it becomes a subsidiary of the Company. The terms and conditions of such substitute stock options so granted may vary from the terms and conditions set forth in this Plan to such extent as the Board of Directors of the Company at the time of grant may deem appropriate to conform, in whole or in part, to the provisions of the stock options in substitution for which they are granted, but no such variations shall be such as to affect the status of any such substitute stock options as a stock option under Section 422A of the Code.

11.8 Notwithstanding anything to the contrary in the Plan, if the Committee finds by a majority vote, after full consideration of the facts presented on behalf of both the Company and the Optionee, that the Optionee has been engaged in fraud, embezzlement, theft, insider trading in the Company's stock, commission of a felony or proven dishonesty in the course of his association with the Company or any subsidiary corporation which damaged the Company or any subsidiary corporation, or for disclosing trade secrets of the Company or any subsidiary corporation, the Optionee shall forfeit all unexercised Stock Options and all exercised NQSO's under which the Company has not yet delivered the certificates and which have been earlier granted to the Optionee by the Committee. The decision of the Committee as to the cause of an Optionee's discharge and the damage done to the Company shall be final. No decision of the Committee, however, shall affect the finality of the discharge of such Optionee by the Company or any subsidiary corporation in any manner.

12. Written Agreement

12.1 Each Stock Option granted hereunder shall be embodied in a written Stock Option Agreement which shall be subject to the terms and conditions prescribed above and shall be signed by the Optionee and by the Chairman of the Company, for and in the name and on behalf of the Company. Such Stock Option Agreement shall contain such other provisions as the Committee, in its discretion shall deem advisable.

EXHIBIT 99.1 - Nevada Revised Statutes Section 7502

NRS 78.7502 DISCRETIONARY AND MANDATORY INDEMNIFICATION OF OFFICERS, DIRECTORS, EMPLOYEES AND AGENTS: GENERAL PROVISIONS.

1. A corporation may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, except an action by or in the right of the corporation, by reason of the fact that he is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses, including attorneys' fees, judgments, fines and amounts paid in settlement actually and reasonably incurred by him in connection with the action, suit or proceeding if he:

(a) Is not liable pursuant to NRS 78.138; or

(b) Acted in good faith and in a manner which he reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful. The termination of any action, suit or proceeding by judgment, order, settlement, conviction or upon a plea of nolo contendere or its equivalent, does not, of itself, create a presumption that the person is liable pursuant to NRS 78.138 or did not act in good faith and in a manner which he reasonably believed to be in or not opposed to the best interests of the corporation, or that, with respect to any criminal action or proceeding, he had reasonable cause to believe that his conduct was unlawful.

2. A corporation may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the corporation to procure a judgment in its favor by reason of the fact that he is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against expenses, including amounts paid in settlement and attorneys' fees actually and reasonably incurred by him in connection with the defense or settlement of the action or suit if he:

(a) Is not liable pursuant to NRS 78.138; or

(b) Acted in good faith and in a manner which he reasonably believed to be in or not opposed to the best interests of the corporation. Indemnification may not be made for any claim, issue or matter as to which such a person has been adjudged by a court of competent jurisdiction, after exhaustion of all appeals there from, to be liable to the corporation or for amounts paid in settlement to the corporation, unless and only to the extent that the court in which the action or suit was brought or other court of competent jurisdiction determines upon

application that in view of all the circumstances of the case, the person is fairly and reasonably entitled to indemnity for such expenses as the court deems proper.

3. To the extent that a director, officer, employee or agent of a corporation has been successful on the merits or otherwise in defense of any action, suit or proceeding referred to in subsections 1 and 2, or in defense of any claim, issue or matter therein, the corporation shall indemnify him against expenses, including attorneys' fees, actually and reasonably incurred by him in connection with the defense.

(Added to NRS by 1997, 694; A 2001, 3175)
