Opinion on the Financial Statements

We have audited the accompanying statement of financial condition of JSVC, LLC, (the "Company") as of September 30, 2019, and the related statements of operations, changes in member's capital and cash flows for the year then ended, and the related notes (collectively referred to as the financial statements). In our opinion, the financial statements present fairly, in all material respects, the financial position of JSVC, LLC as of September 30, 2019, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on the Company's financial statements based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. Our audit included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audit provides a reasonable basis for our opinion.

Auditor's Report on Supplemental Information

The information identified in Schedule I (the "supplemental information") has been subjected to audit procedures performed in conjunction with the audit of the Company's financial statements. The supplemental information is the responsibility of the Company's management. Our audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including its form and content, is presented in conformity with 17 C.F.R. §240.17a-5. In our opinion, the supplemental information is fairly stated, in all material respects, in relation to the financial statements as a whole.

We have served as JSVC, LLC's auditor since 2005.

JSVC, LLC

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED SEPTEMBER 30, 2019

NOTE 1 - ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES

Organization - JSVC, LLC (the "Company"), a limited liability company, was organized in the state of Delaware on October 24, 2003. The Company is registered as a broker/dealer with the Securities and Exchange Commission and is a member of the Financial Industry Regulatory Authority (FINRA). The Company's principal business activity is private placements.

Basis of Presentation - The financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America ("GAAP").

Recognition of Revenue - Effective October 1, 2018, the Company adopted ASC Topic 606, Revenue from Contracts with Customers ("ASC Topic 606"). The new revenue recognition guidance requires an entity to follow a five step model to (a) identify the contract(s) with a customer, (b) identify the performance obligations in the contract, (c) determine the transaction price, (d) allocate the transaction price to the performance obligations in the contract, and (e) recognize revenue when (or as) the entity satisfies the performance obligation. The Company applied the modified retrospective method for adoption which did not result in a cumulative adjustment to retained earnings as of October 1, 2018.

Concentration of Risk - The Company's cash is on deposit at one financial institution and the balance at times may exceed the federally insured limit. Due to the strong credit rating of this financial institution, the Company believes it is not exposed to any significant credit risk to cash.

Estimates - The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED SEPTEMBER 30, 2019

NOTE 2 - OPERATING AGREEMENT

Various terms, such as restrictions on changes in membership interest, etc., are contained in the operating agreement. Currently, the managing member is the sole member of the Company. Therefore, any events initiated by the managing member should not be restricted by any terms contained in the operating agreement. However, those considering the purchase of membership interests in the Company should read the operating agreement prior to making such an investment.

NOTE 3 - INCOME TAXES

As a limited liability company with only one member, the Company has elected to file as a sole proprietorship for federal income tax purposes. Income taxes are therefore the responsibility of the sole member of the Company.

The Company accounts for any potential interest or penalties related to possible future liabilities for unrecognized income tax benefits as interest/other expense. The Company is no longer subject to examination by tax authorities for federal, state or local income taxes for periods before 2015.

NOTE 4 - NET CAPITAL REQUIREMENTS

As a registered broker/dealer and member of the Financial Industry Regulatory Authority, the Company is subject to the Uniform Net Capital Rule, which requires the maintenance of minimum net capital and requires that the ratio of aggregated indebtedness to net capital, both as defined, shall not exceed 1500%. At September 30, 2019, the Company's net capital and required net capital were \$6,661 and \$5,000 respectively. The ratio of aggregate indebtedness to net capital was 0%.

NOTE 5 - RELATED PARTIES

The sole member has provided administrative assistance and other services to the Company without reimbursement.

SUPPLEMENTARY INFORMATION

NOTE: The Company is exempt from the provisions of SEC Rule 15c3-3 pursuant to subparagraph k(2)(i) of that rule. Therefore the Computation for Determination of the Reserve Requirements under Exhibit A of Rule 15c3-3 and the Information Relating to the Possession or Control Requirements under Rule 15c3-3 have not been provided.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Member of
JSVC, LLC

We have reviewed management's statements, included in the accompanying exemption report, in which (1) JSVC, LLC identified the following provisions of 17 C.F.R. section 15c3-3(k) under which JSVC, LLC claims an exemption from 17 C.F.R. section 240.15c3-3(k)(2)(i) (the "exemption provisions") and (2) JSVC, LLC stated that JSVC, LLC met the identified exemption provisions throughout the most recent fiscal year ended September 30, 2019 without exception. JSVC, LLC's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about JSVC, LLC's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's assertions. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(i) of Rule 15c3-3 under the Securities Exchange Act of 1934.
