your disclosure that you pay your Manager a quarterly management fee and your Manager uses the proceeds from the management fee, in part, to pay compensation to your chief executive officer. In the footnote disclosure to your summary compensation table please quantify the management fees incurred for each fiscal year represented and provide a cross reference to the description of the arrangements with your Manager provided under Certain Relationships and Related Party Transactions on pages 23-24.

We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filings to be certain that the filings include the information the Securities Exchange Act of 1934 and all applicable Exchange Act rules require. Since the company and its management are in possession of all facts relating to a company's disclosure, they are responsible for the accuracy and adequacy of the disclosures they have made.

In responding to our comments, please provide a written statement from the company acknowledging that:

- the company is responsible for the adequacy and accuracy of the disclosure in the filings;
- staff comments or changes to disclosure in response to staff comments do not foreclose the Commission from taking any action with respect to the filings; and
- the company may not assert staff comments as a defense in any proceeding initiated by the Commission or any person under the federal securities laws of the United States.

You may contact Joseph Cascarano, Staff Accountant, at 202-551-3376 or Carlos Pacho, Senior Assistant Chief Accountant, at 202-551-3835 if you have questions regarding the financial statements and related matters.
