1. Where a comment below requests additional disclosures or other revisions to be made, please show us in your supplemental response what the revisions will look like. These revisions should be included in your future filings.

2. We note your response to prior comment 4 and the additional disclosures provided. We continue to believe that you should provide additional quantification so that readers are better able to understand the impact of the various factors that you disclose on your actual revenues. Your response indicates that you may not be able to provide quantification for certain factors as the financial information for prior years is not available. For any factors for which financial information is available, please quantify the actual dollar impact of the factor on your revenues from period to period. For example, you should disclose the dollar amount of the increase in revenues due to the increase in the number of retail stores and the sales of new 2007 product lines.

Please respond to these comments within 10 business days, or tell us when you will provide us with a response. Please provide us with a supplemental response letter that keys your responses to our comments and provides any requested supplemental information. Detailed letters greatly facilitate our review. Please file your supplemental response on EDGAR as a correspondence file. Please understand that we may have additional comments after reviewing your responses to our comments.

If you have any questions regarding these comments, please direct them to Nudrat Salik, Staff Accountant, at (202) 551-3692 or, in her absence, to the undersigned at (202) 551-3689.
