REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Managing Member of
Watson Management Associates, LLC

Opinion on the Financial Statement

We have audited the accompanying statement of financial condition of Watson Management Associates, LLC (a limited liability company) as of December 31, 2022, and the related notes (collectively referred to as the "financial statement"). In our opinion, the statement of financial condition presents fairly, in all material respects, the financial position of Watson Management Associates, LLC as of December 31, 2022 in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

This financial statement is the responsibility of Watson Management Associates, LLC's management. Our responsibility is to express an opinion on Watson Management Associates, LLC's financial statement based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and are required to be independent with respect to Watson Management Associates LLC in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement, whether due to error or fraud. Our audit included performing procedures to assess the risks of material misstatement of the financial statement, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statement. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statement. We believe that our audit provides a reasonable basis for our opinion.

WATSON MANAGEMENT ASSOCIATES, LLC

(A Limited Liability Company)

NOTES TO FINANCIAL STATEMENT

DECEMBER 31, 2022

1. ORGANIZATION AND DESCRIPTION OF BUSINESS

Watson Management Associates, LLC (the "Company") was formed as a Delaware limited liability company on May 2, 2005. The Company is registered as a broker-dealer in securities with the Securities and Exchange Commission ("SEC") and was approved as a member of the Financial Industry Regulatory Authority, Inc. ("FINRA") in April 2006. The Company was formed to act as an introducing broker of investors to investment funds, private placements or private offerings, private fund managers, and investment advisors. The sole member of the Company (the "member") is also the sole member of a related entity that provides services and receives referral fees for non-securities-related transactions. It is the intention of the member to continue to support and operate the Company for the twelve-month period from the date that these financial statements are issued and contribute the necessary capital to maintain the operations, fund its ongoing expenses and meet the net capital requirements of the SEC's Uniform Net Capital Rule.

Since the Company is a limited liability company, the member is not liable for the debts, obligations, or liabilities of the Company, whether arising in contract, tort or otherwise, unless the member has signed a specific guarantee. The limited liability agreement provides for the dissolution of the Company on December 31, 2035, unless dissolved earlier by the member.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Revenue recognition

In accordance with ASU No. 2014-09, "Revenue from Contracts with Customers" ("ASC Topic 606") revenues from contracts with customers is recognized when, or as, the Company satisfies its performance obligations by transferring the promised services to the customers. A service is transferred to a customer when, or as, the customer obtains control of that service. A performance obligation may be satisfied at a point in time or over time. Revenue from a performance obligation satisfied at a point in time is recognized at the point in time that the Company determines the customer obtains control over the promised service. Revenue from a performance obligation satisfied over time is recognized by measuring the Company's progress in satisfying the performance obligation in a manner that depicts the transfer of the services to the customer. The amount of revenue recognized reflects the consideration the Company expects to receive in exchange for those promised services (i.e., the "transaction price"). In determining the transaction price, the Company considers multiple factors, including the effects of variable consideration, if any.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(continued)*

Revenue recognition *(continued)*

The Company provides investment and fund advisory services. Revenue for advisory arrangements is generally recognized at the point in time that performance under the arrangement is completed (the closing date of the transaction) or the contract is canceled. However, for certain contracts, revenue is recognized over time for advisory arrangements in which the performance obligations are simultaneously provided by the Company and consumed by the customer. In some circumstances, significant judgment is needed to determine the timing and measure of progress appropriate for revenue recognition under a specific contract. Retainers and other fees received from customers prior to recognizing revenue are reflected as contract liabilities.

As additional consideration for the investment and fund advisory services noted above, the Company receives fees that vary based on specified performance measures, for example, when a fund or separate account exceeds a specified benchmark or contractual hurdle over a contractual performance period or the life of a fund. These fees are earned once account returns have exceeded these specified performance measures and are calculated as a percentage of account returns. These performance fees are considered variable consideration as the uncertainty is dependent on the value of the assets at future points in time as well as meeting a specified compound hurdle rate, both of which are highly susceptible to factors outside the Company's influence. Revenues are recognized evenly over the contract period once it is probable that a significant reversal will not occur.

The Company believes that ratable recognition over the service period is the appropriate approach for recognizing revenue because the services are substantially the same each day and have the same pattern of transfer. Performance fees recognized in the current period are primarily related to performance obligations that have been satisfied in prior periods. No performance fee revenue was earned by the Company in 2022.

Cash and cash equivalents

For purposes of the statement of cash flows, the Company considers all highly liquid debt instruments purchased with an original maturity of three months or less to be cash equivalents. All of the Company's cash is held at JPMorgan Chase Bank, N.A.

3. INCOME TAXES

The Company is a single-member limited liability company and is treated as a "disregarded entity" for federal and state tax purposes. The Company's items of income, deductions, and tax credits are treated as those of the member, who is responsible for any taxes thereon.

At December 31, 2022, management has determined that the Company had no uncertain tax positions that would require financial statement recognition.

4. RELATED-PARTY TRANSACTIONS

In accordance with an agreement between the member and the Company, operating expenses of the Company are paid by the member. Under the agreement, the member allocates to the Company its share of these operating expenses, including rent, telephone and other expenses normally associated with the operation of the Company. During the year ended December 31, 2022, \$22,860 was incurred under this agreement of which all was forgiven by the member. Accordingly, the forgiveness of amounts due to the member was treated as a capital contribution.

5. NET CAPITAL REQUIREMENTS

The Company is subject to the uniform net capital requirements of Rule 15c3-1 (the "Rule") of the Securities and Exchange Act, as amended, which requires the Company to maintain, at all times, sufficient liquid assets to cover indebtedness. In accordance with the Rule, the Company is required to maintain defined minimum net capital of the greater of \$5,000 or 6 2/3% of aggregate indebtedness.

At December 31, 2022, the Company had net capital, as defined, of \$15,272, which exceeded the required minimum net capital of \$5,000 by \$10,272. Aggregate indebtedness at December 31, 2022, totaled \$8,000. The Company's percentage of aggregate indebtedness to net capital was 52.38% at December 31, 2022.

6. SUBSEQUENT EVENTS

Management of the Company has evaluated events and transactions that have occurred since December 31, 2022, and determined that there are no material events that would require disclosures in the Company's financial statements.
