Stock Purchase Agreement

Effective March 30, 2009 (this “Agreement”) Eworld Interactive, Inc., (the “Seller” or “EWIN”) entered into a Stock Purchase Agreement with Blue Atelier, Inc., a Nevada corporation (the “Buyer”).

Pursuant to the Agreement, the Buyer will acquire twenty five million (25,000,000) newly authorized and issued shares of EWIN Common Stock, to be issued after the Seller executes a forty (40) to one (1) reverse split of the presently issued and outstanding EWIN Common Stock; in exchange for Two Hundred Fifty Thousand Dollars (\$250,000). The Seller shall resolve the outstanding debt with the creditors to a residual amount not to exceed \$100,000. The Seller may use post reverse split common equity to settle the obligations at closing, provided that those new issuances in aggregate are less than 20% of the total issued and outstanding equity upon closing.

The agreement also provides that the Buyer shall make available, a non-interest bearing loan of up to Two Hundred Fifty Thousand Dollars (\$250,000) to the Company prior to closing. The Seller shall use the proceeds exclusively for costs and fees required to maintain the full reporting status of EWIN and quotation of its common stock on the OTC.BB. The cash advances shall also be used to complete the tasks required to complete the transaction or other purposes expressly approved by the Buyer. The Seller further agrees to pledge Ten Million (10,000,000) pre-reverse split common shares of EWIN as collateral to secure any and all advances made prior to closing. In the event that the Seller is unable or chooses not to or has not completed tasks required to complete the transaction within 90 days (with the exception of any delays caused by regulatory agencies), the associated equity collateral shall be forfeit in proportion to the advances toward the maximum loan amount and the balance outstanding shall become an obligation due on demand and accruing interest at a rate of 10% per year.
