Dear Mr. Covey:

We have reviewed your filing and have the following comments. In some of our comments, we may ask you to provide us with information so we may better understand your disclosure.

Please respond to this letter within ten business days by amending your filing, by providing the requested information, or by advising us when you will provide the requested response. If you do not believe our comments apply to your facts and circumstances or do not believe an amendment is appropriate, please tell us why in your response.

1. We note your response to comment 4 of our comment letter dated May 24, 2012 where you state that "standing timber inventory are longer-term data that generally do not change significantly year over year." We believe that estimated standing timber inventory is material to investors. Accordingly, in future annual reports, please revise your disclosure, to the extent the data is available to management, to include your estimated standing timber inventory.

definition of “normal operating conditions” and indicate that they are consistent with industry-wide recognized measures.

We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filing to be certain that the filing includes the information the Securities Exchange Act of 1934 and all applicable Exchange Act rules require. Since the company and its management are in possession of all facts relating to a company’s disclosure, they are responsible for the accuracy and adequacy of the disclosures they have made.

In responding to our comments, please provide a written statement from the company acknowledging that:

- the company is responsible for the adequacy and accuracy of the disclosure in the filing;
- staff comments or changes to disclosure in response to staff comments do not foreclose the Commission from taking any action with respect to the filing; and
- the company may not assert staff comments as a defense in any proceeding initiated by the Commission or any person under the federal securities laws of the United States.

Please contact Folake Ayoola, Attorney Advisor, at (202) 551-3673 or me at (202) 551-3233 with any other questions.
