 - (ii) neither the Agent nor any Lender shall have any obligation to find a replacement Lender;
 - (iii) in no event shall the Lender replaced under paragraph (d) above be required to pay or surrender any of the fees received by such Lender pursuant to the Finance Documents; and
 - (iv) the Lender shall only be obliged to transfer its rights and obligations pursuant to paragraph (d) above once it is satisfied that it has complied with all necessary "know your customer" or other similar checks under all applicable laws and regulations in relation to that transfer.
- (f) A Lender shall perform the checks described in paragraph (e)(iv) above as soon as reasonably practicable following delivery of a notice referred to in paragraph (d) above and shall notify the Agent and the Company when it is satisfied that it has complied with those checks.

7.6 Right of cancellation in relation to a Defaulting Finance Party

- (a) The Company may give the Agent 10 Business Days' notice of cancellation of each Available Commitment of a Lender that is, and continues to be, a Defaulting Finance Party.
- (b) On the notice becoming effective, each Available Commitment of the Defaulting Finance Party will reduce to zero.
- (c) The Agent shall notify all the Lenders as soon as practicable after receiving the notice.

7.7 Restrictions

- (a) Any notice of cancellation, prepayment or other election given by any Party under this Clause 7, shall be irrevocable and, unless a contrary indication appears in this

Agreement, shall specify the date or dates upon which the relevant cancellation or prepayment is to be made and the amount of that cancellation or prepayment.

- (b) Any prepayment under this Agreement shall be made together with accrued interest on the amount prepaid and, subject to any Break Costs and Clause 12.2 (*Prepayment fee*), without premium or penalty.
- (c) No Borrower may reborrow any part of Facility A, Facility B1, Facility B2 or Facility B3 which is prepaid or repaid.
- (d) Unless a contrary indication appears in this Agreement, any part of Facility C or Facility D which is prepaid or repaid may be reborrowed in accordance with the terms of this Agreement.
- (e) The Borrowers shall not repay or prepay all or any part of the Loans or cancel all or any part of the Commitments except at the times and in the manner expressly provided for in this Agreement.
- (f) No amount of the Total Commitments cancelled under this Agreement may be subsequently reinstated.
- (g) If the Agent receives a notice under this Clause 7 it shall promptly forward a copy of that notice to either the Company or the affected Lender, as appropriate.
- (h) If all or part of any Lender's participation in a Loan under a Facility is repaid or prepaid and is not available for redrawing (other than by operation of Clause 4.2 (*Further conditions precedent*)), an amount of the Lender's Commitment (equal to the Base Currency Amount of the amount of the participation which is repaid or prepaid) in respect of that Facility will be deemed to be cancelled on the date of repayment or prepayment.

7.8 Application of prepayments

- (a) If a Borrower repays or prepays the whole or any part of a Loan, the amount repaid or prepaid shall be applied rateably among the participations of all Lenders (except in the case of a repayment under Clause 7.1 (*Illegality*) or Clause 7.5 (*Right of repayment and cancellation in relation to a single Lender*) which shall be applied against the participation of the affected Lender only).
- (b) Amounts prepaid under Clause 7.4 (*Voluntary Prepayment*) may be applied against the Facilities in any manner elected by the Company provided the funds used to make the voluntary prepayment would not otherwise be required to make any mandatory prepayment or Facility A Repayment Instalment.

8. MANDATORY PREPAYMENT

8.1 Mandatory Prepayment Events

Upon the occurrence of a Disposal of all or substantially all of the assets of the Group (whether in a single transaction or a series of related transactions), the Facilities will be immediately cancelled and all outstanding Loans together with accrued interest,

and all other amounts accrued under the Finance Documents, shall become immediately due and payable.

- (a) The Borrowers must, within 10 Business Days of receipt by any Obligor, apply the following amounts to prepay Loans under the Facilities:
 - (i) **(asset disposals)** 100% of the proceeds (after deducting all Tax incurred or reserved for in respect of the disposal and all other reasonable costs and expenses associated with the disposal properly incurred by any Obligor to persons who are not Group Members) from any Disposal of an asset of any Obligor, excluding:
 - (A) any proceeds in excess of A\$7,500,000 from the Disposal of the Idle Camp Accommodation Units provided that no Default or Review Event is continuing. If a Default or Review Event is continuing all proceeds generated from the Idle Camp Accommodation Units must be applied to prepay the Facilities in accordance with this Clause 8.1(a)(i); and
 - (B) any proceeds from the Disposal of shipping containers in the ordinary course of the Core Business on arm's length terms;
 - (ii) **(Insurance proceeds)** out of the net cash proceeds received by any Obligor from any insurance claim (other than public liability, personal injury, directors' and officers' liability, other third party liability and workers compensation insurance, any business interruption element or amounts which the relevant insurance policy requires to be applied to reinstate or replace assets in respect of which those moneys were received) (after deducting all Tax incurred or reserved for in respect of the claim and all other reasonable costs and expenses associated with the claim incurred by any Obligor to persons who are not Group Members), provided such net cash proceeds are in excess of A\$1,000,000 (or its equivalent in another currency or currencies) in aggregate for the Group in any Financial Year, and only to the extent that such proceeds are not within a period of 12 months of receipt applied or committed to be applied to reinstatement or replacement of, or reinvestment in, assets in respect of which those moneys were received or meeting liabilities in respect of which those moneys were received, and, if so committed, applied within 18 months of receipt; and
 - (iii) **(Warranty Claims)** out of any Warranty Proceeds, provided such proceeds are in excess of A\$500,000 (or its equivalent in another currency or currencies) in aggregate, only to the extent that such proceeds are not within 12 months of receipt applied or committed to be applied in rectifying the problem the subject of the claim, replacing assets or meeting liabilities (including payment of Tax) in respect of which the relevant claim was made and, if so committed, not applied within 18 months of receipt.

Any net proceeds not required to be applied in prepayment shall be available for use by the Obligors for purposes not prohibited by the Finance Documents.

8.2 Excess Cashflow Sweep

- (a) For the Financial Year ending 30 June 2018 and for each Financial Year thereafter, the Borrowers must prepay in accordance with paragraph (b) an amount equal to the percentage of Excess Cashflow set out below corresponding to the Net Leverage Ratio set out in the annual Compliance Certificate referable to the Financial Year end (but taking into account any voluntary prepayments, other than with respect to Facility C and Facility D, and mandatory prepayments, other than under this Excess Cashflow sweep, since the end of that Financial Year) as set out below:

Net Leverage Ratio (Net Debt/EBITDA)	% of Excess Cashflow
$4.0x < \text{NLR}$	75%
$3.5x < \text{NLR} \leq 4.0x$	50%
$3.0 < \text{NLR} \leq 3.5x$	25%
$\text{NLR} \leq 3x$	0%

- (b) Excess Cashflow will be calculated on the basis of the annual audited financial statements of the Group delivered under Clause 20.1(a) (*Financial statements*). Prepayment must be made within 30 days after delivery of such reports.

8.3 Application of Mandatory Prepayments

- (a) Amounts mandatorily prepaid under Clause 8 (*Mandatory Prepayment*) must be applied:
- first, to repay Facility A Loans, by application pro-rata against all future Facility A Repayment Instalments;
 - secondly, if Facility A has been fully repaid, in reduction of Facility B1 Loans, Facility B2 Loans or Facility B3 Loans;
 - third, if Facility A, Facility B1, Facility B2 and Facility B3 have been fully repaid, in reduction of Facility D Loans. A repayment against a Facility D Loan cancels the respective portion of Facility D that has been prepaid and cannot be redrawn; and
 - then, if Facility A, Facility B1, Facility B2, Facility B3 and Facility D have been fully repaid, in reduction of Facility C Loans. A repayment against a Facility C Loan cancels the respective portion of Facility C that has been prepaid and cannot be redrawn.
- (b) All mandatory prepayments (except under Clause 8.1 (*Mandatory Prepayment Events*)) will, subject to paragraph (c) below, be made on the last day of the Interest Period relating to the Loan to be prepaid (so as not to break an Interest Period). Pending such prepayment, amounts required to be prepaid must be paid to and held

in an Interest Prepayment Account. Any money so held in an Interest Prepayment Account which is required to be prepaid must be applied in prepayment on the last day of the Interest Period relating to the Loan to be prepaid. If an Event of Default subsists, the Security Trustee may direct the Company as to the application of any money held in any Interest Prepayment Account (or exercise its rights under the Account Bank Deed).

- (c) A Borrower may request the Agent to immediately apply any mandatory prepayment towards prepayment of the Loans (and not pay and hold such amount in the Interest Prepayment Account until the last day of the relevant Interest Period). If a Borrower does so:
 - (i) paragraph (b) above will not apply; and
 - (ii) without limiting any other provision of this Agreement, Clauses 7.7(b) and 11.6 will apply.

Each Lender authorises the Agent to comply with a request made by a Borrower under and in accordance with this paragraph (c).

SECTION 5 COSTS OF UTILISATION

9. INTEREST

9.1 Interest

The rate of interest on each Loan for each Interest Period is the Interest Rate.

9.2 Payment of interest

The Borrower to which a Loan has been made shall pay accrued interest on that Loan on the last day of each Interest Period.

9.3 Notification of rates of interest

- (a) The Agent shall promptly notify the relevant Lenders and the relevant Borrower of the determination of a rate of interest under this Agreement.
- (b) The Agent shall promptly notify the relevant Borrower of each Funding Rate relating to a Loan.

10. INTEREST PERIODS

10.1 Selection of Interest Periods

- (a) Each Interest Period for a Loan will be three Months.
- (b) An Interest Period for a Loan shall not extend beyond the Maturity Date.
- (c) Each Interest Period for a Loan (other than a Facility C Loan) shall start on the Utilisation Date or (if already made) on the last day of its preceding Interest Period.
- (d) A Facility C Loan has one Interest Period only and shall start on the Utilisation Date of that Loan.

10.2 Non-Business Days

If an Interest Period would otherwise end on a day which is not a Business Day, that Interest Period will instead end on the next Business Day in that calendar month (if there is one) or the preceding Business Day (if there is not).

11. CHANGES TO THE CALCULATION OF INTEREST

11.1 Unavailability of Screen Rate

- (a) *Interpolated Screen Rate:* If no Screen Rate is available for BBSY Bid or BKBM, as applicable, for the Interest Period of a Loan, the applicable BBSY Bid or BKBM shall be the Interpolated Screen Rate for a period equal in length to the Interest Period of that Loan, except where the Interest Period is less than the shortest period published for BBSY Bid or BKBM, as applicable, in which case it will be BBSY Bid or BKBM for the shortest period published for BBSY Bid or BKBM.
- (b) *Reference Bank Rate:* If no Screen Rate is available for BBSY Bid or BKBM, as applicable, for the Interest Period of a Loan and it is not possible to calculate the Interpolated Screen Rate or other rate under paragraph (a) above, the applicable BBSY Bid or BKBM shall be the Reference Bank Rate at or about 11.00a.m. (in the

relevant place) on the Quotation Day for the currency of that Loan and for a period equal in length to the Interest Period of that Loan.

- (c) *Cost of Funds*: If paragraph (b) above applies but no Reference Bank Rate is available for the relevant currency and Interest Period, there shall be no BBSY Bid or BKBM, as applicable, for that Loan and Clause 11.4 (*Cost of funds*) shall apply to that Loan for that Interest Period.

11.2 Calculation of Reference Bank Rate

- (a) Subject to paragraph (b) below, if BBSY Bid or BKBM, as applicable, is to be determined on the basis of a Reference Bank Rate but a Reference Bank does not supply a quotation by 12.00 noon (in the relevant place) on the Quotation Day, the Reference Bank Rate shall be calculated on the basis of the quotations of the remaining Reference Banks.
- (b) If at or about 12.00 noon (in the relevant place) on the Quotation Day none or only one of the Reference Banks supplies a quotation, there shall be no Reference Bank Rate for that Interest Period.

11.3 Market disruption

If before 5.00p.m. (Sydney time) on the second Business Day after the Quotation Day for the relevant Interest Period, the Agent receives notifications from a Lender or Lenders (whose participations in a Loan exceed 30 per cent. of that Loan) that as a result of market circumstances not limited to it (whether or not those circumstances, or their effect on the Lender's cost of funds, subsist on the date it becomes a Lender), the cost to it of funding its participation in that Loan (from whatever source it may reasonably select) would be in excess of BBSY Bid or BKBM, as applicable (in which case an "**Affected Lender**" will be a Lender which gives such a notification), then Clause 11.4 (*Cost of funds*) shall apply to the participation in the Loan of each Affected Lender for the relevant Interest Period.

11.4 Cost of funds

- (a) If this Clause 11.4 applies, the rate of interest on each relevant Lender's share of the relevant Loan for the relevant Interest Period shall be the percentage rate per annum which is the sum of:
 - (i) the Margin; and
 - (ii)
 - (A) in the circumstances described in Clause 11.3 (*Market disruption*), the rate notified to the Agent by the relevant Affected Lender; and
 - (B) in the circumstances described in Clause 11.1 (*Unavailability of Screen Rate*), the weighted average of the rates notified to the Agent by each relevant Lender,

to be that which expresses as a percentage rate per annum, the cost to the Lender of funding its participation in that Loan from whatever source it may

reasonably select. That rate is to be notified as soon as practicable and in any event before interest is due to be paid in respect of that Interest Period; and

(iii) the rate applicable under paragraph (c) of the definition of Interest Rate at that time (if any).

(b) If this Clause 11.4 applies and the Agent (acting on the instructions of all Lenders) or the Company so requires, the Agent and the Company shall enter into negotiations (for a period of not more than 30 days) with a view to agreeing a substitute basis for determining the rate of interest.

(c) Any alternative basis agreed pursuant to paragraph (b) above shall, with the prior consent of all the Lenders and the Company, be binding on all Parties.

(d) If this Clause 11.4 applies, but any Lender does not supply a quotation by the time specified in paragraph (a)(ii)(B) above, the rate of interest for that Lender shall be calculated on the basis of the quotations of the remaining Lenders.

11.5 Agent's role and confidentiality

(a) The Agent shall promptly notify the Company if there is a market disruption event under Clause 11.3 (*Market disruption*) and of the identity of any Lender or Lenders giving a notice under that Clause.

(b) A Lender who gives a notification under Clause 11.3 (*Market disruption*) at any time before 5.00p.m. (Sydney time) on the Business Day after the relevant Quotation Day may in that notification request the Agent to notify each other Lender that it has received a notification under Clause 11.3 (*Market disruption*) (without giving details) and the Agent shall promptly comply with the request.

11.6 Break Costs

(a) Each Borrower shall, within three Business Days of demand by a Finance Party, pay to that Finance Party its Break Costs attributable to all or any part of a Loan being paid by that Borrower on a day other than the last day of an Interest Period for that Loan.

(b) Each Lender shall, as soon as reasonably practicable after a demand by the Agent, provide a certificate confirming the amount of its Break Costs for any Interest Period in which they accrue.

11.7 Margin Adjustments by reference to the Net Leverage Ratio

(a) The Net Leverage Ratio will be tested pursuant to Clause 21 (*Financial Covenants*).

(b) Subject to paragraph (c) below, any Margin adjustment will take effect on the first day of the Interest Period commencing after receipt by the Agent of the relevant Compliance Certificate.

(c) No Margin reduction shall take effect before the date the first Compliance Certificate is delivered.

- (d) If there is a reduction in the Margin on the basis of quarterly financial statements and, when delivered, the annual audited consolidated financial statements of the Group do not justify that reduction, the reduction in Margin will be reversed with retrospective effect and any additional payment due from the Company in respect of Interest Periods which have expired will be due and payable within 10 Business Days of the date of the adjustment.
- (e) If a Compliance Certificate is not delivered on or prior to the required date under Clause 20.2 (*Provision and contents of Compliance Certificate*), then the Margin shall be 5.5% per annum until such time as a Compliance Certificate evidencing the Net Leverage Ratio is delivered.

12. FEES

12.1 Commitment fee

- (a) The Company shall pay to the Agent (for the account of each Lender) a fee in the Base Currency computed at the rate of one (1) per cent. per annum on that Lender's Available Commitment under:
 - (i) Facility C for the Availability Period for Facility C; and
 - (ii) Facility D for the Availability Period for Facility D.
- (b) The accrued commitment fee is payable on the last day of each successive period of three Months which ends during the Availability Period for Facility C and Facility D (as applicable), on the last day of the relevant Availability Period, and on the cancelled amount of the relevant Lender's Commitment at the time the cancellation is effective.
- (c) No commitment fee is payable on any Available Commitment of a Lender for any day on which that Lender is a Defaulting Finance Party.

12.2 Prepayment fee

The Company shall pay to the Agent (for the account of each Lender) a prepayment fee in the Base Currency computed as follows:

- (a) three (3) per cent of any amount repaid or prepaid and cancelled under the Facilities at any time between the Second Effective Date (exclusive) and the 1st anniversary of the Second Effective Date (inclusive); and
- (b) one (1) per cent of any amount repaid or prepaid and cancelled under the Facilities at any time between the 1st anniversary of the Second Effective Date (exclusive) and the 2nd anniversary of the Second Effective Date (inclusive),

on the date that the relevant amount is repaid or prepaid and cancelled.

12.3 Other fees

The Company shall pay to the Agent (for the account of each Original Lender) the fees in the amount and at the times agreed in a Fee Letter.

12.4 Agency fee

The Company shall pay to the Agent (for its own account) an agency fee in the amount and at the times agreed in a Fee Letter.

12.5 Security Trustee's fee

The Company shall pay to the Security Trustee (for its own account) a fee in the amount and at the times agreed in a Fee Letter.

12.6 Non-refundable

All fees payable under this Clause 12 (*Fees*) are non-refundable.

13.1 Definitions

- (a) In this Clause 13:

"**Protected Party**" means a Finance Party which is or will be subject to any liability, or required to make any payment, for or on account of Tax in relation to a sum received or receivable (or any sum deemed for the purposes of Tax to be received or receivable) under a Finance Document.

"**Tax Credit**" means a credit against, relief or remission for, or repayment of any Tax.

"**Tax Payment**" means either the increase in a payment made by an Obligor to a Finance Party under Clause 13.2 (*Tax gross-up*) or a payment under Clause 13.3 (*Tax indemnity*).

13.2 Tax Gross-up

- (b) The Company or a Finance Party shall promptly upon becoming aware that an Obligor must make a Tax Deduction (or that there is any change in the rate or the basis of a Tax Deduction) notify the Agent accordingly. If the Agent receives such notification from a Lender it shall notify the Company and that Obligor.
- (c) If a Tax Deduction is required by law to be made by an Obligor, except in relation to a Tax described in Clause 13.3(b)(i), the Obligor shall pay an additional amount together with the payment so that, after making any Tax Deduction, the Finance Party receives an amount equal to the payment which would have been due if no Tax Deduction had been required.
- (d) If an Obligor is required to make a Tax Deduction, that Obligor shall make that Tax Deduction and any payment required in connection with that Tax Deduction within the time allowed and in the minimum amount required by law.
- (e) Within thirty days of making either a Tax Deduction or any payment required in connection with that Tax Deduction, the Obligor making that Tax Deduction shall deliver to the Agent for the Finance Party entitled to the payment evidence satisfactory to that Finance Party, acting reasonably, that the Tax Deduction has been made or (as applicable) any appropriate payment paid to the relevant taxing authority.

13.3 Tax indemnity

- (a) The Company shall (within three Business Days of demand by the Agent) pay to a Protected Party an amount equal to the loss, liability or cost which that Protected Party determines will be or has been (directly or indirectly) suffered for or on account of Tax by that Protected Party in respect of a Finance Document or a transaction or payment under it.

- (b) Paragraph (a) shall not apply:
 - (i) with respect to any Tax assessed on a Finance Party if that Tax is imposed on or calculated by reference to the net income received or receivable (but not any sum deemed to be received or receivable) by that Finance Party:
 - (A) under the law of the jurisdiction in which that Finance Party is incorporated or, if different, the jurisdiction (or jurisdictions) in which that Finance Party is treated as resident for tax purposes; or
 - (B) under the law of the jurisdiction in which that Finance Party's Facility Office is located in respect of amounts received or receivable in that jurisdiction; or
 - (ii) to the extent the relevant loss, liability or cost:
 - (A) is compensated for by an increased payment under Clause 13.2 (*Tax Gross-up*); or
 - (B) relates to a FATCA Deduction required to be made by a Party.
- (c) A Protected Party making or intending to make a claim pursuant to paragraph (a) above shall promptly notify the Agent of the event which will give, or has given, rise to the claim, following which the Agent shall notify the Company.
- (d) A Protected Party shall, on receiving a payment from an Obligor under this Clause 13.3, notify the Agent.

13.4 Tax Credit

If an Obligor makes a Tax Payment and the relevant Finance Party determines in its absolute discretion that:

- (a) a Tax Credit is attributable to that Tax Payment or to a Tax Deduction in consequence of which that Tax Payment was required; and
- (b) that Finance Party has obtained, utilised and retained that Tax Credit,

subject to Clause 28 (*Conduct of Business by the Finance Parties*), the Finance Party shall pay an amount to the Obligor which that Finance Party determines in its absolute discretion will leave it (after that payment) in the same after-Tax position as it would have been in had the circumstances not arisen which caused the Tax Payment to be required to be made by the Obligor.

13.5 Stamp duties and Taxes

The Company shall:

- (a) pay; and
- (b) within three Business Days of demand, indemnify each Finance Party against any cost, expense, loss or liability that Finance Party incurs in relation to,

all stamp duty, registration or other similar Tax payable in respect of any Finance Document except Transfer Certificates.

13.6 Indirect Tax

- (a) All payments to be made by an Obligor under or in connection with any Finance Document have been calculated without regard to Indirect Tax. If all or part of any such payment is the consideration for a taxable supply or chargeable with Indirect Tax then, when the Obligor makes the payment:
 - (i) it must pay to the Finance Party an additional amount equal to that payment (or part) multiplied by the appropriate rate of Indirect Tax; and
 - (ii) the Finance Party will promptly provide to the Obligor a tax invoice complying with the relevant law relating to that Indirect Tax.
- (b) Where a Finance Document requires an Obligor to reimburse or indemnify a Finance Party for any costs or expenses, that Obligor shall also at the same time pay and indemnify that Finance Party against all Indirect Tax incurred by that Finance Party in respect of the costs or expenses save to the extent that that Finance Party is entitled to repayment or credit in respect of the Indirect Tax. The Finance Party will promptly provide to the Obligor a tax invoice complying with the relevant law relating to that Indirect Tax. Unless notified by that Finance Party, the Obligor must assume that the Finance Party is not entitled to any input tax credit for that Indirect Tax.

13.7 FATCA Information

- (a) Subject to paragraph (c) below, each Party shall, within ten Business Days of a reasonable request by another Party:
 - (i) confirm to that other Party whether it is:
 - (A) a FATCA Exempt Party; or

 - (ii) supply to that other Party such forms, documentation and other information relating to its status under FATCA as that other Party reasonably requests for the purposes of that other Party's compliance with FATCA;
 - (iii) supply to that other Party such forms, documentation and other information relating to its status as that other Party reasonably requests for the purposes of that other Party's compliance with any other law, regulation, or exchange of information regime.
- (b) If a Party confirms to another Party pursuant to paragraph (a)(i) above that it is a FATCA Exempt Party and it subsequently becomes aware that it is not or has ceased to be a FATCA Exempt Party, that Party shall notify that other Party reasonably promptly.

- (c) Paragraph (a) above shall not oblige any Finance Party to do anything, and paragraph (a)(iii) above shall not oblige any other Party to do anything, which would or might in its reasonable opinion constitute a breach of:
 - (i) any law or regulation;
 - (ii) any fiduciary duty; or
 - (iii) any duty of confidentiality.
- (d) If a Party fails to confirm whether or not it is a FATCA Exempt Party or to supply forms, documentation or other information requested in accordance with paragraph (a)(i) or (ii) above (including, for the avoidance of doubt, where paragraph (c) above applies), then such Party shall be treated for the purposes of the Finance Documents (and payments under them) as if it is not a FATCA Exempt Party until such time as the Party in question provides the requested confirmation, forms, documentation or other information.

13.8 FATCA Deduction

- (a) Each Party may make any FATCA Deduction it is required to make by FATCA, and any payment required in connection with that FATCA Deduction, and no Party shall be required to increase any payment in respect of which it makes such a FATCA Deduction or otherwise compensate the recipient of the payment for that FATCA Deduction.
- (b) Each Party shall promptly, upon becoming aware that it must make a FATCA Deduction (or that there is any change in the rate or the basis of such FATCA Deduction), notify the Party to whom it is making the payment and, in addition, shall notify the Company and the Agent and the Agent shall notify the other Finance Parties.

- (d) **Maintain AIL status:** Each NZ Borrower that is registered as an approved issuer shall:
 - (i) use its reasonable endeavours to maintain the registrations referred to in Clause 13.9(c)(i)(A); and

SECTION 7 GUARANTEE

18. GUARANTEE

18.1 Guarantee

Each Guarantor irrevocably and unconditionally jointly and severally:

- (a) guarantees to each Finance Party punctual performance by each Obligor of all that Obligor's obligations under the Finance Documents;
- (b) undertakes with each Finance Party that:
 - (i) whenever an Obligor does not pay any amount when due under or in connection with any Finance Document (or anything which would have been due if the Finance Document or the amount was enforceable, valid and not illegal), that Guarantor shall immediately on demand by the Finance Party pay that amount as if it was the principal obligor; and
 - (ii) if an Ipso Facto Event is continuing, then immediately on demand by the Agent that Guarantor shall pay all Loans, accrued interest and other amounts referred to in clause 23.18(b) (*Acceleration*) as if it was the principal obligor; and
- (c) agrees with each Finance Party that if any obligation guaranteed by it is or becomes unenforceable, invalid or illegal, it will, as an independent and primary obligation, indemnify that Finance Party immediately on demand against any cost, expense, loss or liability it incurs as a result of an Obligor not paying any amount which would, but for such unenforceability, invalidity or illegality, have been payable by it under any Finance Document on the date when it would have been due. The amount of the cost, expense, loss or liability shall be equal to the amount which that Finance Party would otherwise have been entitled to recover.

Each of paragraphs (a), (b)(i), (b)(ii) and (c) is a separate obligation. None is limited by reference to the other.

“Ipso Facto Event” means a Borrower is the subject of:

- (a) an announcement, application, compromise, arrangement, managing controller, or administration as described in section 415D(1), 434J(1) or 451E(1) of the Australian Corporations Act; or
- (b) any process which under any law with a similar purpose may give rise to a stay on, or prevention of, the exercise of contractual rights.

18.2 Continuing guarantee

This Guarantee is a continuing obligation and will extend to the ultimate balance of sums payable by any Obligor under the Finance Documents, regardless of any intermediate payment or discharge in whole or in part.

18.3 Reinstatement

If any payment to or any discharge, release or arrangement given or entered into by a Finance Party (whether in respect of the obligations of any Obligor or any security for those obligations or otherwise) is avoided or reduced for any reason (including as a result of insolvency, breach of fiduciary or statutory duties or any similar event) in whole or in part, then the liability of each Guarantor under this Clause 18 will continue or be reinstated as if the discharge, release or arrangement had not occurred and any relevant security shall be reinstated.

18.4 Waiver of defences

The obligations of each Guarantor under this Clause 18 will not be affected by an act, omission, matter or thing which, but for this Clause, would reduce, release or prejudice any of its obligations under this Clause 18 (without limitation and whether or not known to it or any Finance Party) including:

- (a) any time, waiver or other concession or consent granted to, or composition with, any Obligor or other person;
- (b) the release or resignation of any other Obligor or any other person;
- (c) any composition or arrangement with any creditor of any Obligor or other person;
- (d) the taking, variation, compromise, exchange, renewal or release of, or refusal or neglect to perfect, execute, take up or enforce, any rights against, or security over assets of, any Obligor or other person or any non-presentation or non-observance of any formality or other requirement in respect of any instrument or any failure to realise the full value of any security;
- (e) any incapacity or lack of power, authority or legal personality of or dissolution or change in the members or status of an Obligor or any other person;
- (f) any amendment, novation, supplement, extension, restatement (however fundamental and whether or not more onerous) or replacement of any Finance Document or any other document or security including any change in the purpose of, any extension of or any increase in any facility or the addition of any new facility under any Finance Document or other document or security;
- (g) any unenforceability, illegality or invalidity of any obligation of any person under any Finance Document or any other document or security;
- (h) any set off, combination of accounts or counterclaim;
- (i) any insolvency or similar proceedings; or
- (j) this Agreement or any other Finance Document not being executed by or binding against any other Obligor or any other party.

18.5 Immediate recourse

Each Guarantor waives any right it may have of first requiring any Finance Party (or any trustee or agent on its behalf) to proceed against or enforce any other rights or security or claim payment from any person before claiming from that Guarantor under this Clause 18. This waiver applies irrespective of any law or any provision of a Finance Document to the contrary.

18.6 Appropriations

Until all amounts which may be or become payable by the Obligors under or in connection with the Finance Documents have been irrevocably paid in full, each Finance Party (or any trustee or agent on its behalf) may:

- (a) refrain from applying or enforcing any other moneys, security or rights held or received or recovered (by set off or otherwise) by that Finance Party (or any trustee or agent on its behalf) in respect of those amounts, or apply and enforce the same in such manner and order as it sees fit (whether against those amounts or otherwise) and no Guarantor shall be entitled to the benefit of the same; and
- (b) without limiting paragraph (a), refrain from applying any moneys received or recovered (by set off or otherwise) from any Guarantor or on account of any Guarantor's liability under this Clause 18 in discharge of that liability or any liability of an Obligor and claim or prove against anyone in respect of the full amount owing by the Obligors.

18.7 Deferral of Guarantors' rights

Until all amounts which may be or become payable by the Obligors under or in connection with the Finance Documents have been irrevocably paid in full and unless the Agent otherwise directs, no Guarantor will exercise any rights which it may have by reason of performance by it of its obligations under the Finance Documents or by reason of any amount being payable, or liability arising, under this Clause 18:

- (a) to be indemnified by an Obligor;
- (b) to claim any contribution from any other guarantor or provider of security for any Obligor's obligations under the Finance Documents;
- (c) to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any rights of the Finance Parties under the Finance Documents or of any other guarantee or security taken pursuant to, or in connection with, the Finance Documents by any Finance Party;
- (d) to bring legal or other proceedings for an order requiring any Obligor to make any payment, or perform any obligation, in respect of which any Guarantor has given a Guarantee under Clause 18.1 (*Guarantee*);
- (e) to exercise any right of set-off against any Obligor;
- (f) to claim or prove as a creditor of any Obligor in competition with any Finance Party; and/or

- (g) in any form of administration of an Obligor (including liquidation, winding up, bankruptcy, voluntary administration, dissolution or receivership or any analogous process) prove for or claim, or exercise any vote or other rights in respect of, any indebtedness of any nature owed to it by the Obligor.

If a Guarantor receives any benefit, payment or distribution in relation to such rights it shall hold that benefit, payment or distribution to the extent necessary to enable all amounts which may be or become payable to the Finance Parties by the Obligors under or in connection with the Finance Documents to be repaid in full on trust for the Finance Parties and shall promptly pay or transfer the same to the Agent or as the Agent may direct for application in accordance with Clause 30 (*Payment mechanics*).

18.8 Release of Guarantors' right of contribution

If any Guarantor (a "**Retiring Guarantor**") ceases to be a Guarantor in accordance with the terms of the Finance Documents for the purpose of any sale or other disposal of that Retiring Guarantor then on the date such Retiring Guarantor ceases to be a Guarantor:

- (a) that Retiring Guarantor is released by each other Guarantor from any liability (whether past, present or future and whether actual or contingent) to make a contribution to any other Guarantor arising by reason of the performance by any other Guarantor of its obligations under the Finance Documents; and
- (b) each other Guarantor waives any rights it may have by reason of the performance of its obligations under the Finance Documents to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any rights of the Finance Parties under any Finance Document or of any other security taken pursuant to, or in connection with, any Finance Document where such rights or security are granted by or in relation to the assets of the Retiring Guarantor.

18.9 Additional security

This Guarantee is in addition to and is not in any way prejudiced by any other guarantee or security now or subsequently held by any Finance Party.

 - (ii) on performance by the Agent of all its necessary "know your customer" or other similar checks under all applicable laws and regulations in relation to such

novation to a New Lender, the completion of which the Agent shall promptly notify to the Existing Lender and the New Lender; and

- (iii) on receipt by the Agent of confirmation from the Security Trustee that the Security Trustee has performed all its necessary "know your customer" or other similar checks under all applicable laws and regulations in relation to such novation to a New Lender (the receipt of which the Agent shall promptly notify to the Existing Lender and the New Lender) and the New Lender has become bound by a relevant Beneficiary Accession Deed (as defined in the Security Trust Deed).

(d) If:

- (i) a Lender assigns or novates any of its rights or obligations under the Finance Documents or changes its Facility Office; and
- (ii) as a result of circumstances existing at the date the assignment, novation or change occurs, an Obligor would be obliged to make a payment to the New Lender or Lender acting through its new Facility Office under Clause 13 (*Tax gross-up and indemnities*) or Clause 14 (*Increased Costs*),

then the New Lender or Lender acting through its new Facility Office is only entitled to receive payment under those Clauses to the same extent as the Existing Lender or Lender acting through its previous Facility Office would have been if the assignment, novation or change had not occurred.

- (e) Clause 24.2(d) shall not apply where the payment is in relation to Australian Withholding Tax and the New Lender, or Lender acting through its new Facility Office, is not an Offshore Associate of a Borrower (provided that at no time shall the Obligors be liable to make payments for Australian Withholding Tax in respect of Commitments in excess of A\$50,000,000 (or its equivalent in another currency or currencies) held by New Lenders or a Lender acting through its new Facility Office where the liability to make such payment would not exist other than pursuant to this paragraph (e)). In such instances, the New Lender, or Lender acting through its new Facility Office will be entitled to full payment under Clause 13 (*Tax gross-up and indemnities*).
- (f) Each New Lender, by executing the relevant Transfer Certificate or Assignment Agreement, confirms, for the avoidance of doubt, that the Agent has authority to execute on its behalf any amendment or waiver that has been approved by or on behalf of the requisite Lender or Lenders in accordance with this Agreement on or prior to the date on which the novation or assignment becomes effective in accordance with this Agreement and that it is bound by that decision to the same extent as the Existing Lender would have been had it remained a Lender.
- (g) A Lender may not assign or novate any of its rights or obligations under the Finance Documents or change its Facility Office, if the New Lender or the Lender acting through its new Facility Office would be entitled to exercise any rights under Clause

7.1 (*Illegality*) as a result of circumstances existing as at the date the assignment, novation or change is proposed to occur.

- (h) A Lender may enter into funded or unfunded sub-participations or risk participation arrangements, collateralised loan obligation, collateralised debt obligation, or any similar arrangement without notice to or consent of any other person provided that the Lender remains the lender of record.

24.3 Assignment or novation fee

The New Lender shall, on the date upon which an assignment or novation takes effect, pay to the Agent (for its own account) a fee of A\$3,000 plus GST.

24.4 Limitation of responsibility of Existing Lenders

- (a) Unless expressly agreed to the contrary, an Existing Lender makes no representation or warranty and assumes no responsibility to a New Lender for:
 - (i) the legality, validity, effectiveness, adequacy or enforceability of the Finance Documents or any other documents;
 - (ii) the financial condition of any Obligor or any other person;
 - (iii) the performance and observance by any Obligor or any other person of its obligations under the Finance Documents or any other documents; or

- (b) Each New Lender confirms to the Existing Lender and the other Finance Parties that it:
 - (i) has made (and shall continue to make) its own independent investigation and assessment of the financial condition and affairs of each Obligor and its related entities and any other person in connection with its participation in this Agreement and has not relied exclusively on any information provided to it by the Existing Lender in connection with any Finance Document; and
 - (ii) will continue to make its own independent appraisal of the creditworthiness of each Obligor and its related entities and any other person whilst any amount is or may be outstanding under the Finance Documents or any Commitment is in force.
- (c) Nothing in any Finance Document obliges an Existing Lender to:
 - (i) accept a novation or re-assignment from a New Lender of any of the rights and obligations assigned or novated under this Clause 24; or

- (ii) support any losses directly or indirectly incurred by the New Lender by reason of the non-performance by any Obligor or any other person of its obligations under the Finance Documents or otherwise.

24.5 Procedure for novation

- (a) Subject to the conditions set out in Clause 24.2 (*Conditions of assignment or novation*) a novation is effected in accordance with paragraph (e) below when the Agent executes an otherwise duly completed Transfer Certificate delivered to it by the Existing Lender and the New Lender. The Agent shall, as soon as reasonably practicable after receipt by it of a duly completed Transfer Certificate appearing on its face to comply with the terms of this Agreement and delivered in accordance with the terms of this Agreement, execute that Transfer Certificate.
- (b) The Agent shall only be obliged to execute a Transfer Certificate delivered to it by the Existing Lender and the New Lender once it is satisfied it has complied with all necessary "know your customer" or other similar checks under all applicable laws and regulations in relation to the transfer to such New Lender.
- (c) The Agent may refrain from executing a Transfer Certificate pending satisfaction of Clause 24.2(b)(ii) and acting reasonably, may delay executing a Transfer Certificate pending a payment, distribution or Utilisation under or in respect of the Finance Documents.

 - (ii) each of the Obligors and the New Lender shall assume obligations towards one another and/or acquire rights against one another which differ from the Discharged Rights and Obligations only insofar as that Obligor and the New Lender have assumed and/or acquired the same in place of that Obligor and the Existing Lender;
 - (iii) the Agent, the Security Trustee, the Arranger, the New Lender and other Lenders shall acquire the same rights and assume the same obligations between themselves as they would have acquired and assumed had the New Lender been an Original Lender with the rights and/or obligations acquired or assumed by it as a result of the novation and to that extent the Agent, the Security Trustee, the Arranger and the Existing Lender shall each be released from further obligations to each other under the Finance Documents;

- (iv) the New Lender shall become a Party as a "**Lender**" and entitled to the benefits of any other document entered into by the Agent as agent for the Lenders and will be bound by obligations equivalent to the Relevant Obligations (as defined in Clause 24.6(c)(ii) below); and
- (v) for the purposes of this Agreement, rights and obligations will be taken to have been transferred under a Transfer Certificate even though it operates as a novation and rights and obligations are replaced rather than transferred.

 - (iii) the New Lender shall become a Party as a "**Lender**" and entitled to the benefits of any other document entered into by the Agent as agent for the Lenders and will be bound by obligations equivalent to the Relevant Obligations.
- (d) Lenders may utilise procedures other than those set out in this Clause 24.6 to assign (including by equitable assignment) their rights under the Finance Documents (but not, without the consent of the relevant Obligor or unless in accordance with Clause 24.5 (*Procedure for novation*), to obtain a release by that Obligor from the obligations owed to that Obligor by the Lenders nor the assumption of equivalent obligations by a New Lender) provided that they comply with the conditions set out in Clause 24.2 (*Conditions of assignment or novation*).

24.7 Copy of Transfer Certificate or Assignment Agreement to Company

The Agent shall, as soon as reasonably practicable after it has executed a Transfer Certificate or an Assignment Agreement, send to the Company a copy of that Transfer Certificate or Assignment Agreement.

 - (i) no Default is continuing or would result from the acceptance of the Resignation Letter (and the Company has confirmed this is the case); and
 - (ii) the Borrower is under no actual or contingent obligations as a Borrower under any Finance Documents,

SECTION 10
THE FINANCE PARTIES

27. ROLE OF THE AGENT, THE ARRANGER AND THE REFERENCE BANKS

27.1 Appointment of the Agent

- (a) Each of the Arranger and the Lenders appoints the Agent to act as its agent under and in connection with the Finance Documents. The Agent will be agent for the Arranger and the Lenders except as described in paragraph (c) below.
- (b) Each of the Arranger and the Lenders authorises the Agent to perform the duties, obligations and responsibilities and to exercise the rights, powers, authorities and discretions specifically given to the Agent under or in connection with the Finance Documents together with any other incidental rights, powers, authorities and discretions.
- (c) Where the Agent provides services in connection with the administration of the Utilisations, that is when it calculates rates and amounts, keeps records, receives and distributes payments and information received under Clauses 20.1 (*Financial statements*) and 20.7 (*Information: miscellaneous*), and receives and deals with Utilisation Requests, it does not provide those services as agent for the Arranger or the Lenders, but as principal, but the remainder of this Clause 27 still applies.

27.2 Instructions

- (a) The Agent shall:
 - (i) unless a contrary indication appears in a Finance Document, exercise or refrain from exercising any right, power, authority or discretion vested in it as Agent in accordance with any instructions given to it by:
 - (A) all Lenders if the relevant Finance Document stipulates the matter is an all Lender decision; and
 - (B) in all other cases, the Majority Lenders if the relevant Finance Document stipulates the matter is a Majority Lender decision; and
 - (ii) not be liable for any act (or omission) if it acts (or refrains from acting) in accordance or as permitted by this Clause 27.2.
- (b) The Agent shall be entitled to request instructions, or clarification of any instruction, from the Majority Lenders (or, if the relevant Finance Document stipulates the matter is a decision for any other Lender or group of Lenders, from that Lender or group of Lenders) as to whether, and in what manner, it should exercise or refrain from exercising any right, power, authority or discretion. The Agent may refrain from acting unless and until it receives any such instructions or clarification that it has requested.
- (c) If the Agent consults the Majority Lenders (or, if the relevant Finance Document stipulates the matter is a decision for any other Lender or group of Lenders, from that Lender or group of Lenders) to seek instructions in connection with a matter in

respect of which the Agent is required under this Agreement to form an opinion, act reasonably or in good faith or not to unreasonably withhold or delay consent or approval (or any combination of these), each Lender must act in the same manner in giving instructions. If the Agent receives such instructions, it may rely on them and it has no duty to consider whether a Lender has acted reasonably or in good faith or formed the relevant opinion and is deemed to have complied with any reasonableness or good faith requirement or formed the relevant opinion (as applicable) in the relevant clause and will have no liability for so acting. For the avoidance of doubt, the limitation of the Agent's liability in this paragraph will not affect or limit the obligations or liabilities of any Lender to any Obligor in respect of any matter the subject of such limitation.

- (d) Save in the case of decisions stipulated to be a matter for any other Lender or group of Lenders under the relevant Finance Document and unless a contrary indication appears in a Finance Document, any instructions given to the Agent by the Majority Lenders shall override any conflicting instructions given by any other Parties and will be binding on all Finance Parties.
- (e) The Agent may refrain from acting in accordance with any instructions of any Lender or group of Lenders until it has received any indemnification and/or security that it may in its discretion require (which may be greater in extent than that contained in the Finance Documents and which may include payment in advance) for any cost, loss or liability which it may incur in complying with those instructions. The Agent may specify that the security be cash, in which case the Company must provide it on request, failing which each Lender must on request pay its proportion of the cash according to its Commitment. Any amount recovered by the Agent under any security will be taken to be an amount paid by the party which provided that security.
- (f) In the absence of instructions, the Agent is not obliged to act, but may act in what it (in its sole discretion) considers to be in the best interests of the Lenders.
- (g) The Agent is not authorised to act on behalf of a Lender (without first obtaining that Lender's consent) in any legal or arbitration proceedings relating to any Finance Document.
- (h) Without limiting any other provision of any Finance Document, the Facility Agent may:
 - (i) act or refrain from acting notwithstanding any conflict of interest; and
 - (ii) do anything which in its opinion is necessary for it to comply with any law.

27.3 Duties of the Agent

- (a) The Agent's duties under the Finance Documents are solely mechanical and administrative in nature.
- (b) Subject to paragraph (c) below, the Agent shall promptly forward to a Party the original or a copy of any document which is delivered to the Agent for that Party by any other Party.

- (c) Without prejudice to Clause 24.7 (*Copy of Transfer Certificate or Assignment Agreement to Company*) paragraph (b) above shall not apply to any Transfer Certificate or to any Assignment Agreement.
- (d) Except where a Finance Document specifically provides otherwise, the Agent is not obliged to review or check the adequacy, accuracy or completeness of any document it forwards to another Party.
- (e) If the Agent receives notice from a Party referring to this Agreement, describing a Default or a Review Event and stating that the circumstance described is a Default or a Review Event it shall promptly notify the other Finance Parties.
- (f) If the Agent is aware of the non-payment of any principal, interest, commitment fee or other fee payable to a Finance Party (other than the Agent or the Arranger) under this Agreement it shall promptly notify the other Finance Parties.
- (g) The Agent shall have only those duties, obligations and responsibilities expressly specified in the Finance Documents to which it is expressed to be a party (and no others shall be implied).
- (h) If the Agent receives a request by a Lender, the Agent will provide a privacy notice (in the form recommended by the Asia Pacific Loan Market Association (Australian Branch) or as otherwise directed by a Finance Party) to a representative of the officers of an Obligor whose personal information has been collected on behalf of the Finance Parties, which details the manner in which personal information collected in connection with this Agreement may be used and disclosed by the Finance Parties.

27.4 Role of the Arrangers

Except as specifically provided in the Finance Documents, the Arranger has no obligations of any kind to any other Party under or in connection with any Finance Document.

27.5 No fiduciary duties

- (a) Nothing in any Finance Document constitutes the Agent or the Arranger as a trustee or fiduciary of any other person.
- (b) Neither the Agent nor the Arranger shall be bound to account to any Lender for any sum or the profit element of any sum received by it for its own account.

27.6 Business with the Group

The Agent and the Arranger may accept deposits from, lend money to, receive fees or other payments from and generally engage in any kind of banking, financial, trust, agency or other business with any Group Member.

27.7 Rights and discretions

- (a) The Agent may:
 - (i) rely on any representation, communication, notice or document believed by it to be genuine, correct and appropriately authorised;

- (ii) assume that:
 - (A) any instructions received by it from the Majority Lenders, any Lenders or any group of Lenders are duly given in accordance with the terms of the Finance Documents; and
 - (B) unless it has received notice of revocation, that those instructions have not been revoked; and
- (iii) rely on a written statement from any person:
 - (A) as to any matter of fact or circumstance which might reasonably be expected to be within the knowledge of that person; or
 - (B) to the effect that such person approves of any particular dealing, transaction, step, action or thing,

as sufficient evidence that that is the case and, in the case of paragraph (A) above, may assume the truth and accuracy of that statement.
- (b) The Agent may assume (unless it has received notice to the contrary in its capacity as agent for the Lenders) that:
 - (i) no Default or Review Event has occurred (unless it has actual knowledge of a Default arising under Clause 23.1 (*Non-payment*));
 - (ii) any right, power, authority or discretion vested in any Party or any group of Lenders has not been exercised; and
 - (iii) any notice or request made by the Company (other than a Utilisation Request) is made on behalf of and with the consent and knowledge of all the Obligors.
- (c) The Agent may engage and pay for the advice or services of any lawyers, accountants, surveyors or other experts or professional advisers.
- (d) Without prejudice to the generality of paragraph (c) above or paragraph (e) below, the Agent may at any time engage and pay for the services of any lawyers to act as independent counsel to the Agent (and so separate from any lawyers instructed by the Lenders) if the Agent in its reasonable opinion deems this to be necessary.
- (e) The Agent may rely on the advice or services of any lawyers, accountants, tax advisers, surveyors or other professional advisers or experts (whether obtained by the Agent or by any other Party) and shall not be liable for any damages, costs or losses to any person, any diminution in value or any liability whatsoever arising as a result of its so relying.
- (f) The Agent may act in relation to the Finance Documents through its officers, employees, secondees and agents.

- (g) Unless a Finance Document expressly provides otherwise the Agent may disclose to any other Party any information it reasonably believes it has received as Agent under this Agreement.
- (h) Without limiting paragraph (g) above, the Agent may disclose the identity of a Defaulting Finance Party to the other Finance Parties and the Company and shall disclose it on the written request of the Company or the Majority Lenders.
- (i) Notwithstanding any other provision of any Finance Document to the contrary, neither the Agent nor the Arranger is obliged to do or omit to do anything if it would or might in its reasonable opinion constitute a breach of any law or regulation or a breach of a fiduciary duty or duty of confidentiality.
- (j) Notwithstanding any provision of any Finance Document to the contrary, the Agent is not obliged to expend or risk its own funds or otherwise incur any financial liability in the performance of its duties, obligations or responsibilities or the exercise of any right, power, authority or discretion if it has grounds for believing the repayment of such funds or adequate indemnity against, or security for, such risk or liability is not reasonably assured to it.
- (k) The Parties need not enquire whether any instructions from all or a percentage of Lenders or the Majority Lenders have been given to the Agent or as to the terms of those instructions. As between the other Parties on the one hand and the Agent and Lenders on the other, everything done by the Agent under or in relation to the Finance Documents will be taken to be authorised.
- (l) The Agent will only be deemed to have knowledge, actual awareness or notice of a thing, or grounds or reason to believe a thing, if the officers or employees of the Agent having day to day responsibility for the administration of the Agent's Obligations under the Finance Documents have actual notice, actual awareness or actual notice of that thing or reason to believe that thing.

27.8 Responsibility for documentation

Neither the Agent nor the Arranger is responsible or liable for:

- (a) the adequacy, accuracy or completeness of any information (whether oral or written) supplied by the Agent, the Arranger, an Obligor or any other person given in or in connection with any Finance Document or the transactions contemplated in the Finance Documents or any other agreement, arrangement or document; or
- (b) the legality, validity, effectiveness, adequacy or enforceability of any Finance Document or any other agreement, arrangement or document; or
- (c) any determination as to whether any information provided or to be provided to any Finance Party is non-public information the use of which may be regulated or prohibited by applicable law or regulation relating to insider dealing or otherwise.

27.9 No duty to monitor

The Agent shall not be bound to enquire:

- (a) whether or not any Default or Review Event has occurred;
- (b) as to credit or financial condition of any Party or the performance, default or any breach by any Party of its obligations under any Finance Document or any other agreement, arrangement or document;
- (c) whether any other event specified in any Finance Document has occurred; or
- (d) whether any Finance Document or any other document received by it is or contains a security interest under any PPS Law.

27.10 Exclusion of liability

- (a) Without limiting paragraph (b) below (and without prejudice to any other provision of any Finance Document excluding or limiting the liability of the Agent), the Agent will not be liable for:

- (i) any damages, costs or losses to any person, any diminution in value, or any liability whatsoever arising as a result of taking or not taking any action under or in connection with any Finance Document, unless directly caused by its gross negligence or Wilful Default;
- (ii) exercising, or not exercising, any right, power, authority or discretion given to it by, or in connection with, any Finance Document or any other agreement, arrangement or document entered into, made or executed in anticipation of, under or in connection with, any Finance Document, other than by reason of its gross negligence or Wilful Default; or
- (iii) without prejudice to the generality of paragraphs (i) and (ii) above, any damages, costs or losses to any person, any diminution in value or any liability whatsoever (including, without limitation, for negligence or any other category of liability whatsoever but not including any claim based on the fraud of the Agent) arising as a result of:

(A) any act, event or circumstance not reasonably within its control; or

(B) the general risks of investment in, or the holding of assets in, any jurisdiction,

including (in each case and without limitation) such damages, costs, losses to any person, any diminution in value or any liability arising as a result of: nationalisation, expropriation or other governmental actions; any regulation, currency restriction, devaluation or fluctuation; market conditions affecting the execution or settlement of transactions or the value of assets (including any Disruption Event); breakdown, failure or malfunction of any third party transport, telecommunications, computer services or systems; natural disasters

or acts of God; war, terrorism, insurrection or revolution; or strikes or industrial action.

- (b) No Party (other than the Agent) may take any proceedings against any officer, employee or agent of the Agent in respect of any claim it might have against the Agent or in respect of any act or omission of any kind by that officer, employee or agent in relation to any Finance Document and any officer, employee or agent of the Agent may rely on this Clause.
- (c) The Agent will not be liable for any delay (or any related consequences) in crediting an account with an amount required under the Finance Documents to be paid by the Agent if the Agent has taken all necessary steps as soon as reasonably practicable to comply with the regulations or operating procedures of any recognised clearing or settlement system used by the Agent for that purpose.
- (d) Nothing in this Agreement shall oblige the Agent or the Arranger to carry out:
 - (i) any "know your customer" or other checks in relation to any person; or
 - (ii) any check on the extent to which any transaction contemplated by this Agreement might be unlawful for any Lender or for any Affiliate of any Lender,on behalf of any Lender and each Lender confirms to the Agent and the Arranger that it is solely responsible for any such checks it is required to carry out and that it may not rely on any statement in relation to such checks made by the Agent or the Arranger.
- (e) Without prejudice to any provision of any Finance Document excluding or limiting the Agent's liability, any liability of the Agent arising under or in connection with any Finance Document shall be limited to the amount of actual loss which has been suffered (as determined by reference to the date of default of the Agent or, if later, the date on which the loss arises as a result of such default) but without reference to any special conditions or circumstances known to the Agent at any time which increase the amount of that loss. In no event shall the Agent be liable for any loss of profits, goodwill, reputation, business opportunity or anticipated saving, or for special, punitive, indirect or consequential damages, whether or not the Agent has been advised of the possibility of such loss or damages.

27.11 Calculations

Whenever the Agent is required to perform any calculation it may give to each party affected by that calculation a notice setting out the calculation. Each such party shall be taken to have accepted the calculation and the Agent shall have no liability to the relevant party in respect of that calculation to be incorrect by whichever is the later of:

- (a) noon, Sydney time, on the Business Day following the date on which it receives the relevant calculation; and

- (b) the time at which the Agent or any other person must act on the basis of the calculation or the calculation otherwise becomes binding under the Finance Documents.

If the Agent is required to determine or obtain a quotation of a rate (including for the purposes of the Agent's Spot Rate of Exchange) the Agent is under no obligation to ensure that the rate it relies upon is the best rate available from the Reference Bank or otherwise.

27.12 PPS Law

The Agent is not responsible for, and is not liable to any Party or other person for any loss, cost or expense in relation to:

- (a) taking, or failing to take, any action for the purposes of any PPS Law, whether for the benefit of all Lenders or any particular Lender, unless it is expressly instructed to do so by the Majority Lenders;
- (b) identifying, registering or perfecting under any PPS Law any security interest which may be constituted by or contained in any Finance Document or any other agreement, arrangement or document;
- (c) the priority of any security interest in relation to this agreement or any other Finance Document or any transaction in connection with a Finance Document under any PPS Law;
- (d) monitoring any PPS Law or the implementation of any PPS Law; or
- (e) without limiting the foregoing, identifying or perfecting under the PPS Law any security interest which may be created by an assignment or transfer under a Finance Document.

27.13 Lenders' indemnity to the Agent

- (a) Each Lender shall (in proportion to its share of the Total Commitments or, if the Total Commitments are then zero, to its share of the Total Commitments immediately prior to their reduction to zero) indemnify the Agent, within three Business Days of demand, against any cost, expense, loss or liability (including, without limitation, for negligence or any other category of liability whatsoever) incurred by the Agent (otherwise than by reason of the Agent's gross negligence or Wilful Default) (or, in the case of any cost, expense, loss or liability pursuant to Clause 30.11 (*Disruption to payment systems etc.*) notwithstanding the Agent's negligence, gross negligence or any other category of liability whatsoever but not including any claim based on the fraud of the Agent) in acting as Agent under the Finance Documents (unless the Agent has been reimbursed by an Obligor pursuant to a Finance Document).
- (b) A Lender's share will be the proportion of its share of the Total Commitments or, if the Total Commitments are then zero, its share of the Total Commitments immediately prior to their reduction to zero. Where a Lender's Commitment has been reduced to zero, but it has a participation in any outstanding Utilisations, then for this purpose its Commitment will be taken to be the aggregate amount of its participation (and the Total Commitments calculated accordingly).

- (c) If any Lender fails to pay its share of any amount due under paragraph (a) one or more other Lenders may pay all or part of that share to the Agent. In that case, the defaulting Lender must immediately pay each such paying Lender the amount paid by that paying Lender together with interest equal to the rate from time to time certified by the paying Lender to be its cost of funds plus a margin of 2% per annum, compounding monthly.
- (d) If any Lender fails to provide its share of security to the Agent when requested under Clause 27.7 (*Rights and discretions*) one or more other Lenders may provide all or part of that share on its behalf. Where that security is cash the non providing Lender must immediately pay each Lender that provided cash the amount provided by it together with interest equal to its cost of funds plus a margin of 2% per annum, compounding monthly.

27.14 Resignation of the Agent

- (a) The Agent may resign and appoint one of its Affiliates acting through an office in Australia as successor by giving notice to the Lenders and the Company.
- (b) Alternatively the Agent may resign by giving 30 days' notice to the Lenders and the Company, in which case the Majority Lenders (after consultation with the Company) may appoint a successor Agent.
- (c) If the Majority Lenders have not appointed a successor Agent in accordance with paragraph (b) above within 20 days after notice of resignation was given, the retiring Agent (after consultation with the Company) may appoint a successor Agent (acting through an office in the same time zone as Australia).
- (d) If the Agent wishes to resign because (acting reasonably) it has concluded that it is no longer appropriate for it to remain as agent and the Agent is entitled to appoint a successor Agent under paragraph (c) above, the Agent may (if it concludes (acting reasonably) that it is necessary to do so in order to persuade the proposed successor Agent to become a party to this Agreement as Agent) agree with the proposed successor Agent amendments to this Clause 27 and any other term of this Agreement dealing with the rights or obligations of the Agent consistent with then current market practice for the appointment and protection of agents of syndicated financing transactions together with any reasonable amendments to the agency fee payable under this Agreement which are consistent with the successor Agent's normal fee rates and those amendments will bind the Parties.
- (e) The retiring Agent shall, make available to the successor Agent such documents and records and provide such assistance as the successor Agent may reasonably request for the purposes of performing its functions as Agent under the Finance Documents. The Company shall, within three Business Days of demand, reimburse the retiring Agent for the amount of all costs and expenses (including legal fees) properly incurred by it in making available such documents and records and providing such assistance save for where the Agent is a Defaulting Finance Party.

- (f) The Agent's resignation notice shall only take effect upon the appointment of a successor.
- (g) Upon the appointment of a successor, the retiring Agent shall be discharged from any further obligation in respect of the Finance Documents (other than its obligations under paragraph (e) above) but shall remain entitled to the benefit of Clause 15.3 (*Indemnity to the Agent*) and this Clause 28 (and any agency fees for the account of the retiring Agent shall cease to accrue from (and shall be payable on) that date). Any successor and each of the other Parties shall have the same rights and obligations amongst themselves as they would have had if such successor had been an original Party.
- (h) After consultation with the Company, the Majority Lenders may, by notice to the Agent, require it to resign in accordance with paragraph (b) above. In this event, the Agent shall resign in accordance with paragraph (b) above (or, at any time the Agent is a Defaulting Finance Party, by giving any shorter notice determined by the Majority Lenders).
- (i) The Agent shall resign in accordance with paragraph (b) above (and, to the extent applicable, shall use reasonable endeavours to appoint a successor Agent pursuant to paragraph (c) above) if on or after the date which is three months before the earliest FATCA Application Date relating to any payment to the Agent under the Finance Documents, either:
 - (i) the Agent fails to respond to a request under Clause 13.7 (*FATCA Information*) and the Company or a Lender reasonably believes that the Agent will not be (or will have ceased to be) a FATCA Exempt Party on or after that FATCA Application Date;
 - (ii) the information supplied by the Agent pursuant to Clause 13.7 (*FATCA Information*) indicates that the Agent will not be (or will have ceased to be) a FATCA Exempt Party on or after that FATCA Application Date; or
 - (iii) the Agent notifies the Company and the Lenders that the Agent will not be (or will have ceased to be) a FATCA Exempt Party on or after that FATCA Application Date;

and (in each case) the Company or a Lender reasonably believes that a Party will be required to make a FATCA Deduction that would not be required if the Agent were a FATCA Exempt Party, and the Company or that Lender, by notice to the Agent, requires it to resign.

27.15 Confidentiality

- (a) In acting as agent for the Finance Parties, the Agent shall be regarded as acting through its agency division which shall be treated as a separate entity from any other of its divisions or departments.

- (b) If information is received by another division or department of the Agent, it may be treated as confidential to that division or department and the Agent shall not be deemed to have notice of it.

27.16 Relationship with the Lenders

- (a) The Agent may treat the person shown in its records as Lender at the opening of business (in the place of the Agent's principal office as notified to the Finance Parties from time to time) as the Lender acting through its Facility Office:
 - (i) entitled to or liable for any payment due under any Finance Document on that day; and
 - (ii) entitled to receive and act upon any notice, request, document or communication or make any decision or determination under any Finance Document made or delivered on that day,

unless it has received not less than five Business Days' prior notice from that Lender to the contrary in accordance with the terms of this Agreement.

- (b) Any Lender may by notice to the Agent appoint a person to receive on its behalf all notices, communications, information and documents to be made or despatched to that Lender under the Finance Documents. Such notice shall contain the address, fax number and electronic mail address and/or any other information required to enable the sending and receipt of information by that means (and, in each case, the department or officer, if any, for whose attention communication is to be made) and be treated as a notification of a substitute address, fax number, electronic mail address, department and officer by that Lender for the purposes of Clause 32.2 (*Addresses*) and the Agent shall be entitled to treat such person as the person entitled to receive all such notices, communications, information and documents as though that person were that Lender.
- (c) The Agent may rely on or receive instructions from any attorney acting on behalf of a Lender, or any person acting on behalf of a Lender whose title or acting title includes the word Manager, Head, Executive, Director or President or cognate expressions, or any secretary or director of a Lender.

27.17 Credit appraisal by the Lenders

Without affecting the responsibility of any Obligor for information supplied by it or on its behalf in connection with any Finance Document, each Lender confirms to the Agent and the Arranger that it has been, and will continue to be, solely responsible for making its own independent appraisal and investigation of all risks arising under or in connection with any Finance Document including but not limited to:

- (a) the financial condition, status and nature of each Group Member;
- (b) the legality, validity, priority, effectiveness, adequacy or enforceability of any Finance Document and any other agreement, arrangement or document;

- (c) whether that Lender has recourse, and the nature and extent of that recourse, against any Party or any of its respective assets under or in connection with any Finance Document, the transactions contemplated by the Finance Documents or any other agreement, arrangement or document; and
- (d) the adequacy, accuracy or completeness of any other information provided by the Agent, any Party or by any other person under or in connection with any Finance Document, the transactions contemplated by any Finance Documents or any other agreement, arrangement or document.

27.18 Role of Reference Banks

- (a) No Reference Bank is under any obligation to provide a quotation or any other information to the Agent.
- (b) No Reference Bank will be liable for any action taken by it under or in connection with any Finance Document, or for any Reference Bank Quotation, unless directly caused by its gross negligence or wilful misconduct.
- (c) No Party (other than the relevant Reference Bank) may take any proceedings against any officer, employee or agent of any Reference Bank in respect of any claim it may have against that Reference Bank or in respect of any act or omission of any kind by that officer, employee or agent in relation to any Finance Document, or to any Reference Bank Quotation.
- (d) Any officer, employee or agent of each Reference Bank may rely on this Clause. The Reference Bank holds the benefit of this Clause on trust for any such officer, employee or agent.

27.19 Third party Reference Banks

This Agreement constitutes an irrevocable offer by each Party to each Reference Bank, which accepts the offer by consenting to be a Reference Bank and providing a Reference Bank Quotation. It may rely on Clause 27.18 (*Role of Reference Banks*) and Clause 40 (*Confidentiality of Funding Rates and Reference Bank Quotations*).

27.20 Agent's management time

Any amount payable to the Agent under Clause 15.3 (*Indemnity to the Agent*), Clause 17 (*Costs and expenses*) and Clause 27.11 (*Lenders' indemnity to the Agent*) shall include the cost of utilising the Agent's management time or other resources and will be calculated on the basis of such reasonable daily or hourly rates as the Agent may notify to the Company and the Lenders, and is in addition to any fee paid or payable to the Agent under Clause 12 (*Fees*).

27.21 Deduction from amounts payable by the Agent

If any Party owes an amount to the Agent under the Finance Documents the Agent may, after giving notice to that Party, deduct an amount not exceeding that amount from any payment to that Party which the Agent would otherwise be obliged to make under the Finance Documents and apply the amount deducted in or towards satisfaction of the amount owed. For the purposes of the Finance Documents that Party shall be regarded as having received any amount so deducted.

28. CONDUCT OF BUSINESS BY THE FINANCE PARTIES

No provision of this Agreement will:

- (a) interfere with the right of any Finance Party to arrange its affairs (tax or otherwise) in whatever manner it thinks fit;
- (b) oblige any Finance Party to investigate or claim any credit, relief, remission or repayment available to it or the extent, order and manner of any claim; or
- (c) oblige any Finance Party to disclose any information relating to its affairs (tax or otherwise) or any computations in respect of Tax.

29. SHARING AMONG THE FINANCE PARTIES

29.1 Payments to Finance Parties

- (a) If a Finance Party (a "**Recovering Finance Party**") receives or recovers (including by combination of accounts or set off) any amount from an Obligor other than in accordance with Clause 30 (*Payment Mechanics*) and applies that amount to a payment due under the Finance Documents (other than a Hedging Agreement) then:
 - (i) the Recovering Finance Party shall, within three Business Days, notify details of the receipt or recovery to the Agent;
 - (ii) the Agent shall determine whether the receipt or recovery is in excess of the amount the Recovering Finance Party would have been paid had the receipt or recovery been received or made by the Agent and distributed in accordance with Clause 30 (*Payment Mechanics*), without taking account of any Tax which would be imposed on the Agent in relation to the receipt, recovery or distribution; and
 - (iii) the Recovering Finance Party shall, within three Business Days of demand by the Agent, pay to the Agent an amount (the "**Sharing Payment**") equal to such receipt or recovery less any amount which the Agent determines may be retained by the Recovering Finance Party as its share of any payment to be made, in accordance with Clause 30.6 (*Partial payments*).

29.2 Redistribution of payments

The Agent shall treat the Sharing Payment as if it had been paid by the relevant Obligor and distribute it between the Finance Parties (other than the Recovering Finance Party) (the "**Sharing Finance Parties**") in accordance with Clause 30.6 (*Partial payments*) towards the obligations of that Obligor to the Sharing Finance Parties.

29.3 Recovering Finance Party's rights

- (a) Unless paragraph (b) applies:
 - (i) the receipt or recovery referred to in Clause 29.1 (*Payments to Finance Parties*) will be taken to have been a payment for the account of the Agent and not to the Recovering Finance Party for its own account, and the liability of the relevant Obligor to the Recovering Finance Party will only be reduced to the extent of

any distribution retained by the Recovering Finance Party under Clause 29.1(a)(iii) (*Payments to Finance Parties*); and

- (ii) (without limiting sub-paragraph (i)) the relevant Obligor shall indemnify the Recovering Finance Party against a payment under Clause 29.1(a)(iii) (*Payments to Finance Parties*) to the extent that (despite sub-paragraph (i)) its liability has been discharged by the recovery or payment.

(b) Where:

- (i) the amount referred to in Clause 29.1 (*Payments to Finance Parties*) above was received or recovered otherwise than by payment (for example, set off); and
- (ii) the relevant Obligor, or the person from whom the receipt or recovery is made, is insolvent at the time of the receipt or recovery, or at the time of the payment to the Agent, or becomes insolvent as a result of the receipt or recovery,

then the following will apply so that the Finance Parties have the same rights and obligations as if the money had been paid by the relevant Obligor to the Agent for the account of the Finance Parties and distributed accordingly:

- (iii) each other Finance Party will assign to the Recovering Finance Party an amount of the debt owed by the relevant Obligor to that Finance Party under the Finance Documents equal to the amount received by that Finance Party under Clause 29.2 (*Redistribution of payments*);
- (iv) the Recovering Finance Party will be entitled to all rights (including interest and voting rights) under the Finance Documents in respect of the debt so assigned; and
- (v) that assignment will take effect automatically on payment of the Sharing Payment by the Agent to the other Finance Party.

29.4 Reversal of redistribution

If any part of the Sharing Payment received or recovered by a Recovering Finance Party becomes repayable and is repaid by that Recovering Finance Party, then:

- (a) each Sharing Finance Party shall, upon request of the Agent, pay to the Agent for the account of that Recovering Finance Party an amount equal to the appropriate part of its share of the Sharing Payment (together with an amount as is necessary to reimburse that Recovering Finance Party for its proportion of any interest on the Sharing Payment which that Recovering Finance Party is required to pay) (the "**Redistributed Amount**");
- (b) as between the relevant Obligor and each relevant Sharing Finance Party, an amount equal to the relevant Redistributed Amount will be treated as not having been paid by that Obligor and the relevant Obligor shall indemnify the Sharing Finance Party against a payment under sub-paragraph (a) to the extent that the relevant Obligor's liability has been discharged by the recovery or payment; and

- (c) to the extent necessary, any debt assigned under paragraph (b) of Clause 29.3 (Recovering Finance Party's rights) will be reassigned.

29.5 Exceptions

- (a) This Clause 29 shall not apply to the extent that the Recovering Finance Party would not, after making any payment pursuant to this Clause, have a valid and enforceable claim (or right of proof in an administration) against the relevant Obligor.
- (b) A Recovering Finance Party is not obliged to share with any other Finance Party any amount which the Recovering Finance Party has received or recovered as a result of taking legal or arbitration proceedings, if:
 - (i) it notified that other Finance Party of the legal or arbitration proceedings; and
 - (ii) that other Finance Party had an opportunity to participate in those legal or arbitration proceedings but did not do so as soon as reasonably practicable having received notice and did not take separate legal or arbitration proceedings.

SECTION 11 ADMINISTRATION

30. PAYMENT MECHANICS

30.1 Payments to the Agent

- (a) On each date on which an Obligor or a Lender is required to make a payment under a Finance Document, excluding a payment under the terms of a Hedging Agreement, that Obligor or Lender shall make the same available to the Agent (unless a contrary indication appears in a Finance Document) for value on the due date no later than 11.00am (Sydney time) in immediately available funds or if agreed by the Agent in such funds specified by the Agent as being customary at the time for settlement of transactions in the relevant currency in the place of payment.
- (b) Payment shall be made to such account:
 - (i) in the case of Australian dollars, at the city of the Agent; or
 - (ii) in the case of any other currency, in the principal financial centre of the country of that currency (or, in relation to euro, in a principal financial centre in a Participating Member State or London as specified by the Agent),with such bank as the Agent, in each case, specifies.
- (c) Payment by an Obligor to the Agent for the account of a Finance Party satisfies the Obligor's obligations to make that payment.

30.2 Distributions by the Agent

Each payment received by the Agent under the Finance Documents for another Party shall, subject to Clause 30.3 (*Distributions to an Obligor*) and Clause 30.4 (*Clawback and pre-funding*) be made available by the Agent as soon as practicable after receipt to the Party entitled to receive payment in accordance with this Agreement (in the case of a Lender, for the account of its Facility Office), to such account as that Party may notify to the Agent by not less than five Business Days' notice with a bank specified by that Party in Australia, in the case of Australian dollars, and, in the case of any other currency in the principal financial centre of the country of that currency (or, in relation to euro, in the principal financial centre of a Participating Member State or London, as specified by that Party).

30.3 Distributions to an Obligor

The Agent may (with the consent of the Obligor or in accordance with Clause 31 (*Set-off*)) apply any amount received by it for that Obligor in or towards payment (on the date and in the currency and funds of receipt) of any amount due from that Obligor under the Finance Documents or in or towards purchase of any amount of any currency to be so applied.

30.4 Clawback and pre-funding

- (a) Where a sum is to be paid by a Party (the Payer) to the Agent under the Finance Documents for another Party, the Agent is not obliged to pay that sum to that other Party (or to enter into or perform any related exchange contract) until it has been able to establish to its satisfaction that it has actually received that sum.

- (b) Unless paragraph (c) below applies, if the Agent pays an amount to another Party and it proves to be the case that the Agent had not actually received that amount, then the Party to whom that amount (or the proceeds of any related exchange contract) was paid by the Agent shall on demand refund the same to the Agent together with interest on that amount from the date of payment to the date of receipt by the Agent, calculated by the Agent to reflect its cost of funds.
- (c) If the Agent is willing to make available amounts for the account of a Borrower before receiving funds from the Lenders then if and to the extent that the Agent does so but it proves to be the case that it does not then receive funds from a Lender in respect of a sum which it paid to a Borrower:
 - (i) the Agent shall notify the Company of that Lender's identity and the Borrower to whom that sum was made available shall on demand refund it to the Agent; and
 - (ii) the Lender by whom those funds should have been made available or, if that Lender fails to do so, the Borrower to whom that sum was made available, shall on demand pay to the Agent the amount (as certified by the Agent) which will indemnify the Agent against any funding cost incurred by it as a result of paying out that sum before receiving those funds from that Lender.
- (d) The Payer will still remain liable to make the assumed payment, but until the other Party does repay the Agent under paragraph (b), the Payer's liability will be to the Agent in the Agent's own right.

30.5 Agent a Defaulting Finance Party

- (a) If, at any time, the Agent becomes Defaulting Finance Party, a Party which is required to make a payment under the Finance Documents to the Agent for the account of other Parties under Clause 30.1 (*Payments to the Agent*) may instead on the due date for payment either pay that amount direct to the required payee or pay that amount to an interest-bearing account held in the name of the payer and designated as a trust account for the benefit of the payee or payees with a bank rated at least A- by Standard & Poor's Rating Services or Fitch Ratings Ltd or A3 by Moody's Investors Services Limited or a comparable rating from an internationally recognised credit rating agency.
- (b) All interest accrued on the trust account will be for the benefit of the beneficiaries of that trust account pro rata to their respective entitlements.
- (c) A Party which has made a payment under paragraph (a) shall be discharged of the relevant payment obligation under the Finance Documents and shall not take any credit risk with respect to the amounts in the trust account.
- (d) Promptly upon the appointment of a successor Agent under Clause 27.14 (*Resignation of the Agent*), each Party which has made a payment to a trust account under paragraph (a) shall give all requisite instructions to the bank to transfer the

amount (together with any accrued interest) to the successor Agent for distribution under Clause 30.2 (*Distributions by the Agent*).

30.6 Partial payments

- (a) If the Agent receives a payment that is insufficient to discharge all the amounts then due and payable by an Obligor under the Finance Documents, the Agent shall apply that payment towards the obligations of that Obligor under the Finance Documents in the following order:
 - (i) first, in or towards payment pro rata of any amounts payable but unpaid in respect of fees, costs, expenses, losses or liabilities of the Agent or the Arranger under the Finance Documents or the Security Trustee under the Finance Documents;
 - (ii) secondly, in or towards payment pro rata of all amounts (including interest) payable by the Obligor to Lenders in respect of amounts or security paid or provided by the Lenders to the Agent in place of another Lender under Clause 27.13(c) or 27.13(d) (*Lenders' indemnity to the Agent*);
 - (iii) thirdly, in or towards payment pro rata of all amounts payable by the Obligor to Lenders in respect of amounts or security paid by the Lenders to the Agent under Clause 27.13(a) (*Lenders' indemnity to the Agent*) or Clause 27.2 (*Instructions*) plus interest on such amounts;
 - (iv) fourthly, in or towards payment pro rata of any accrued interest, fees or commission due but unpaid under the Finance Documents;
 - (v) fifthly, in or towards payment pro rata of any principal due but unpaid under those Finance Documents; and
 - (vi) sixthly, in or towards payment pro rata of any other sum due but unpaid under the Finance Documents.
- (b) The Agent shall, if so directed by all Lenders, vary the order set out in paragraphs (a)(ii) to (a)(vi) above inclusive.
- (c) Paragraphs (a) and (b) above will override any appropriation made by an Obligor.

30.7 No set-off by Obligors

All payments to be made by an Obligor under the Finance Documents shall be calculated and be made without (and free and clear of any deduction for) set-off or counterclaim.

30.8 Business Days

- (a) Any payment under the Finance Documents which is due to be made on a day that is not a Business Day shall be made on the next Business Day in the same calendar month (if there is one) or the preceding Business Day (if there is not).
- (b) During any extension of the due date for payment of any principal under this Agreement interest is payable on the principal at the rate payable on the original due date.

30.9 Currency of account

- (a) Subject to paragraphs (b) to (e) below, the Base Currency is the currency of account and payment for any sum due from an Obligor under any Finance Document.
- (b) A repayment or a prepayment of a Loan or a part of a Loan shall be made in the currency in which that Loan is denominated, pursuant to this Agreement, on its due date.
- (c) Each payment of interest shall be made in the currency in which the sum in respect of which the interest is payable was denominated, pursuant to this Agreement, when that interest accrued.
- (d) Each payment in respect of costs, expenses or Taxes shall be made in the currency in which the costs, expenses or Taxes are incurred.
- (e) Any amount expressed to be payable in a currency other than the Base Currency shall be paid in that other currency.

30.10 Change of currency

- (a) Unless otherwise prohibited by law, if more than one currency or currency unit are at the same time recognised by the central bank of any country as the lawful currency of that country, then:
 - (i) any reference in the Finance Documents to, and any obligations arising under the Finance Documents in, the currency of that country shall be translated into, or paid in, the currency or currency unit of that country designated by the Agent (after consultation with the Company); and
 - (ii) any translation from one currency or currency unit to another shall be at the official rate of exchange recognised by the central bank for the conversion of that currency or currency unit into the other, rounded up or down by the Agent (acting reasonably).
- (b) If a change in any currency of a country occurs, this Agreement will, to the extent the Agent (acting reasonably and after consultation with the Company) specifies to be necessary, be amended to comply with any generally accepted conventions and market practice in the Relevant Market and otherwise to reflect the change in currency.

30.11 Disruption to payment systems etc.

If either the Agent determines (in its discretion) that a Disruption Event has occurred or the Agent is notified by the Company that a Disruption Event has occurred:

- (a) the Agent may, and shall if requested to do so by the Company, consult with the Company with a view to agreeing with the Company such changes to the operation or administration of the Facilities as the Agent may deem necessary in the circumstances;

- (b) the Agent shall not be obliged to consult with the Company in relation to any changes mentioned in paragraph (a) above if, in its opinion, it is not practicable to do so in the circumstances and, in any event, shall have no obligation to agree to such changes;
- (c) the Agent may consult with the Finance Parties in relation to any changes mentioned in paragraph (a) above but shall not be obliged to do so if, in its opinion, it is not practicable to do so in the circumstances;
- (d) any such changes agreed upon by the Agent and the Company shall (whether or not it is finally determined that a Disruption Event has occurred) be binding upon the Parties as an amendment to (or, as the case may be, waiver of) the terms of the Finance Documents notwithstanding the provisions of Clause 36 (*Amendments and Waivers*);
- (e) the Agent shall not be liable for any damages, costs or losses to any person, any diminution in value or any liability whatsoever (including, without limitation for negligence, gross negligence or any other category of liability whatsoever but not including any claim based on the fraud of the Agent) arising as a result of its taking, or failing to take, any actions pursuant to or in connection with this Clause 30.11; and
- (f) the Agent shall notify the Finance Parties of all changes agreed pursuant to paragraph (d) above.

30.12 Anti-money laundering

- (a) A Finance Party may delay, block or refuse to process any payment or other transaction without incurring any liability if the Finance Party knows or reasonably suspects that the transaction or the application of its proceeds will:
 - (i) breach, or cause a Finance Party to breach, any applicable laws or regulations of any jurisdiction (including any sanctions); or
 - (ii) allow the imposition of any penalty on the Finance Party or its Affiliates under any such law or regulation,

including where the transaction or the application of its proceeds involves any entity or activity the subject of any applicable sanctions of any jurisdiction binding on the Finance Party or its Affiliate, or the direct or indirect proceeds of unlawful activity.
- (b) As soon as practicable after a Finance Party becomes aware that it will delay, block or refuse to process a transaction under paragraph (a), it will notify the Company and the Agent and consult in good faith but in each case only to the extent the Finance Party determines it is legally permitted to do so. In making that determination the Finance Party shall act reasonably.
- (c) The Company shall promptly advise the Agent if any Obligor enters into any Finance Document in the capacity as agent and promptly supply, or procure the supply of, such information as may be reasonably requested by the Agent (for itself or on behalf of any Finance Party) from time to time in relation to any principal for which an Obligor may be acting.

- (d) Each Obligor undertakes to exercise its rights and perform its obligations under the Finance Documents in accordance with all applicable laws or regulations relating to anti-money laundering, counter-terrorism financing or sanctions.

30.13 "Know your customer"

Each Lender shall promptly upon the request of the Agent supply, or procure the supply of, such documentation and other evidence as is reasonably requested by the Agent (for itself) in order for the Agent to carry out and be satisfied it has complied with all necessary "know your customer" or other similar checks under all applicable laws and regulations pursuant to the transactions contemplated in the Finance Documents.

31. SET-OFF

If a Default is continuing a Finance Party may, but need not, set off any matured obligation due from an Obligor under the Finance Documents (to the extent beneficially owned by that Finance Party) against any matured obligation owed by that Finance Party to that Obligor, regardless of the place of payment, booking branch or currency of either obligation. If the obligations are in different currencies, the Finance Party may convert either obligation at a market rate of exchange in its usual course of business for the purpose of the set-off.

32.6 Email communication

(a) Any communication or document under or in connection with the Finance Documents may be made by or attached to an email and will be effective or delivered only:

(i) when actually opened in legible format by the recipient Party;

(ii) in all other cases, on the first to occur of the following:

(A) when it is dispatched by the sender to each of the email addresses specified by the recipient, unless for each of the addresses, the sender receives an automatic notification that the e-mail has not been received

(other than an out of office greeting for the named addressee) and it receives the notification before 2 hours after the last to occur (for all addresses) of:

- (A) dispatch, if in business hours in the city of the address; or
 - (B) if not, the next opening of business in such city;
 - (B) the sender receiving a message from the intended recipient's information system confirming delivery of the email; and

Subsequently, the nominated email address for each Party for that website will be the address nominated by that Party to the secure website or by the Agent (who will notify the Party accordingly). The Agent is under no obligation to notify the secure website of any change in email address notified to it.

 - (e) Where a Finance Party has Powers in addition to, or existing separately from, those in Chapter 4 of the Australian PPSA or Part 9 of the NZ PPSA, those Powers will continue to apply and are not limited or excluded (or otherwise adversely affected) by the Australian PPSA or the NZ PPSA (as the case may be). This is despite any other provision of a Finance Document.
 - (f) If the PPS Law is amended to permit the Parties to agree not to comply with or to exclude other provisions of the PPS Law, the Agent may notify the Company and the Finance Parties that any of these provisions is excluded, or that the Finance Parties need not comply with any of these provisions.

39.2 Further assurances

Whenever the Agent reasonably requests an Obligor to do anything:

- (a) to ensure any Finance Document (or any security interest (as defined in the PPSA) or other Security under any Finance Document) is fully effective, enforceable and perfected with the contemplated priority;
- (b) for more satisfactorily assuring or securing to the Finance Parties the property the subject of any such security interest or other Security in a manner consistent with the Finance Documents; or
- (c) for aiding the exercise of any power in any Finance Document,

the Obligor shall do it promptly at its own cost. This may include obtaining consents, signing documents, getting documents completed and signed and supplying information, delivering documents and evidence of title and executed blank transfers, or otherwise giving possession or control with respect to any property the subject of any security interest or Security.

40. CONFIDENTIALITY OF FUNDING RATES AND REFERENCE BANK QUOTATIONS

40.1 Confidentiality and disclosure

- (a) The Agent and each Obligor agree to keep each Funding Rate (and, in the case of the Agent, each Reference Bank Quotation) confidential and not to disclose it to anyone, save to the extent permitted by paragraphs (b), (c) and (d) below.
- (b) The Agent may disclose:
 - (i) any Funding Rate (but not, for the avoidance of doubt, any Reference Bank Quotation) to the relevant Borrower pursuant to Clause 9.3 (*Notification of rates of interest*); and
 - (ii) any Funding Rate or any Reference Bank Quotation to any person appointed by it to provide administration services in respect of one or more of the Finance Documents to the extent necessary to enable such service provider to provide those services if the service provider to whom that information is to be given has entered into a confidentiality agreement substantially in the form of the LMA Master Confidentiality Undertaking for Use With Administration/Settlement Service Providers or such other form of confidentiality undertaking agreed between the Agent and the relevant Lender or Reference Bank, as the case may be.
- (c) The Agent may disclose any Funding Rate or any Reference Bank Quotation, and each Obligor may disclose any Funding Rate, to:
 - (i) any of its Affiliates and any of its or their officers, directors, employees, professional advisers, auditors, partners and Representatives if any person to whom that Funding Rate or Reference Bank Quotation is to be given pursuant to this paragraph (i) is informed in writing of its confidential nature and that it may be price-sensitive information except that there shall be no such requirement to so inform if the recipient is subject to professional obligations to maintain the confidentiality of that Funding Rate or Reference Bank Quotation or is otherwise bound by requirements of confidentiality in relation to it;
 - (ii) any person to whom information is required or requested to be disclosed by any court of competent jurisdiction or any governmental, banking, taxation or other regulatory authority or similar body, the rules of any relevant stock exchange or pursuant to any applicable law or regulation if the person to whom that Funding Rate or Reference Bank Quotation is to be given is informed in writing of its confidential nature and that it may be price-sensitive information except that there shall be no requirement to so inform if, in the opinion of the Agent or the relevant Obligor, as the case may be, it is not practicable to do so in the circumstances;
 - (iii) any person to whom information is required to be disclosed in connection with, and for the purposes of, any litigation, arbitration, administrative or other investigations, proceedings or disputes if the person to whom that Funding Rate

or Reference Bank Quotation is to be given is informed in writing of its confidential nature and that it may be price-sensitive information except that there shall be no requirement to so inform if, in the opinion of the Agent or the relevant Obligor, as the case may be, it is not practicable to do so in the circumstances; and

- (iv) any person with the consent of the relevant Lender or Reference Bank, as the case may be.
- (d) The Agent's obligations in this Clause 40 relating to Reference Bank Quotations are without prejudice to its obligations to make notifications under Clause 9.3 (*Notification of rates of interest*) provided that (other than pursuant to paragraph (b)(i) above) the Agent shall not include the details of any individual Reference Bank Quotation as part of any such notification.

40.2 Related obligations

- (a) The Agent and each Obligor acknowledge that each Funding Rate (and, in the case of the Agent, each Reference Bank Quotation) is or may be price-sensitive information and that its use may be regulated or prohibited by applicable legislation including securities law relating to insider dealing and market abuse and the Agent and each Obligor undertake not to use any Funding Rate or, in the case of the Agent, any Reference Bank Quotation for any unlawful purpose.
- (b) The Agent and each Obligor agree (to the extent permitted by law and regulation) to inform the relevant Lender or Reference Bank, as the case may be:
 - (i) of the circumstances of any disclosure made pursuant to Clause 40.1(c)(ii) (*Confidentiality and disclosure*) above except where such disclosure is made to any of the persons referred to in that paragraph during the ordinary course of its supervisory or regulatory function; and
 - (ii) upon becoming aware that any information has been disclosed in breach of this Clause 40.

40.3 No Event of Default

No Event of Default will occur under Clause 23.3 (*Other obligations*) by reason only of an Obligor's failure to comply with this Clause 40.

41. COUNTERPARTS

Each Finance Document may be executed in any number of counterparts, and this has the same effect as if the signatures on the counterparts were on a single copy of the Finance Document.

42. INDEMNITIES AND REIMBURSEMENT

All indemnities and reimbursement obligations (and any other payment obligations of any Obligor) in each Finance Document are continuing and survive termination of the Finance Document, repayment of the Utilisations and cancellation or expiry of the Commitments.

43. **ACKNOWLEDGEMENT**

Except as expressly set out in the Finance Documents none of the Asia Pacific Loan Market Association, the Finance Parties or any of their advisers have given any representation or warranty or other assurance to any Obligor in relation to the Finance Documents and the transactions they contemplate, including as to tax or other effects. The Obligors have not relied on any of them or on any conduct (including any recommendation) by any of them. The Obligors have obtained their own tax and legal advice.

The Code of Banking Practice does not apply to the Finance Documents and the transactions under them.

- (a) irrevocably appoints the Company as its agent for service of process in relation to any proceedings in connection with any Finance Document; and
- (b) agrees that failure by a process agent to notify the relevant Obligor of the process will not invalidate the proceedings concerned.
