INFORMATION CIRCULAR

(as at February 8, 2010, unless indicated otherwise)

SOLICITATION OF PROXIES

This Information Circular is furnished in connection with the solicitation of proxies by the management of Pediment Gold Corp. (the "Company") for use at the Annual General Meeting of Shareholders of the Company to be held on Thursday, March 18, 2010 (the "Meeting") and any adjournment thereof at the time and place and for the purposes set forth in the accompanying Notice of Meeting. While it is expected that the solicitation will be primarily by mail, proxies may be solicited personally or by telephone by the directors and regular employees of the Company. All costs of solicitation will be borne by the Company.

These security holder materials are being sent to both registered and non-registered owners of the securities. If you are a non-registered owner, and the Company or its agent has sent these materials directly to you, your name and address and information about your holdings of securities, have been obtained in accordance with applicable securities regulatory requirements from the Intermediary (as defined below) holding on your behalf. By choosing to send these materials to you directly, the Company (and not the Intermediary holding on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions. (For further information relating to non-registered owners, see the discussion below under "INFORMATION FOR NON-REGISTERED (BENEFICIAL) OWNERS OF SHARES".)

APPOINTMENT AND REVOCATION OF PROXIES

The individuals named in the accompanying form of proxy are the President and the Secretary of the Company. **A SHAREHOLDER WISHING TO APPOINT SOME OTHER PERSON (WHO NEED NOT BE A SHAREHOLDER) TO REPRESENT HIM AT THE MEETING HAS THE RIGHT TO DO SO, EITHER BY INSERTING SUCH PERSON'S NAME IN THE BLANK SPACE PROVIDED IN THE FORM OF PROXY AND STRIKING OUT THE TWO PRINTED NAMES OR BY COMPLETING ANOTHER FORM OF PROXY.** To be valid, a proxy must be in writing and executed by the shareholder or its attorney authorized in writing, unless the shareholder chooses to complete the proxy by telephone or the internet as described in the enclosed proxy form. Completed proxies must be received by Computershare Trust Company of Canada, Proxy Department, 100 University Avenue, 9th Floor, Toronto, Ontario, M5J 2Y1, not less than 48 hours (excluding Saturdays, Sundays and holidays) before the time for holding the Meeting or any adjournment thereof, or delivered to the Chairman of the Meeting prior to the commencement of the Meeting or an adjourned meeting.

A shareholder who has given a proxy may revoke it by an instrument in writing executed by the shareholder or by his attorney authorized in writing or, where the shareholder is a corporation, by a duly authorized officer or attorney of the corporation, and delivered either to the registered office of the Company, 3000 – 1055 West Georgia Street, Vancouver, British Columbia, V6E 3R3, at any time up to and including the last business day preceding the day of the Meeting, or if adjourned, any reconvening thereof, or to the Chairman of the Meeting on the day of the Meeting or, if adjourned, any reconvening thereof or in any other manner provided by law. A revocation of a proxy does not affect any matter on which a vote has been taken prior to the revocation.

INFORMATION FOR NON-REGISTERED (BENEFICIAL) OWNERS OF SHARES

The shares owned by many shareholders of the Company are not registered on the records of the Company in the beneficial shareholders' own names. Rather, such shares are registered in the name of a securities dealer, bank or other intermediary, or in the name of a clearing agency (referred to in this Information Circular as "Intermediaries"). Shareholders who do not hold their shares in their own names (referred to in this Information Circular as "non-registered owners") should note that **only registered shareholders or duly appointed proxyholders are permitted to vote at the Meeting. A non-registered owner cannot be recognized at the Meeting for the purpose of voting his shares unless such holder is appointed by the applicable Intermediary as a proxyholder.**

Non-registered owners who have not objected to their Intermediary disclosing certain ownership information about themselves to the Company are referred to as "NOBO's". Those non-registered owners who have objected to their Intermediary disclosing ownership information about themselves to the Company are referred to as "OBO's".

In accordance with applicable securities regulatory policy (National Instrument 54-101 of the Canadian Securities Administrators), the Company has elected to seek voting instructions directly from NOBO's. The Intermediaries (or their service companies) are responsible for forwarding this Information Circular and other Meeting Materials to each OBO, unless the OBO has waived the right to receive them.

Meeting Materials sent to non-registered owners who have not waived the right to receive Meeting Materials are accompanied by a request for voting instructions (a "VIF"). This form is provided instead of a proxy. By returning the VIF in accordance with the instructions noted on it, a non-registered owner is able to instruct the registered shareholder how to vote on behalf of the non-registered owner. VIF's, whether provided by the Company or by an Intermediary, should be completed and returned in accordance with the specific instructions noted on the VIF.

In either case, the purpose of this procedure is to permit non-registered owners to direct the voting of the shares which they beneficially own. If a non-registered owner who receives a VIF wishes to attend the Meeting or have someone else attend on his behalf, then the non-registered owner may request a legal proxy as set forth in the VIF, which will grant the non-registered owner or his nominee the right to attend and vote at the Meeting.

IF YOU ARE A NON-REGISTERED OWNER AND WISH TO VOTE IN PERSON AT THE MEETING, PLEASE REFER TO THE INSTRUCTIONS SET OUT ON THE "REQUEST FOR VOTING INSTRUCTIONS" (VIF) THAT ACCOMPANIES THIS INFORMATION CIRCULAR.

EXERCISE OF DISCRETION

Shares represented by proxy are entitled to be voted on a show of hands or any poll and, where a choice with respect to any matter to be acted upon has been specified in the form of proxy, the shares will be voted or withheld from voting in accordance with the specification so made.

SUCH SHARES WILL BE VOTED FOR EACH MATTER FOR WHICH NO CHOICE HAS BEEN SPECIFIED BY THE SHAREHOLDER.

The enclosed form of proxy when properly completed and delivered and not revoked confers discretionary authority upon the person appointed proxy thereunder to vote with respect to amendments or variations of matters identified in the Notice of Meeting, and with respect to other matters which may properly come before the Meeting. In the event that amendments or variations to matters identified in the Notice of Meeting are properly brought before the Meeting or any further or other business is properly brought before the Meeting, it is the intention of the persons designated in the enclosed form of proxy to vote in accordance with their best judgment on such matters or business. At the time of the printing of this Information Circular, the management of the Company knows of no such amendment, variation or other matter which may be presented to the Meeting.

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

As at the date hereof, the Company has issued and outstanding 47,443,329 fully paid and non-assessable common shares, each share carrying the right to one vote. **THE COMPANY HAS NO OTHER CLASSES OF VOTING SECURITIES.**

Any Shareholder of record at the close of business on February 8, 2010 who either personally attends the Meeting or who has completed and delivered a form of proxy in the manner and subject to the provisions described above shall be entitled to vote or to have his shares voted at the Meeting.

To the knowledge of the directors and executive officers of the Company, there are no persons or companies who beneficially own, or control or direct, directly or indirectly, shares carrying 10% or more of the voting rights attached to all outstanding shares of the Company.

The Board of Directors presently consists of eight directors and it is intended to determine the number of directors at seven and to elect seven directors for the ensuing year.

Gary Freeman

In May 2006, management of Peterborough Capital Corp. ("Peterborough") applied to the British Columbia Securities Commission (the "BCSC") for, and the BCSC issued on May 2, 2006, a management cease trade order as part of a voluntary process where specific insiders and management are subject to a cease trade order pursuant to CSA Staff Notice 57-301 as a result of the delay in filing of Peterborough's audited financial statements for the year ended December 31, 2005. On May 19, 2006, the Alberta Securities Commission issued a similar management cease trade order, which expired on July 10, 2006. EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Compensation Discussion and Analysis

The Company's compensation practices are designed to be competitive with comparable companies in the industry and to recognize and reward executive performance consistent with the success of the Company. The Compensation Committee works to ensure that the Company's compensation objectives, as applied to the actual compensation paid to the Chief Executive Officer, and the other executive officers, are aligned with the Company's overall business objectives and with shareholder interests. The Compensation Committee of the Company is responsible for determining the compensation, including grants of equity-based compensation, to be paid to the President, directors and officers of the Company, and for reviewing the President's recommendations respecting the compensation of consultants to the Company to ensure such compensation reflects the responsibilities and risks associated with each position.

When determining the compensation of the management team, the Compensation Committee considers, among other things: (i) providing fair and competitive compensation compared to remuneration paid by other reporting issuers similarly placed within the same business as the Company; (ii) balancing the interests of management and the shareholders of the Company; and (iii) rewarding performance with respect to operations in general.

In order to achieve these objectives, the Compensation Committee considers the following factors when determining the compensation paid to management: (i) remuneration for services performed for the benefit of the Company; (ii) consulting fees for services rendered in respect of their duties as part of management; and (iii) long term incentive in the form of stock options. When reviewing the compensation of consultants to the Company, the directors of the Company as a whole consider how individuals are critical to the growth and success of the Company.

The Compensation Committee reviews and recommends salary and benefit levels for the executives to the Board of Directors. The Board of Directors makes the final determination regarding the Company's compensation practices.

Performance Graph

The following performance graph illustrates the Company's four year (to September 30, 2009) cumulative total shareholder return (assuming reinvestment of dividends, if any, on each dividend payment date) on a \$100 investment in the Company's shares on October 4, 2005, the day the Company began trading on

the TSX Venture Exchange, compared to the return on a comparable investment on the S&P/TSX Composite Index. The share trading data is as reported by the TSX.

Since October 12, 2005, the Company's share price has seen an increased high of 380%, with a cumulative increase of 40% as at September 30, 2009. Over the same time period, the Company has increased certain NEO's salaries to align them with executive salaries within their peer group, and to properly compensate increased responsibilities, while still reflecting appropriate and reasonable compensation compared to the Company's market capitalization.

A portion of NEO compensation is in the form of stock options which is directly linked to the Company's share price. Some stock options have been exercised and issued throughout the four year period that the Company has been listed for trading, with certain in-the-money NEO stock options remaining unexercised as at September 30, 2009 (see *Outstanding Share-Based Awards and Option-Based Awards* below).

Termination and Change of Control Benefits

The Company recognizes the valuable services that the NEOs provide to the Company and the importance of the continued focus of the NEOs in the event of a possible change of control. Because a change of control could give rise to the possibility that the employment of an NEO would be terminated without cause or adversely modified, the board of directors of the Company determined that it would be in the best interests of the Company to ensure that any distraction or anxiety associated with a possible change of control be alleviated by ensuring that, in the event of a change of control, each NEO would have the rights set out below.

Consulting Agreement with GF Consulting Corp. ("GFCC") AND Gary Freeman

Gary Freeman, the President, Chief Executive Officer and a director of the Company, has been engaged under consulting agreements between GFCC, a company owned 100% by Mr. Freeman, and the Company since April 2005. On January 1, 2008, a consulting agreement was put in place which paid Mr. Freeman \$20,000 plus GST per month and provided for stock options to be granted as determined by the board up to a maximum allotment of 600,000 at any time. On January 1, 2009, a new consulting agreement (the "GFCC Agreement") was put in place, which pays Mr. Freeman \$20,000 plus GST per month and provides for stock options to be granted as determined by the board up to a maximum allotment of 700,000 at any time. The GFCC Agreement is for a period of two years expiring on December 31, 2011 and may be amended from time to time as determined by the Compensation Committee and the Board of Directors.

The GFCC Agreement may be terminated: (i) by GFCC, at any time, for any reason, without cause or entitlement to any further compensation, upon 60 days' written notice to the Company; (ii) by either party for cause, at any time without entitlement to any further compensation, in the event of a failure by the other party to comply with any of the provisions of the GFCC Agreement, where such failure has been communicated to the other party and a reasonable opportunity to cure the failure has been provided, or in the case of termination by the Company, the death or incapacity of Mr. Freeman or conduct by GFCC including but not limited to a persistent failure to follow the directions of the Board or any act of gross negligence or wilful misconduct; (iii) by the Company, at any time, without cause or reason, by written notice to GFCC; and (iv) upon the death of Mr. Freeman.

If the Company terminates the GFCC Agreement without cause or reason, the Company will pay GFCC for the fees due to GFCC for the twelve months following the termination of the GFCC Agreement (CDN\$240,000 + GST), or the remainder of the term, whichever is less, within ten business days from the date of the termination notice. In the event that during the term of the GFCC Agreement there is a successful take over bid of the Company or a change of control in the Company resulting from a merger by way of an amalgamation or plan of arrangement or if any shareholder acquires in excess of 50% of the common shares of the Company, then GFCC at any time within 120 days of such event will be entitled to terminate the GFCC Agreement and to receive the aggregate cash compensation equivalent to CDN\$480,000 (being two years payment of the cash compensation per the GFCC Agreement).

The GFCC Agreement was considered and approved by the independent directors of the Board.

In addition, any options held by Mr. Freeman on the date of termination will be exercisable until the earlier of one year following such date and expiry of the option term.

Employment Agreement with Melvin Herdrick

Melvin Herdrick, the Vice-President, Exploration of the Company, was originally engaged with the Company under consulting agreements beginning in May 2006. On January 1, 2008, a consulting agreement was entered into between Mr. Herdrick and the Company. Under that agreement, Mr. Herdrick was paid US\$15,000 per month and the agreement provided for stock options as determined by the Board of Directors. On March 1, 2009, an employment agreement (the "Herdrick Agreement") was entered into between Mr. Herdrick, Compania Minera Pitalla S.A. de C.V. (the Company's wholly-owned subsidiary) (the "Subsidiary") and the Company. Under the Herdrick agreement, Mr. Herdrick is paid the equivalent of CDN\$15,000 per month from the Subsidiary and provides for the grant of stock options as determined by the Board of Directors.

The Herdrick Agreement may be terminated: (i) by Mr. Herdrick, at any time, for any reason, without entitlement to any further compensation, upon Mr. Herdrick providing 30 days' written notice to the Company; (ii) by the Company, for just cause, at any time and without entitlement to any further compensation with the exception that Mr. Herdrick will be entitled to all salary payable for services provided by him up to the date of termination; (iii) by either the Company or Mr. Herdrick, at any time and

without entitlement to any further compensation in the event of a failure by the other party to comply with any of the provisions of the Herdick Agreement, where such failure has been communicated to the other party and a reasonable opportunity to cure the failure has been provided, including, without limitation a persistent failure by Mr. Herdick to follow the directions of the President of the Company or any act of gross negligence or wilful misconduct; and (iv) by the Company, at any time, without just cause, by providing written notice to Mr. Herdick.

If the Company terminates the Herdick Agreement without just cause (as defined in the Herdick Agreement), the Company will pay Mr. Herdick for the fees due to Mr. Herdick for the three months following the termination of the Herdick Agreement, or the remainder of the term, whichever is less, within ten business days from the date of termination. In the event that during the term of the Herdick Agreement there is a successful take over bid of the Company or a change of control in the Company resulting from a merger by way of an amalgamation or plan of arrangement or if any shareholder acquires in excess of 50% of the common shares of the Company, then Mr. Herdick at any time within 120 days of such event will be entitled to terminate the Herdick Agreement and to receive the aggregate cash compensation equivalent to CDN\$90,000 (being six months payment of the cash compensation per the Herdick Agreement).

The Herdick Agreement was considered and approved by the independent directors of the board.

In addition, any options held by Mr. Herdick on the date of termination will be exercisable until the earlier of one year following such date and expiry of the option term.

Share Option Plan

The Company has in place a Share Option Plan (the "Plan") pursuant to which the Board of Directors may grant options to eligible participants to purchase common shares of the Company on such terms as they may determine, subject to any restrictions set out in the Plan. The key features of the Plan are as follows:

- (a) the eligible participants are directors, officers, employees, management company employees and consultants of the Company or any affiliate (the "Service Providers"), and also includes a company, of which 100% of the share capital is beneficially owned by one or more Service Providers;
- (b) the maximum aggregate number of common shares that may be made subject to issuance under options granted under the Plan is equal to 10% of the outstanding shares at the time of the option grant, less the aggregate number of outstanding options;
- (c) there are currently outstanding options to purchase an aggregate of 3,942,500 common shares (8.3% of the issued capital) and there are 801,832 options available for grant (1.7% of the issued capital);
- (d) the aggregate number of common shares that may be issued to insiders pursuant to options granted under the Plan and under any other share compensation arrangement within any one-year period must not exceed 10% of the outstanding shares;
- (e) the directors determine the exercise price of each option at the time such option is allocated under the Plan, and cannot be less than the most recent closing market price of the Company's common shares on the TSX at the time such option is granted;

- (f) the term of each option is also determined by the directors at the date of grant which, in no case, can exceed ten years;
 - (g) the options may be subject to vesting provisions at the discretion of the directors;
 - (h) options may terminate prior to expiry of the option term in the following circumstances:
 - (i) on death of an optionee, options held as at the date of death are exercisable until the earlier of one year from such date and expiry of the option term;
 - (ii) if an optionee is dismissed from employment or service for cause, the options held by such optionee, whether or not vested as at the date of dismissal, will terminate immediately on the date the optionee ceased to be a director, officer, employee, management company employee or consultant, and such optionee may not exercise such options after such date; and
 - (iii) if an optionee ceases to be a director, officer, employee, management company employee or consultant for any reason other than cause or death, options held on the date of cessation are exercisable until the earlier of one year following such date and expiry of the option term, except as otherwise expressly approved by the Board for the specific option commitment in question, and in each case only to the extent that such optionee was vested in the option at such date.
 - (i) a change in the status of a participant's relationship with the Company will not affect such participant's then-existing options, provided that the participant has not ceased to be a Service Provider;
 - (j) options and rights related thereto held by an optionee are not assignable except on death of the optionee;
 - (k) subject to the exceptions noted below, the board of directors may amend the Plan or any option at any time in its absolute discretion without shareholder approval to:
 - (i) amend, suspend, terminate or discontinue the Plan or the terms of any option granted under the Plan, or revoke or alter any action taken in connection therewith, except that no general amendment or suspension of the Plan will, without the written consent of all optionees, impair the rights and entitlements of any optionee pursuant to a then-outstanding option; and
 - (ii) in its sole discretion, amend the Plan (except for previously granted and outstanding options) to reduce the benefits that may be granted to optionees (before a particular option is granted) subject to the other terms in the Plan.
- Other than as listed above, any amendment to the Plan will require shareholder approval. In addition, any reduction in the exercise price of option held by an insider or any extension of the term of an option held by an insider will require disinterested shareholder approval;
- (l) the Plan does not provide for any financial assistance to be provided to participants to facilitate the purchase of shares pursuant to options granted under the Plan, nor it is the policy of the Company to provide such assistance outside of the Plan; and
 - (m) if an option expires:
 - (i) within a self imposed black out period, the expiry date will be a date which is ten business days after expiry of the black out period; or

- (ii) immediately following a self imposed black out period, the expiry date will be a date which is ten business days after expiry of the black out period less the number of business days between the date of expiry of the option and the date on which the black out period ends.

APPENDIX 1

PEDIMENT EXPLORATION LTD. CHARTER OF THE COMPENSATION COMMITTEE

Purpose

This Charter sets out the purpose, composition, duties and authority of the Compensation Committee (the “Committee”). The purpose of the Committee is to act as the representative of the Board of Directors, in carrying out its corporate governance and oversight responsibilities, in relation to the review and approval process for any and all agreements, written or verbal, for compensation of any type, including any lump sum cash payments, issuance of securities of the Company or any other type of bonus, or any retirement package or other incentive (together, other than as restricted in the following sentence, the “Compensation”) for executive directors of the Company, independent of the involvement from those executive directors.

Compensation shall not include:

- the involvement of the executive directors in a private or public placement of securities of the Company in line with relevant stock exchange policies; or
- any plan for payment of cash, issuance of stock options or securities or other bonus as may apply equally to all Board members in line with relevant stock exchange policies, provided that the relevant placement or Board payment is approved by the Board; and
- meets all requirements of the B.C. *Business Corporation Act* S.B.C 2002, c57 or any replacement legislation, including proper disclosure of all “disclosable interests”, as defined therein.

Composition & Procedure

The Committee shall consist of at least two Directors, all of whom shall not be current executive directors and whom shall be “independent” within the meaning of Multilateral Instrument 52-110. The Board of Directors, immediately following the Annual General Meeting of the Company, shall appoint the Committee annually, or as soon thereafter as is reasonable. Each member of the Committee shall be financially literate and have relevant corporate experience, meaning that he or she must be able to review the proposed management agreements or terms of Compensation, determine their fairness in relation to those granted by mining companies of a similar size and stage of development and understand the overall financial cost for the Company. The Committee may adopt from time to time such other procedures, not inconsistent with this Charter and the Articles of the Company, as the Committee may determine. The timing, place, calling and procedure of the Committee, shall be as determined by the Chairman of the Committee, and includes the right, should any Committee member so request, to carry out such meetings on a confidential basis, without the presence of the relevant executive director whose Compensation is subject to review.

Duties & Responsibilities

The Committee’s duties include the duty to:

- review and oversee the past, present and future actions of executive directors and their current or proposed Compensation as it relates to the fulfilment of their executive duties as have been mandated by the Board, as is normally attached to their position(s) and as set out in their written employment contract, if any, and, as required, evaluate, modify, approve or, as necessary, terminate any and all agreements for Compensation of executive directors based on that review;.
- regularly review and evaluate this Charter and assess the effectiveness of the Committee;

- if requested by the Board, review and evaluate agreements for compensation of all senior officers of the Company that are not executive directors and report their findings to the Board.

Authority of the Committee

The Committee shall have full authority to take all steps needed to carry out its duties. The Committee is not subject to any third party or outside time deadlines or financial restrictions, other than as restricted by law or by the Articles of the Company. The Committee shall have unrestricted access to any officer, employee or consultant of the Company. The Committee shall have the authority to engage outside expertise as it may deem appropriate in fulfilling its duties, without consulting with or obtaining approval from management. The Committee has the power to reject any proposed Compensation in whole or in part as it best determines and also to grant any Compensation to executive directors as they best determine.

APPENDIX 2
