2.06 U.S. Tax Matters

Offeror, Acquireco and the Corporation intend to adopt this Agreement as a “plan of reorganization” within the meaning of Treasury Regulation section 1.368-2(g) and to treat Offeror's acquisition of the Corporation as a “reorganization” within the meaning of section 368(a)(1) of the U.S. Internal Revenue Code. To that end, it is acknowledged that the exchange of securities pursuant to the Section 2.01(a) of this Agreement (and Section 3.1(b) of the Plan of Arrangement) and the amalgamation of Acquireco and the Corporation, with the Corporation surviving, are interdependent steps in a single transaction, to which the parties hereto are legally committed as provided herein, and which may be fairly characterized as a statutory merger or consolidation within the meaning of section 368(a)(1)(A) of the U.S. Internal Revenue Code and section 368(a)(2)(E) of the U.S. Internal Revenue Code. Provided that the transactions described in the Plan of Arrangement and in this Agreement are implemented as contemplated, each party hereto agrees to treat the Arrangement as a reorganization within the meaning of Section 368(a) of the U.S. Internal Revenue Code for all United States federal income tax purposes, and to not take any position on any Tax Return or otherwise take any Tax reporting position inconsistent with such treatment, unless otherwise required by a “determination” within the meaning of Section 1313 of the U.S. Internal Revenue Code that such treatment is not correct. Each party hereto agrees to act in a manner that is consistent with the parties’ intention that the Arrangement be treated as a reorganization within the meaning of Section 368(a) of the U.S. Internal Revenue Code for all United States federal income tax purposes. However, Offeror makes no representation or warranty to the Corporation, any Corporation shareholder, or any holder of Corporation securities (including without limitation any holder of Corporation Options or Corporation Warrants) regarding the U.S. federal income tax consequences of the transactions contemplated by this Agreement to the Corporation, any Corporation Shareholder, or any holder of Corporation securities.

2.07 U.S. Securities Law Matters

- (a) Section 3(a)(10) Exemption. The parties agree that the Arrangement will be carried out with the intention that all Offeror Common Shares, Offeror Options and Offeror Warrants issued on completion of the Arrangement to the Corporation Securityholders will be issued by Offeror in reliance on the exemption from the registration requirements of the 1933 Act provided by the Section 3(a)(10) Exemption. In order to ensure the availability of the Section 3(a)(10) Exemption, the parties agree that the Arrangement will be carried out on the following basis:

- (i) the Court will be advised as to the intention of the parties to rely on the Section 3(a)(10) Exemption prior to the hearing required to approve the Arrangement;
- (ii) the Court will be required to satisfy itself as to the fairness of the Arrangement to the Corporation Securityholders subject to the Arrangement;
- (iii) Corporation will ensure that each Corporation Securityholder entitled to receive Offeror Securities on completion of the Arrangement will be given adequate notice advising them of their right to attend the hearing of the Court to give approval of the Arrangement and providing them with sufficient information necessary for them to exercise that right;
- (iv) the Corporation Securityholders will be advised that the Offeror Common Shares, Offeror Options and Offeror Warrants issued in the Arrangement have not been registered under the U.S. Securities Act and will be issued by Offeror in reliance on the Section 3(a)(10) Exemption and may be subject to restrictions on resale under the securities laws of the United States;
- (v) the Interim Order approving the Corporation Meeting will specify that each Corporation Securityholder will have the right to appear before the Court at the hearing so long as they enter an appearance within a reasonable time; and the Final Order shall include a statement to the following effect:

“This Order will serve as a basis of a claim to an exemption, pursuant to section 3(a)(10) of the *United States Securities Act of 1933, as amended*, from the registration requirements otherwise imposed by that act, regarding the distribution of securities of Argonaut Gold Inc., pursuant to the Plan of Arrangement.”

- (b) Section 12g Succession. The parties acknowledge that Corporation is a reporting issuer under Section 12(g) of the 1934 Act and upon completion of the Arrangement, Offeror will be deemed a successor to the Corporation’s registration pursuant to Rule 12g-3(a) under the 1934 Act. Successor shall file a Form 8-K or submit a Form 6-K with the SEC in connection with the succession to the registration obligation of Corporation. The parties acknowledge that Offeror may file a Form 15F with the SEC pursuant to Rule 12h-6 to terminate the reporting obligations under the 1934, if eligible.

2.08 Closing

The closing of the Arrangement will take place at the offices of Bull, Housser & Tupper LLP, Suite 3000, 1055 West Georgia Street, Vancouver, British Columbia at 8:00 a.m. (Toronto time) on the Effective Date.

 - (iii) not take any action that will preclude the transactions described in the Plan of Arrangement and in this Agreement from qualifying as a “reorganization” within the meaning of section 368(a)(1)(A) of the U.S. Internal Revenue Code and section 368(a)(2)(E) of the U.S. Internal Revenue Code

5.02 Corporation Conditions

The obligation of Corporation to complete the transactions contemplated herein is subject to the fulfillment of the following additional conditions at or before the Effective Date or such other time as is specified below:

- (a) the representations and warranties made by Offeror in this Agreement that are qualified by the expression “Material Adverse Change” or “Material Adverse Effect” shall be true and correct as of the Effective Date as if made on and as of such date (except to the extent that such representations and warranties speak as of an earlier date, in which event such representations and warranties shall be true and correct as of such earlier date), and all other representations and warranties made by Offeror in this Agreement shall be true and correct in all material respects as of the Effective Date as if made on and as of such date (except to the extent that such representations and warranties speak as of an earlier date, in which event such representations and warranties shall be true and correct as of such earlier date), in either case, except where any failures or breaches of representations and warranties would not either individually or in the aggregate, in the reasonable judgment of Corporation, have a Material Adverse Effect on Offeror, and Offeror shall have provided to Corporation a certificate of two officers thereof certifying such accuracy or lack of Material Adverse Effect on the Effective Date. No representation or warranty made by Offeror hereunder shall be deemed not to be true and correct if the facts or circumstances which make such representation or warranty untrue or incorrect are disclosed or referred to in the Offeror Disclosure Letter, or provided for or stated to be exceptions under this Agreement;

The obligation of Offeror to complete the transactions contemplated herein is subject to the fulfillment of the following additional conditions at or before the Effective Date or such other time as is specified below:

- (a) the representations and warranties made by Corporation in this Agreement that are qualified by the expression “Material Adverse Change” or “Material Adverse Effect” shall be true and correct as of the Effective Date as if made on and as of such date (except to the extent that such representations and warranties speak as of an earlier date, in which event such representations and warranties shall be true and correct as of such earlier date), and all other representations and warranties made by Corporation in this Agreement that are not so qualified shall be true and correct in all material respects as of the Effective Date as if made on and as of such date (except to the extent that such representations and warranties speak as of an earlier date, in which event such representations and warranties shall be true and correct as of such earlier date), in either case, except where any failures or breaches of representations and warranties would not either, individually or in the aggregate, in the reasonable judgment of Offeror, have a Material Adverse Effect on Corporation, and Corporation shall have provided to Offeror a certificate of two officers thereof certifying such accuracy or lack of Material Adverse Effect on the Effective Date. No representation or warranty made by Corporation hereunder shall be deemed not to be true and correct if the facts or circumstances that make such representation or warranty untrue or incorrect are disclosed or referred to in the Corporation Disclosure Letter, or provided for or stated to be exceptions under this Agreement;

- (e) none of the Locked-Up Shareholders shall have breached, in any material respect, any of the representations, warranties and covenants in the Lock-Up Agreement;

The foregoing conditions are for the benefit of Offeror and may be waived, in whole or in part, by Offeror in writing at any time. 5.04 Notice and Cure Provisions

Each party hereto shall give prompt notice to the others of them of the occurrence, or failure to occur, at any time from the date hereof until the Effective Date, of any event or state of facts which occurrence or failure would, would be likely to or could:

- (a) cause any of the representations or warranties of such party hereto contained herein to be untrue or inaccurate in any respect on the date hereof or on the Effective Date;
- (b) result in the failure to comply with or satisfy any covenant or agreement to be complied with or satisfied by such party hereto prior to the Effective Date; or
- (c) result in the failure to satisfy any of the conditions precedent in favour of the other party hereto contained in sections 5.01, 5.02 or 5.03 hereof, as the case may be.

Subject as herein provided, a party hereto may (a) elect not to complete the transactions contemplated hereby by virtue of the conditions for its benefit contained in sections 5.01, 5.02 or 5.03 hereof not being satisfied or waived or (b) exercise any termination right arising therefrom; provided, however, that (i) promptly and in any event prior to the Effective Date, the party hereto intending to rely thereon has delivered a written notice to the other parties hereto specifying in reasonable detail the breaches of covenants or untruthfulness or inaccuracy of representations and warranties or other matters that the party hereto delivering such notice is asserting as the basis for the exercise of the termination right, as

the case may be, and (ii) if any such notice is delivered, and a party hereto is proceeding diligently, at its own expense, to cure such matter, if such matter is susceptible to being cured, the party hereto that has delivered such notice may not terminate this Agreement until the earlier of the Completion Deadline and the expiration of a period of 10 days from date of delivery of such notice. If such notice has been delivered prior to the date of the Corporation Meeting, the Corporation Meeting shall be adjourned or postponed until the expiry of such period.

5.05 Merger of Conditions

The conditions set out in sections 5.01, 5.02 or 5.03 hereof shall be conclusively deemed to have been satisfied, fulfilled or waived as of the Effective Time.

ARTICLE 6 NON-SOLICITATION AND BREAK-UP FEE

6.01 Covenant Regarding Non-Solicitation

- (a) On and after the date of this Agreement, except as otherwise expressly permitted herein, Corporation shall not, directly or indirectly, through any officer, director, employee, representative, advisor or agent of Corporation or any Corporation Subsidiary, or otherwise:
 - (i) make, solicit, initiate, facilitate, entertain, encourage or promote (including by way of furnishing information, permitting any visit to facilities or properties of Corporation or a Corporation Subsidiary or entering into any form of agreement, arrangement or understanding) any inquiries or proposals regarding, constituting or that may reasonably be expected to lead to an Acquisition Proposal or potential Acquisition Proposal;
 - (ii) participate, directly or indirectly, in any discussions or negotiations regarding, or furnish to any person any information or otherwise co-operate with, respond to, assist or participate in, any Acquisition Proposal or potential Acquisition Proposal;
 - (iii) remain neutral with respect to, or agree to, approve or recommend, or propose publicly to agree to, approve or recommend any Acquisition Proposal or potential Acquisition Proposal (it being understood that publicly taking no position or a neutral position with respect to an Acquisition Proposal until seven (7) Business Days following formal commencement of such Acquisition Proposal shall not be considered a violation of this subsection 6.01(a)(iii);
 - (iv) make, or propose publicly to make a Change in Corporation Recommendation;
 - (v) accept, enter into, or propose publicly to accept or enter into, any agreement, understanding or arrangement related to any Acquisition Proposal or potential Acquisition Proposal; or
 - (vi) make any public announcement or take any other action inconsistent with, or that could reasonably be likely to be regarded as detracting from, the

recommendation of the directors of Corporation to approve the transactions contemplated herein,

provided, however, that, notwithstanding the preceding part of this subsection 6.01(a), but subject to the following provisions of Article 6 of this Agreement, the directors of Corporation and on the direction of any of the directors of Corporation, any officer, employee, representative, agent or advisor of Corporation may, prior to the approval of the Arrangement by Corporation Shareholders, consider or negotiate any unsolicited Acquisition Proposal that may constitute a Superior Proposal, and the directors of Corporation may make a Change in Corporation Recommendation in respect of a Superior Proposal, or approve or recommend to the Corporation Shareholders or enter into an agreement in respect of a Superior Proposal in accordance with the provisions of the following subsections of this Article 6 but in each case only if the Acquisition Proposal did not result from a breach of Section 6.01 of this Agreement by Corporation and if the directors of Corporation determine in good faith after consulting with outside counsel (which may include written opinions or advice) that failure to take such action would be inconsistent with the fiduciary duties of such directors under applicable Law.

- (b) Corporation shall, and shall cause the officers, directors, employees, consultants, representatives and agents of Corporation and its subsidiaries to, immediately terminate and cease any discussions or negotiations on behalf of Corporation with any parties (other than Offeror) with respect to any proposal that constitutes, or may reasonably be expected to constitute, an Acquisition Proposal. Corporation agrees not to release any third party from any confidentiality agreement relating to a potential Acquisition Proposal to which such third party is a party. Corporation further agrees not to release any third party from any standstill agreement or provision to which such third party is a party and to take all required action to enforce such standstill agreements. Corporation shall immediately request the return or destruction of all information provided to any third party that, at any time since January 1, 2009, has entered into a confidentiality agreement with Corporation to the extent that such information has not previously been returned or destroyed, and shall use all commercially reasonable efforts to ensure that such requests are honoured.
- (c) Promptly and, in any event, within 24 hours of the receipt by any director or officer of Corporation of any Acquisition Proposal, or any amendment to an Acquisition Proposal, or any request for non-public information relating to Corporation or a Corporation Subsidiary in connection with any potential Acquisition Proposal or for access to the properties, books or records of Corporation or the Corporation Subsidiary by any person that informs Corporation or any Corporation Subsidiary that it is considering making, or has made, an Acquisition Proposal, Corporation shall notify Offeror thereof, at first orally and then, as soon as possible thereafter, in writing. Such written notice shall include the identity of the person(s) making such proposal and all material terms and conditions of the Acquisition Proposal and provide such other details of the Acquisition Proposal, inquiry or contact as Offeror may reasonably request.
- (d) If Corporation receives a request for material non-public information from a person who is considering making or has made a written Acquisition Proposal (the existence and content of which have been disclosed to Offeror), and the directors of Corporation

determine that such proposal could, if consummated in accordance with its terms, reasonably be expected to result in a Superior Proposal or does constitute a Superior Proposal then, provided that Corporation has complied with section 6.01(c), and only in such case, the directors of Corporation may, subject to the execution of a confidentiality agreement on terms that are not more favourable to the person making or considering making the Acquisition Proposal than those set forth in the Confidentiality Agreement and which includes a standstill provision that restricts such person from acquiring, or publicly announcing an intention to acquire, any securities or assets of Corporation or the Corporation Subsidiary (other than pursuant to a Superior Proposal) for a period not less than one year from the date of such agreement, provide such person with access to information regarding Corporation; provided, however, that Corporation sends a copy of any such confidentiality agreement to Offeror immediately upon the execution thereof and Offeror is provided with a list of or a copy of the information, if any, provided to such person that was not previously provided to Offeror and Offeror is immediately provided with access to similar information.

- (e) Corporation shall ensure that its officers, directors, consultants and employees and any financial advisors or other advisors or representatives retained by Corporation are aware of the provisions of this section 6.01, and Corporation shall be responsible for any breach of this section 6.01 by its financial advisors or other advisors or representatives.

6.02 Notice of Superior Proposal Determination

- (a) Corporation and the directors of Corporation shall not make a Change of Corporation Recommendation or accept, approve, recommend or enter into any agreement in respect of an Acquisition Proposal (other than a confidentiality agreement and a standstill agreement contemplated by subsection 6.01(d) hereof) unless: (i) Corporation has complied with its obligations under section 6.016.01 and the other provisions of this Article 6; (ii) it has provided Offeror with the information about such Acquisition Proposal as required under subsection 6.01(c); (iii) the directors of Corporation have determined the Acquisition Proposal would be a Superior Proposal pursuant to subsection 6.01(a) hereof; and (iv) seven (7) Business Days shall have elapsed from the later of the date Offeror received notice of the determination of the directors of Corporation to accept, approve, recommend or enter into an agreement in respect of such Superior Proposal and the date Offeror received the documents pursuant to subsection 6.01(c) hereof.
- (b) During the seven (7) Business Days referred to in subsection 6.02(a) hereof, Offeror shall have the opportunity, but not the obligation, to offer in writing to amend the terms of this Agreement and the Arrangement. The directors of Corporation shall review any offer by Offeror to amend the terms of this Agreement and the Arrangement in order to determine in good faith, as of the later of the dates referred to in subsection 6.02(a)(iv) hereof, whether the offer of Offeror upon acceptance by Corporation would result in the Acquisition Proposal not being a Superior Proposal. If the directors of Corporation so determine, Corporation shall enter into an amended agreement with Offeror reflecting the amended proposal of Offeror and will promptly reaffirm its recommendation of the Arrangement as amended.

- (c) Corporation acknowledges and agrees that each successive modification of any Acquisition Proposal shall constitute a new Acquisition Proposal for purposes of the requirement under subsection 6.02(a)(iv) hereof and shall initiate an additional seven (7) Business Day period.
- (d) If the Proxy Circular has been sent to Corporation Shareholders prior to the expiry of the seven (7) Business Day period set forth in subsection 6.02(a) and, during such period, Offeror requests in writing that the Corporation Meeting proceed, unless otherwise ordered by the Court, Corporation shall continue to take all reasonable steps necessary to hold the Corporation Meeting and to cause the Arrangement to be voted on at the Corporation Meeting.
- (e) Where at any time before the Corporation Meeting, Corporation has provided Offeror with a notice under subsection 6.01(c), an Acquisition Proposal has been publicly disclosed or announced, and the seven (7) Business Day period under subsection 6.02(a) has not elapsed, then, subject to applicable Laws, at Offeror's request, Corporation will postpone or adjourn the Corporation Meeting at the Corporation Meeting (but not beforehand without Offeror's consent) to a date acceptable to Offeror, acting reasonably, which shall not be later than seven (7) days after the scheduled date of the Corporation Meeting and shall, in the event that Offeror and Corporation amend the terms of this Agreement pursuant to subsection 6.02(b), ensure that the details of such amended Agreement are communicated to the Corporation Shareholders prior to the resumption of the adjourned Corporation Meeting.

6.03 Termination Fee Event

In the event that (each of the events below being a **"Triggering Event"**):

- (a) this Agreement is terminated by Offeror pursuant to subsection 7.03(c) or (f) hereof;
- (b) this Agreement is terminated by Offeror pursuant to subsection 7.03(b) hereof due to Corporation having breached its obligations under subsections 6.01 or 6.02 in a material respect;
- (c) this Agreement is terminated by Offeror pursuant to subsection 7.03(b) hereof through the fault (whether by commission or omission unless such commission or omission is ordered by the Court) of Corporation failing to submit the Arrangement for approval to the Corporation Shareholders, in accordance with the terms of this Agreement, on or prior to the date that is five (5) Business Days prior to the Completion Deadline or Corporation has breached its obligations under section 4.01(b)(iii) hereof;
- (d) an Acquisition Proposal shall have been made to Corporation and made known to Corporation Shareholders generally or shall have been made directly to Corporation Shareholders generally or any person shall have publicly announced an intention to make an Acquisition Proposal in respect of Corporation (a **"Pending Corporation Acquisition Proposal"**) and such Pending Corporation Acquisition Proposal or announced intention shall not have been publicly withdrawn prior to the Corporation Meeting and, thereafter, the Corporation Shareholders do not approve the Arrangement at the Corporation Meeting, this Agreement is terminated by either Offeror or

Corporation pursuant to subsection 7.03(d) or (e) hereof and Corporation completes an Acquisition Proposal within six months following the termination of this Agreement;

- (e) the board of directors of Corporation shall have made a Change of Corporation Recommendation in respect of a Pending Corporation Acquisition Proposal and, thereafter, the Corporation Shareholders do not approve the Arrangement at the Corporation Meeting and this Agreement is terminated by either Corporation or Offeror pursuant to subsection 7.03(d) hereof; or
- (f) this Agreement is terminated by Corporation pursuant to subsection 7.03(g),

then Corporation shall pay to Offeror in the circumstances set forth in subsections 6.03(a), (b), (c) or (e) above, at the time of the termination of this Agreement or within 10 days of such termination, and, in the circumstances set forth in subsection 6.03(d) above, within five (5) days following the completion of such Acquisition Proposal, as consideration for Offeror's disposition of rights under this Agreement, an amount in cash equal to \$4.80 million (the "**Corporation Termination Payment**"), in immediately available funds. Corporation shall not be obligated to make more than one payment pursuant to this section 6.03. Corporation hereby acknowledges that the Corporation Termination Payment is a payment of liquidated damages which are a genuine pre-estimate of the damages which Offeror will suffer or incur as a result of the event giving rise to such damages and the resultant non-completion of the Arrangement and are not penalties. Corporation hereby irrevocably waives any right it may have to raise as a defence that any such liquidated damages are excessive or punitive. Upon receipt of payment of the Corporation Termination Payment by Offeror, Offeror shall have no further claim against Corporation in respect of the failure to complete the Arrangement, provided that nothing herein shall preclude Offeror from seeking injunctive relief to restrain any breach or threatened breach by Corporation of any of its obligations hereunder or otherwise to obtain specific performance without the necessity of posting bond or security in connection therewith.

6.04 Corporation Expenses

In the event that the Offeror Shareholder approval has not been obtained prior to December 23, 2010 (the "**Offeror Approval Deadline**"), Corporation may terminate this Agreement by notice in writing to Offeror. Within five (5) days following receipt of such notice of termination, as consideration for Corporation's expenses in connection with this Agreement and the Offer, an amount in cash equal to \$1 million (the "**Offeror Expense Payment**") in immediately available funds. Offeror hereby acknowledges that the Offeror Expense Payment is a payment of liquidated damages which are a genuine pre-estimate of the damages which Corporation will suffer or incur as a result of the event giving rise to such damages and the resultant non-completion of the Arrangement and are not penalties. Upon receipt of payment of the Offeror Expense Payment by Corporation, Corporation shall have no further claim against Offeror in respect of the failure to complete the Arrangement.

ARTICLE 7 AMENDMENT AND TERMINATION

7.01 Amendment

This Agreement may, at any time and from time to time before or after the holding of the Corporation Meeting be amended by mutual written agreement of the parties hereto without,

subject to applicable Law, further notice to or authorization on the part of the Corporation Shareholders and any such amendment may, without limitation:

- (a) change the time for the performance of any of the obligations or acts of either of the parties hereto;
- (b) waive any inaccuracies in or modify any representation or warranty contained herein or in any document delivered pursuant hereto;
- (c) waive compliance with or modify any of the covenants herein contained and waive or modify the performance of any of the obligations of any of the parties hereto; and
- (d) waive compliance with or modify any condition herein contained;

provided, however, that notwithstanding the foregoing, following the Corporation Meeting, the Exchange Ratio shall not be amended without the approval of the Corporation Shareholders given in the same manner as required for the approval of the Arrangement or as may be ordered by the Court. This Agreement and the Plan of Arrangement may be amended in accordance with the Final Order, but in the event that the terms of the Final Order require any such amendment, the rights of the parties hereto under sections 5.01, 5.02, 5.03, 6.03 and Article 7 hereof shall remain unaffected.

7.02 Mutual Understanding Regarding Amendments

- (a) In addition to the transactions contemplated hereby or at the request of a party hereto, the parties hereto will continue from and after the date hereof and through and including the Effective Date to use their respective commercially reasonable efforts to maximize present and future planning opportunities for Corporation, the Corporation Shareholders, the Corporation Subsidiaries and Offeror as and to the extent that the same shall not prejudice any party hereto or the shareholders thereof. The parties hereto will ensure that such planning activities do not impede the progress of the Arrangement in any material way.
- (b) The parties hereto mutually agree that if a party hereto proposes any other amendment or amendments to this Agreement or to the Plan of Arrangement, Corporation on the one hand, and Offeror on the other hand, will act reasonably in considering such amendment and if the other of them and the shareholders thereof are not materially prejudiced by reason of any such amendment they will co-operate in a reasonable fashion with the party hereto proposing the amendment so that such amendment can be effected subject to applicable Laws and the rights of the Corporation Shareholders.
- (c) At any time prior to the Meeting: (i) Corporation and Offeror shall each be entitled to propose to the other modifications to the Arrangement in order to facilitate the tax or other planning objectives of Corporation, Offeror and the Corporation Shareholders; and (ii) Corporation shall be entitled to propose to Offeror modifications to the manner in which the Corporation Options are to be dealt with pursuant to this Agreement or under the Arrangement in order to take into account the tax planning or other objectives of the holders of such securities, provided, in each case that: (A) any such proposal is not likely to materially prejudice the other party or the Corporation Shareholders, (B) would not impede or materially delay the completion of the

transactions contemplated hereby, (C) the party making the proposal has provided notice of such proposal to the other party not less than 15 Business Days prior to the Meeting Date and (D) implementation of the proposal would not result in a transaction that is inconsistent with the fundamental terms of this Agreement, including, without limitation, the Consideration.

Each of Corporation and Offeror agree that any such modifications and any transactions or steps taken in accordance therewith shall not be considered in determining whether any representation or warranty made by them under this Agreement has been breached if such modifications, transactions and steps are the sole cause of such breach.

Corporation and Offeror shall enter into an amending agreement reflecting the proposed amendments to the Arrangement and this Agreement and the Plan of Arrangement shall be modified accordingly and Corporation and Offeror shall each use its respective commercially reasonable efforts to communicate any such modifications to the Corporation Shareholders and to ensure that any such modifications are, to the extent required under applicable Law, presented to the Corporation Shareholders at the Meeting.

7.03 Termination

This Agreement may be terminated at any time prior to the Effective Date:

- (a) by the mutual written consent, duly authorized by the board of directors of each of the parties hereto;
- (b) if any of the conditions in sections 5.01, 5.02 or 5.03 hereof for the benefit of the terminating party is not satisfied or waived in accordance with those sections;
- (c) by Offeror if an Acquisition Proposal in respect of Corporation has been made or proposed and the directors of Corporation: (i) shall have made a Change in Corporation Recommendation, or (ii) except as permitted under subsection 6.01(a)(iii), shall have failed, after being requested by Offeror in writing, to reaffirm its approval or recommendation of the Arrangement and the transactions contemplated herein as promptly as possible (but in any event within five (5) Business Days) after receipt of such written request from Offeror, or (iii) shall have accepted, approved, recommended or entered into an agreement (other than a confidentiality agreement that complies with subsection 6.01(d) hereof) in respect of any Acquisition Proposal;
- (d) by Offeror or by Corporation if the Corporation Shareholder Approval shall not have been obtained at the Corporation Meeting;
- (e) by either Offeror or Corporation if the Arrangement shall not have been completed by the Completion Deadline provided however, if the Arrangement has not been completed by such date because the Corporation Meeting has not been held due to the fault of Corporation (the parties acknowledging that Corporation is not at fault in the event that the Corporation Meeting has not been held due to an order of a Governmental Entity), then Corporation shall not be entitled to terminate this Agreement;

- (f) by Offeror if the directors of Corporation shall have made a Change in Corporation Recommendation; or
- (g) by Corporation if Corporation proposes to enter into a definitive agreement with respect to a Superior Proposal in compliance with sections 6.01 and 6.02 hereof, provided that Corporation has paid the Corporation Termination Payment to Offeror;

provided that any termination by a party hereto in accordance with paragraphs (b) to (g) above shall be made by such party delivering written notice thereof to the other party or parties hereto prior to the Effective Date and specifying therein in reasonable detail the matter or matters giving rise to such termination right. In the event of any such termination, the provisions of sections 6.02(d), 6.03, 8.03, and 8.10 shall survive the termination hereof and remain in full force and effect. In all other respects, each party hereto shall be deemed to have released, remised and forever discharged the other parties hereto in respect of any and all claims arising in respect of this Agreement, except as otherwise provided herein.

ARTICLE III
ARRANGEMENT

Section 3.1 Arrangement.

Commencing at the Effective Time, the following events or transactions shall occur and shall be deemed to occur in the following sequence without any further act or formality:

- (a) each Pediment Common Share held by a Dissenting Shareholder shall be deemed to be transferred by the holder thereof, without any further act or formality on its part, free and clear of all liens, claims and encumbrances, to Argonaut, in consideration for a debt claim against Argonaut in an amount determined and payable in accordance with Article IV hereof, and the name of such holder will be removed from the central securities register as a holder of Pediment Common Shares, and Argonaut will be recorded as the registered holder of the Pediment Common Shares so transferred and will be deemed to be the legal and beneficial owner of such Pediment Common Shares free and clear of any liens, claims or encumbrances;
- (b) each Pediment Common Share outstanding immediately prior to the Effective Time held by a Pediment Shareholder (other than Dissenting Shareholders), shall be transferred by the holder thereof to Argonaut in exchange for the Share Consideration and Argonaut shall be deemed to be the legal and beneficial owner thereof, free and clear of any liens, claims or encumbrances;
- (c) in accordance with the Pediment Share Option Plan, including section 3.15 thereof, each holder of a Pediment Option outstanding immediately prior to the Effective Time shall be entitled to receive (and shall accept), upon the exercise of such holder's Pediment Options, for the same aggregate consideration therefor and in lieu of any Pediment Common Shares or other consideration, the number of Argonaut Common Shares which the holder would have been

entitled to receive as a result of the transactions contemplated by the Plan of Arrangement if, immediately before the Effective Time, such holder had been the registered holder of the number of Pediment Common Shares to which such holder was theretofore entitled upon such exercise and each such Pediment Option shall continue to be governed by and be subject to the terms of the Pediment Share Option Plan and any applicable agreement thereunder;

- (d) each holder of a Pediment Warrant outstanding immediately prior to the Effective Time shall be entitled to receive:
 - (i) in the case of common share purchase warrants to purchase Pediment Common Shares, upon the exercise of such holder's Pediment Warrants, for the same aggregate consideration therefor and in lieu of any Pediment Common Shares or other consideration, the number of Argonaut Common Shares which the holder would have been entitled to receive as a result of the transactions contemplated by the Plan of Arrangement if, immediately before the Effective Time, such holder had been the registered holder of the number of Pediment Common Shares to which such holder was theretofore entitled upon such exercise and each such Pediment Warrant shall be governed by and be subject to the terms of the certificate to be issued by Argonaut representing such Pediment Warrants ; and
