**Re: Fuel Systems Solutions, Inc.
Registration Statement on Form S-3
Filed June 1, 2009
File No. 333-159624**

Dear Mr. Beale:

We have reviewed the non-financial statement disclosure in your filing and have the following comments. Where indicated, we think you should revise your document in response to these comments. If you disagree, we will consider your explanation as to why our comment is inapplicable or a revision is unnecessary. Please be as detailed as necessary in your explanation. In some of our comments, we may ask you to provide us with information so we may better understand your disclosure. After reviewing this information, we may raise additional comments.

Please understand that the purpose of our review process is to assist you in your compliance with the applicable disclosure requirements and to enhance the overall disclosure in your filing. We look forward to working with you in these respects. We welcome any questions you may have about our comments or any other aspect of our review. Feel free to call us at the telephone numbers listed at the end of this letter.

General

1. We note the disclosure on page 10 of your Form S-3 that "(t)he sales to customers in Iran have increased during the last several years." Please tell us the total dollar amount of your direct and indirect sales to Iran in 2008, and the percentage of your 2008 consolidated revenues that such sales represent.

Registration Statement Cover Page

2. Please revise the fee table to reflect the Debt Securities, Warrants, and Units as separate classes of securities.

3. Either remove the third sentence of footnote (2) or revise to clarify that the anti-dilution provisions will only consist of what is specifically permitted pursuant to Rule 416.

Risk Factors, page 5

4. Please revise to delete the third and fourth sentences of the heading. If you know of additional material risks, discuss them.

Future sales of our common stock could adversely affect our stock price, page 12

5. Please revise this risk factor to reflect the risk of dilution from this offering.

* * * * *

As appropriate, please amend your registration statement in response to these comments. You may wish to provide us with marked copies of the amendment to expedite our review. Please furnish a cover letter with your amendment that keys your responses to our comments and provides any requested information. Detailed cover letters greatly facilitate our review. Please understand that we may have additional comments after reviewing your amendment and responses to our comments.

We urge all persons who are responsible for the accuracy and adequacy of the disclosure in your filing to be certain that the filing includes all information required under the Securities Act of 1933 and that they have provided all information investors require for an informed investment decision. Since the company and its management are in possession of all facts relating to a company's disclosure, they are responsible for the accuracy and adequacy of the disclosures they have made.

Notwithstanding our comments, in the event the company requests acceleration of the effective date of the pending registration statement, it should furnish a letter, at the time of such request, acknowledging that:

- should the Commission or the staff, acting pursuant to delegated authority, declare the filing effective, it does not foreclose the Commission from taking action with respect to the filing;
- the action of the Commission or the staff, acting pursuant to delegated authority, declare the filing effective, does not relieve the company from its full responsibility for the adequacy and accuracy of the disclosure in the filing; and

Mr. Matthew Beale
Fuel Systems Solutions, Inc.

- the company may not assert staff comments and the declaration of effectiveness as a defense in any proceeding initiated by the Commission or any person under the federal securities laws of the United States.

In addition, please be advised that the Division of Enforcement has access to all information you provide to the staff of the Division of Corporation Finance in connection with our review of your filing or in response to our comments on your filing.

We will consider a written request for acceleration of the effective date of the registration statement as confirmation of the fact that those requesting acceleration are aware of their respective responsibilities under the Securities Act of 1933 and the Securities Exchange Act of 1934 as they relate to the proposed public offering of the securities specified in the above registration statement. We will act on the request and, pursuant to delegated authority, grant acceleration of the effective date.

We direct your attention to Rules 460 and 461 regarding requesting acceleration of a registration statement. Please allow adequate time after the filing of any amendment for further review before submitting a request for acceleration. Please provide this request at least two business days in advance of the requested effective date.

You may contact J. Nolan McWilliams at (202) 551-3217 or, in his absence, me at (202) 551-3550 if you have any questions regarding comments on the non-financial statement disclosure and related matters.

Sincerely,

Max A. Webb
Assistant Director
