REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Stockholder's and Board of Directors of GCMI Securities Corp.

Opinion on the Financial Statements

I have audited the accompanying statement of financial condition of GCMI Securities Corp. as of December 31, 2021, the related statements of income, changes in stockholder's equity, and cash flows for the year then ended, and the related notes (collectively referred to as the financial statements). In my opinion, the financial statements present fairly, in all material respects, the financial position of GCMI Securities Corp. as of December 31, 2021, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

These financial statements are the responsibility of GCMI Securities Corp.'s management. My responsibility is to express an opinion on GCMI Securities Corp.'s financial statements based on my audit. I am a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and am required to be independent with respect to GCMI Securities Corp. in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

I conducted my audit in accordance with the standards of the PCAOB. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. My audit included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. My audit also included evaluating the accounting principles used and significant estimates made by management, as evaluating the overall presentation of the financial statements. I believe that my audit provides a reasonable basis for my opinion.

Auditor's Report on Supplemental Information

The information contained in Schedule I, II, and III ("Supplemental Information") has been subjected to audit procedures performed in conjunction with the audit of the GCMI Securities Corp.'s financial statements. The Supplemental Information is the responsibility of the GCMI Securities Corp.'s management. My audit procedures included determining whether the Supplemental Information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the Supplemental Information. In forming my opinion on the Supplemental Information, I evaluated whether the Supplemental Information, including its form and content is presented in conformity with 17 C.F.R. § 240.17a-5. In my opinion, Schedules I, II, and III are fairly stated, in all material respects, in relation to the financial statements taken as a whole.

Brian W. Anson, CPA

GCMC Securities Corp.
Notes to Financial Statements
December 31, 2021

Note 1 - Organization and Nature of Business

GCMC Securities Corp. (the “Company”) was incorporated in the State of California on December 14, 2005 and is wholly owned by Global Capital Markets, Inc. (the “Parent”). The Company is a registered broker-dealer with the Securities and Exchange Commission (“SEC”), the Financial Industry Regulatory Authority (“FINRA”) and the Securities Investor Protection Corporation (“SIPC”).

The Company provides principally merger and acquisition advisory and private placement services for customers, with registered offices in Irvine and San Francisco, California.

Note 2 - Significant Accounting Policies

Securities - Under its membership agreement with FINRA, the Company conducts business on a fully disclosed basis and does not execute or clear securities transactions for customers.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Income Taxes - The Company elected to be taxed as a qualified subchapter S subsidiary (“Q Sub”) with its Parent reporting as an S Corporation for Federal and California state income tax purposes.

As a Q Sub, the Company’s asset, liability, income and expense items are treated as though they were owned, held or incurred by the Parent S Corporation. As provided by its tax and expense sharing agreement, all taxes are paid by the Parent.

Revenue Recognition - Revenue is measured based on the consideration specified in a contract with a customer, and excludes any sales incentives and amounts collected on behalf of third parties. The Company recognizes revenue when it has satisfied a performance obligation by transferring control over a product or service to a customer.

Taxes and regulatory fees assessed by a government authority or agency that are both imposed on and concurrent with a specified revenue-producing transaction, that are collected by the Company from a customer, are excluded from revenue.

FINRA Form “Supplemental Statement of Income (SSOI)” specifies that the Company generates its revenue from investment banking fees.

Retainers are held by the Parent and not shared with the Company inasmuch as they typically are less than related project preparation costs. Due to the nature of the Company’s business, the size of any one transaction may be significant to the Company’s operations for the period.

Note 3 - Fair Value

Unless otherwise indicated, the fair values of all reported assets and liabilities that represent financial instruments (none of which are held for trading purposes) approximate the carrying values of such amounts.

Note 4 - Related Party

The Company and its Parent have entered into an expense sharing agreement whereby the Company pays the Parent \$1,000 per month for tax and office expenses, including rent. During the year ending December 31, 2021 the Company paid its Parent \$12,000. In February 2016 the FASB issued ASU 2016-02 on Leases. Under the new guidance lessees are required to recognize a lease liability and a right-to-use asset for all leases at the commencement date, with the exception of short-term leases. ASU 2016-02 is effective for annual and interim periods beginning after December 15, 2018. The Company is not subject to this requirement inasmuch as it has an expense sharing agreement with its Parent.

A negotiated percentage, about 70 percent, of the fees generated from the successful completion of each project are paid to registered representatives of the Company.

It is possible that the terms of certain of related party transactions are not the same as those that would result from transactions among wholly unrelated parties.

Note 5 - Concentration of Credit Risk and Customers

The Company is engaged in various activities in which counter-parties primarily include broker-dealers, banks and other financial institutions. In the event counter-parties do not fulfill their obligations, the Company may be exposed to risk. The risk of default depends on the creditworthiness of the counter-party or issuer of the instrument. It is the Company’s policy to review, as necessary, the credit standing of each counter-party.

One customer accounted for over 90 percent of the revenues of the Company for the year ended December 31, 2021.

Note 6 - Net Capital Requirement

The Company is subject to the SEC Uniform Net Capital Rule (SEC Rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital shall not exceed 15 to 1. Rule 15c3-1 also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1.

At December 31, 2021, the Company had net capital of \$274,085 which was \$269,085 in excess of its required net capital of \$5,000. The Company's net capital ratio was 0 to 1.

Note 7 - Income Taxes

As discussed in Note 2 - Significant Accounting Policies, the Company elected to be taxed as a Q Sub with its Parent reporting as an S Corporation for Federal and California state income tax purposes. As a Q Sub, the Company's asset, liability, income and expense items are treated as though they were owned, held or incurred by the Parent S Corporation. As provided by its tax and expense sharing agreement, all taxes are paid by the Parent. The Parent is subject to audit by the taxing agencies for years ended December 31, 2018, 2019, and 2020.

Note 8 – Reserve Formula Exemption

The Company is exempt from SEA Rule 15c3-3. However, the firm does not qualify for the existing exemptions under paragraph (k) of SEA Rule 15c3-3.

The Company is exempt from SEA Rule 15c3-3 pursuant to Footnote 74 of the SEC's adopting release 34-70073 for the Rule 17a-5. Per the release, the Company still is exempt from SEA Rule 15c3-3 regardless of the fact that it does not fit into one of the exemptive provisions for Rule 15c3-3 due to the fact that its business activities are limited to one or more of the following: (1) private placement of securities; (2) mergers and acquisitions; and (3) corporate finance advisory services, including corporate evaluations, buyer/seller finder arrangements, and investment banking referral activities.

Note 9 - Subsequent Events

Management has reviewed the results of operations for the period of time from its year-end December 31, 2021 through January 7, 2022, the date the financial statements were available to be issued and has determined that no adjustments are necessary to the amounts reported in the accompanying financial statements nor have any subsequent events occurred, the nature of which would require disclosure.

We, as members of the management of GCMC Securities Corp. **REPORT OF INDEPENDENT REGISTERED PUBLIC
ACCOUNTING FIRM**

Board of Directors
GCMi Securities Corp.
Irvine, California

I have reviewed management's statements, included in the accompanying SEC Rule 15c3-3 Exemption Report in which GCMi Securities Corp., stated that GCMi Securities Corp.'s, business activities are limited to private placement of securities, merger and acquisitions, and corporate finance advisory services, including corporate evaluations, buyer/seller finder arrangements, and investment banking referral activities, and that it has not held customer funds or securities and that GCMi Securities Corp. is classified as "non-covered" pursuant to footnote 74 to SEC Release 34-70073, dated July 30, 2013, and as discussed in Q & A 6 of the related FAQ issued by SEC state on April 4, 2014. GCMi Securities Corp. also stated that it had maintained compliance with the above declaration throughout the most recent fiscal year ended December 31, 2021, without exception. GCMi Securities Corp.'s management is responsible for compliance and is not subject to the provisions set forth in Rule 15c3-3 under the Securities and Exchange Act of 1934 and its statements.

My review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and accordingly, included inquiries and other required procedures to obtain evidence about GCMi Securities Corp.'s declaration concerning the provisions set forth in Rule 15c3-3 under the Securities Exchange Act of 1934. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, I do not express such an opinion.

Based on my review, I am not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in Footnote 74 to SEC Release 34-70073.
