Dear Mr. Aslidis:

We have reviewed your filing and have the following comments. Unless otherwise indicated, we think you should revise your document in future filings in response to these comments. Please understand that the purpose of our review process is to assist you in your compliance with the applicable disclosure requirements and to enhance the overall disclosure in your filing. Form 20-F for the Year Ended December 31, 2008

Note 1 – Basis of Presentation and General Information, page F-8

1. We note, from your discussion on page 14, that you are a holding company with no significant assets or operations apart from the equity interests in your wholly-owned subsidiaries. Please discuss the consideration given to the disclosure requirements of Schedule I of Rule 5-04 of Regulation S-X and to Rule 4-08 (e) (3) of Regulation S-X.

Note 2 – Significant Accounting Policies

Vessels, page F-14

2. We note the reduction in depreciation expense in fiscal 2008 and its impact upon net income for the period. Please also disclose the related per-share amounts for the current period pursuant to paragraph 22 of SFAS 154.

Note 4 – Vessels, net, page F-22

3. Please explain to us the facts and circumstances surrounding the sales of the “Ioanna P” and “Nikolaos P” resulting in an impairment charge of \$25 million on assets with a book value of \$31 million. Please include in your response the age of each ship, how you determined sale of such vessels was appropriate, and how the sales contracts were negotiated.
4. We note that your Form 6-K for the month of June 2009 includes financial statements for the quarter ended March 31, 2009. Reference is made to Footnote 9(g) of these financial statements with regard to your long-term debt. You state that the loan is secured, in part, by “first priority mortgage over M/V of Ioanna P.” Please tell us whether this is the same vessel that you recently sold and, if so, explain how the contractual terms of the loan arrangement have been impacted by the sale.

We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filing to be certain that the filing includes all information required under the Securities Exchange Act of 1934 and that they have provided all information investors require for an informed investment decision.
