1. For the purposes hereof, the term “**Warrant**” means the right of the Holder to purchase ● Shares pursuant to this Share Purchase Warrant Certificate. For the purposes of this Share Purchase Warrant Certificate, the term “**Shares**” means common shares in the capital of the Company; provided that in the event of a subdivision or consolidation

thereof or any other event or adjustment under paragraphs 10, 11, 12 or 13 hereof, or successive such subdivisions, consolidations or other events or adjustments, then subject to the adjustments, if any, having been made in accordance with the provisions of this Share Purchase Warrant Certificate, "**Shares**" shall thereafter mean the shares, other securities or other property resulting from such subdivision, consolidation or other event or adjustment.

2. All Share Purchase Warrant Certificates shall be signed by an officer of the Company holding office at the time of signing, or any successor or replacement person and notwithstanding any change in any of the persons holding said offices between the time of actual signing and the delivery of the Share Purchase Warrant Certificate and notwithstanding that such officer signing may not have held office at the date of the delivery of the Share Purchase Warrant Certificate, the Share Purchase Warrant Certificate so signed shall be valid and binding upon the Company.
3. The Warrant is exercisable by the Holder, in whole or in part, at the Exercise Price at any date or time on or before the Expiry Time.
4. All rights under this Share Purchase Warrant Certificate in respect of which the right of subscription and purchase therein provided for shall not theretofore have been exercised shall wholly cease and shall be wholly void and of no valid or binding effect after the Expiry Time.
5. The Warrant may be exercised from time to time by the delivery to the Company at its address set forth in paragraph 19 hereof before the Expiry Time, of a written notice in the form annexed hereto as Schedule "A" (an "**Exercise Notice**") stating the Holder's intention to exercise, in whole or in part, the Warrant and the number of Shares intended to be acquired by the Holder, and upon receipt by the Company of such notice, together with the aggregate purchase price to be paid in accordance with paragraph 6 hereof in respect of the number of Shares to be so acquired, the Company shall deliver to the Holder, at its address set out in the Exercise Notice, a certificate or certificates registered in the name of the Holder, representing such number of fully paid and non-assessable Shares as the Holder shall have then paid for.
6. Concurrently with an Exercise Notice delivered to the Company pursuant to paragraph 5 hereof, the Holder shall deliver to the Company a certified cheque, bank draft or money order in an amount equal to the price per Share multiplied by the number of Shares to be purchased.
7. The Holder shall not be obliged to purchase or pay for any Shares other than those Shares in respect of which the Holder has delivered an Exercise Notice as herein provided, nor shall the Company be obligated to issue any Shares other than those Shares in respect of which the Holder has delivered an Exercise Notice and paid the purchase price therefor as herein provided.
8. The holding of this Share Purchase Warrant Certificate shall not constitute the Holder a holder of Shares of the Company nor entitle the Holder to any right or interest in respect thereof except as herein expressly provided.

9. The Company covenants and agrees that any Shares purchased by the Holder pursuant to this Share Purchase Warrant Certificate, upon issuance, shall be fully paid and non-assessable and free and clear of all liens, charges and encumbrances, and that all consents, approvals and corporate proceedings shall be taken and obtained by the Company to duly allot and issue such Shares to the Holder as fully paid and non-assessable Shares, and the Company shall comply with all terms of applicable securities legislation in connection with the issuance of the Shares to the Holder. The Company further covenants and agrees that during the period within which the Warrant may be exercised by the Holder, the Company shall at all times have authorized and reserved a sufficient number of Shares to accommodate the exercise of the Warrant.
10. In the event of any subdivision of the Shares of the Company into a greater number of Shares, at any time following February 12, 2007 (the "**Effective Date**") and prior to the Expiry Time, the Company shall deliver to the Holder, at the time of any exercise thereafter of the Warrant, such greater number of fully paid and non-assessable Shares as would have resulted from such subdivision if the Warrant had been exercised prior to the date of such subdivision.
11. In the event of any consolidation of the Shares of the Company into a lesser number of Shares, at any time following the Effective Date and prior to the Expiry Time, the Company shall deliver to the Holder, at the time of any exercise thereafter of the Warrant, such lesser number of fully paid and non-assessable Shares as would have resulted from such consolidation if the Warrant had been exercised prior to the date of such consolidation.
12. In the event of any capital reorganization, reclassification or other change in the outstanding Shares of the Company or any arrangement, merger or amalgamation of the Company with or into any company, at any time following the Effective Date and prior to the Expiry Time, the Holder shall be entitled to receive upon any exercise thereafter of the Warrant, in lieu of the Shares previously purchasable and receivable upon the exercise of the Warrant, the kind and amount of shares and other securities and property receivable upon such capital reorganization, reclassification, change, arrangement, merger or amalgamation, which the holder of a number of Shares equal to the number of Shares previously purchasable and receivable upon the exercise of the Warrant would have received. The subdivision or consolidation of Shares at any time outstanding into a greater or lesser number of Shares shall not be deemed to be a capital reorganization or a reclassification of the capital of the Company for the purpose of this paragraph.
13. If, at any time following the Effective Date and prior to the Expiry Time, the Company pays any dividend or makes any distribution to its shareholders, whether by stock dividend or distribution of assets (other than cash dividends paid in the ordinary course of business), then the Company shall deliver to the Holder, at the time of any exercise thereafter of the Warrant, such number of Shares as is equal to the number of Shares issuable upon exercise of the Warrant before the record date or the effective date for such dividend or distribution multiplied by a fraction, the numerator of which is the number of Shares outstanding after completion of such dividend or distribution and the denominator of which is the number of Shares outstanding before the record date or effective date for such dividend, distribution or offering.

14. If (a) the Company intends to offer for subscription *pro rata* to all the holders of its Shares any additional shares of any class or intends to issue any other rights or warrants to all of such holders, (b) the Company intends to pay any dividend or make any distribution to its shareholders whether by stock dividend or otherwise (other than a cash distribution paid in the ordinary course of business), (c) there is a proposed reclassification or change of the Company's Shares or proposed amalgamation or merger of the Company with or into any other corporation, or a sale, transfer or other disposition of all or substantially all of the assets of the Company, or (d) there is a contemplated voluntary or involuntary dissolution, liquidation or winding-up of the Company, then, in each such case, the Company shall give notice to the Holder of the action proposed to be taken and the date on which (i) the books of the Company will close or a record will be taken for such dividend, distribution, subscription rights or other rights or warrants, or (ii) such reclassification, change, amalgamation, merger, sale, transfer or other disposition, dissolution, liquidation or winding-up will take place, as the case may be, which date shall in all cases be at least 10 days prior to the taking of such actions as are fixed and determined at the date on which such notice is given. A notice hereunder will specify the date on which it is given and the date as of which the holders of the Shares of record will participate in such subscription rights, other rights or warrants, dividends or distributions, or will be entitled to exchange their Shares for securities or other property deliverable upon such other disposition, dissolution, liquidation or winding-up, as the case may be. If no such record date is fixed by the resolution of the board of directors of the Company, the Company shall be deemed to have fixed as the record date therefor the date on which the action contemplated by the aforesaid notice is effected. Notice shall be given by the Company hereunder after regulatory approval for any such event has been obtained, if regulatory approval is required, and not less than 10 days prior to the record date or the date on which the Company's books are to be closed with respect thereto. If the Company sets a record date to take any action and thereafter and before the taking of such action abandons its plan to take such action, then no adjustment to the number of Shares issuable upon exercise of the Warrant pursuant to paragraphs 10, 11, 12 or 13 hereof, to the extent applicable, shall be required by reason of the setting of such record date.
15. On the happening of each and every such event set out in paragraphs 10, 11, 12 and 13 hereof, the applicable provisions of this Share Purchase Warrant Certificate, including the number of Shares issuable upon exercise of the Warrant, shall, *ipso facto*, be deemed to be amended accordingly and the Company shall take all necessary action so as to comply with such provisions as so amended. Any question that at any time or from time to time arises with respect to any adjustment to the number of Shares issuable upon exercise of the Warrant shall be conclusively determined by a firm of independent chartered accountants (who may be the Company's auditors) and shall be binding upon the Company and the Holder.
16. Subject as hereinafter provided, all or any of the rights conferred upon the Holder by the terms hereof may be enforced by the Holder by appropriate legal proceedings. No recourse under or upon any obligation, covenant or agreement contained herein shall be had against any shareholder or officer of the Company either directly or through the Company, it being expressly agreed and declared that the obligations under this Share Purchase Warrant Certificate are solely corporate obligations and that no personal liability whatever shall attach to or be incurred by the shareholders or officers of the Company or any of them in respect thereof, any and all rights and claims against every

such shareholder or officer being hereby expressly waived as a condition of and as a consideration for the issue of this Share Purchase Warrant Certificate.

17. The Holder may subscribe for and purchase any lesser number of Shares than the number of Shares expressed in this Share Purchase Warrant Certificate. In the case of any subscription for a lesser number of Shares than expressed in this Share Purchase Warrant Certificate, the Holder shall be entitled to receive, at no cost to the Holder, a new Share Purchase Warrant Certificate in respect of the balance of the Warrant not then exercised. Such new Share Purchase Warrant Certificate shall be mailed to the Holder by the Company or, at its direction, the transfer agent of the Company contemporaneously with the mailing of the certificate or certificates representing the Shares issued pursuant to the exercise of the Warrant in accordance with paragraph 5 hereof. No fractional Shares will be issued upon exercise of the Warrants. If any fractional interest in a Share would, except for this paragraph, be deliverable upon the exercise of a Purchase Warrant, the Company shall make a cash payment equal to the fair value of the fraction of a Share not so issued as determined by the average of the twenty (20) day weighted average trading price of the Shares on any stock exchange on which the Shares may be listed, from time to time.
18. If any Share Purchase Warrant Certificate becomes stolen, lost, mutilated or destroyed, the Company shall, on such terms as it may in its discretion acting reasonably impose, issue and sign a new Share Purchase Warrant Certificate of like denomination, tenor and date as the Share Purchase Warrant Certificates so stolen, lost, mutilated or destroyed for delivery to the Holder.
19. Any notice, direction or other communication required or permitted to be given under this Warrant shall be in writing and may be given by the delivery of the same or by mailing the same (first class postage prepaid) or by sending the same by facsimile transfer or other similar form of telecommunication, in each case addressed as follows:
