Description of the Notes

Determination of SOFR, page 107

2. Your bracketed disclosure describing the determination of SOFR indicates that the benchmark rate for the floating rate notes will be either "30-day average SOFR" or "SOFR in arrears." However, references to SOFR elsewhere in your form of prospectus and in your exhibits refer only to "30-day average SOFR." Please revise your form of prospectus as appropriate to resolve this discrepancy.

We remind you that the company and its management are responsible for the accuracy and adequacy of their disclosures, notwithstanding any review, comments, action or absence of action by the staff.

Refer to Rules 460 and 461 regarding requests for acceleration. Please allow adequate time for us to review any amendment prior to the requested effective date of the registration statement.

You may contact Arthur Sandel at 202-551-3262 or Benjamin Meeks at 202-551-7146 if you have any questions.

Sincerely,
