Dear Mr. Haukeland:

We have reviewed your Item 4.01 Form 8-K and have the following comments. Where indicated, we think you should revise your documents in response to these comments. If you disagree, we will consider your explanation as to why our comment is inapplicable or a revision is unnecessary. Please be as detailed as necessary in your explanation. In some of our comments, we may ask you to provide us with supplemental information so we may better understand your disclosure. After reviewing this information, we may or may not raise additional comments.

Please understand that the purpose of our review process is to assist you in your compliance with the applicable disclosure requirements and to enhance the overall disclosure in your filing. Form 8-K filed September 28, 2006

1. We note that you reported that there was a disagreement with your former accountant related to the failure to disclose subsequent events in your Form 10-KSB for the fiscal year ended April 30, 2006. Please revise to describe in greater detail the nature of the disagreement, and explain to us how you concluded that this disagreement does not represent a reportable event as defined in Item 304(a)(1)(iv) of Regulation S-B. Tell us whether you intend to restate any prior period for any adjustment resulting from the disagreement or reportable event, and if not, explain the basis for your conclusion not to restate.
2. Please disclose the following related to your disagreement as set forth by Item 304(a)(1)(iv) of Regulation S-B:
 - whether any committee of the board of directors, or the board of directors, discussed the subjected matter of disagreement with your former accountant; and
 - whether you have authorized your former accountant to respond fully to the inquiries of your successor accountant concerning the subject matter of the disagreement or event and, if not, describe the nature of and reason for any limitation.
3. Please obtain and furnish an updated Exhibit 16 letter from your former accountants stating whether the accountant agrees with the statements made in your revised Form 8-K.

Form 10-KSB for the Fiscal Year Ended April 30, 2006 and Form 10-QSB for the Fiscal Quarter Ended July 31, 2006

4. We monitored your Form 10-KSB and Form 10-QSB solely related to matter addressed in this comment four. We note that you have concluded in your Form 10-KSB for the fiscal year ended April 30, 2006, and in your Form 10-QSB for the fiscal quarter ended July 31, 2006, that your disclosure controls and procedures were effective. Please explain to us the basis for your conclusion that your disclosure controls and procedures were effective in light of your failure to disclose the events subsequent to April 30, 2006, in your Form 10-KSB.
