General

4. Your Form 10-SB went effective automatically sixty days after you initially filed it on July 17, 2006. Thus, we would like to remind you that you are now subject to the periodic reporting requirements under the 1934 Act.

Note 8 – Related Party Transactions, page 72

5. We have read your response to comment 26 from our letter dated August 14, 2006. We note that you have provided the monthly impact of all of your related party transactions. However, you have not disclosed the impact of all of your related party transactions for each period presented in your income statement. Please provide the dollar amounts of these transactions for each of the periods for which income statements are presented. See paragraph 2(c) of SFAS 57.

Note 9 – Restatement of Financial Statements, Page 73

6. Your restatement footnote does not discuss the fact that you had expensed \$70,000 of financing fees during the period ended September 30, 2005 instead of amortizing the financing fees over the term of the convertible debt. Please revise your restatement footnote accordingly.
