Dear Mr. Choate:

We have reviewed your filing and have the following comments. In some of our comments, we may ask you to provide us with information so we may better understand your disclosure.

Please respond to this letter within ten business days by amending your filing, by providing the requested information, or by advising us when you will provide the requested response. Item 1122 of Regulation AB. Compliance With Applicable Servicing Criteria, page 7

1. We are unable to confirm whether the identified material instances of noncompliance with the servicing criterion in Items 1122(d)(3)(i)(B) and 1122(d)(3)(ii) of Regulation AB that are identified in Wells Fargo's Assessment of Compliance With Applicable Servicing are relevant to the transaction covered by the Form 10-K. Therefore, please tell us, with a view towards disclosure, whether the identified material instances of noncompliance in Wells Fargo's Assessment of Compliance With Applicable Servicing Criteria are relevant to the transaction covered by the Form 10-K. Finally, please tell us what consideration you have given to including a sentence in the body of your Form 10-K indicating whether or not any identified material instance of noncompliance disclosed in any party's report relates to the servicing criteria applicable to such party for the transaction covered by the Form 10-K.

Exhibits to Form 10-K

Exhibit 31

2. We note your certification does not follow the specific form and content provided in Item 601(b)(31)(ii) of Regulation S-K. For example, the certification includes introductory language not set forth in Item 601(b)(31)(ii). We also note that paragraph four of your certification omits certain language otherwise set forth in Item 601(b)(31)(ii). Please confirm that, in future filings, the certification you file will follow the specific form and content of Item 601(b)(31)(ii).

Exhibit 33 and Exhibit 34

3. We note that AmeriCredit Financial Services, Inc. and General Motors Financial of Canada, Ltd. are parties identified as participating in the servicing function; however, the Form 10-K does not include their reports on their assessment of compliance with the servicing criteria applicable to each of them. Further, the Form 10-K does not include a registered public accounting firm's attestation report on each of these parties assessment of compliance with applicable servicing criteria. See Items 1122(a)-(b) of Regulation AB. We also note that GM Financial Company, Inc. has provided its Management's Assertion Regarding Compliance with Applicable Servicing Criteria as Exhibit 33.1, but it is not clear what role GM Financial Company, Inc. plays in the servicing function. Please amend the Form 10-K to provide reports from AmeriCredit Financial Services, Inc. and General Motors Financial of Canada, Ltd. and any other party participating in the servicing function regarding their assessment of compliance with servicing criteria applicable to each of them and a corresponding attestation report from an independent accountant regarding each of these entities' assessment, or tell us why an amendment is not necessary.

Exhibit 35

4. We note that you identify General Motors Financial of Canada, Ltd. as an affiliated servicer and that the Form 10-K does not include a servicer compliance statement from this servicer. Please amend the Form 10-K to provide a servicer compliance statement from General Motors Financial of Canada, Ltd. in its capacity as an affiliated servicer, or tell us why an amendment is not necessary. Please refer to the instruction to Item 1123 of Regulation AB.
