BHK SECURITIES, LLC
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2019

1. ORGANIZATION AND NATURE OF BUSINESS

BHK Securities, LLC (the Company) is an introducing Broker Dealer that was organized in 2006 as an LLC with perpetual duration for the purpose of engaging in the business of effecting transactions in securities for the accounts of others, effecting transactions in securities for the Company's own account, to act as intermediary between buyers and sellers, to charge commissions, to act as an agent when buying securities to act as a principal when selling securities and to engage in all other activities related incidental thereto. The Company is a broker-dealer registered with the Securities and Exchange Commission (SEC) and is a member of various exchanges and the Financial Industry Regulatory Authority ("FINRA"). The Company is a wholly owned subsidiary of BHK Holdings, LLC (the Parent).

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation - The Company is engaged in a single line of business as a securities broker-dealer, which comprises several classes of services. The financial statements are prepared on the accrual basis of accounting in accordance with U.S. generally accepted accounting principles.

Use of Estimates - The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents - For the purposes of the Statement of Cash Flows, the Company considers all highly liquid investments, with an original maturity of three months or less, that are not held for sale, to be cash equivalents. From time to time, the Company may maintain cash balances with financial institutions in excess of federally insured limits.

Receivable from Clearing Organization - The Company reports receivables at net realizable value. Management determines the allowance for doubtful accounts based on historical losses and current economic conditions. On a continuing basis, management analyzes delinquent receivables and once these receivables are determined to be uncollectible, they are written-off through a charge against an existing allowance account or against earnings. The Company is also required, by agreement, to maintain at all times a broker's deposit account with its clearing broker in the amount of \$100,000.

Revenue Recognition -

On January 1, 2018, the Company adopted ASU 2014-09 *Revenue from Contracts with Customers* and all subsequent amendments to the ASU (collectively, "ASC 606"), which

creates a single framework for recognizing revenue from contracts with customers that fall within its scope.

Revenue is measured based on a consideration specified in a contract with a customer. The Company recognizes revenue when it satisfies a performance obligation by transferring control over goods or service to a customer. Services within the scope of ASC 606 include advisory fee, mutual fund distribution fees and brokerage commissions.

Revenue from Contracts with Customers

Investment Advisory Fees:

The Company earns Investment Advisory Fees from its contracts with brokerage customers to manage assets for investment, and/or to transact on their accounts. The Investment Advisory Fees are primarily earned over time as the Company provides the contracted monthly services and are generally assessed based on a tiered scale of the market value of assets under management (AUM) at month-end.

Brokerage Commissions:

The Company earns brokerage fees from its contracts with brokerage customers to transact on their account. Fees are transaction based, including trade execution services, are recognized at the point in time that the transaction is executed, i.e., the trade date. This includes riskless principal (government and corporate bonds) transactions in which the company receives a buy order from a customer and the Company purchases the security from another person or entity to offset the sale to the customer. Company buys the bond at a lower price than it sells it. The riskless principal revenue is earned at the time the transaction is executed.

Mutual Fund distribution fees:

Mutual Funds or pooled investment vehicles (collectively, "funds") have entered into agreements with the Company to distribute/sell its shares to investors. Fees are paid up front and over time (12b-1 fees) on the basis of a contractual rate applied to the monthly or quarterly market value of the fund (that is, net asset value), the fund may also pay, upon investor exit from the fund (that is, a contingent deferred sales charge), or as a combination thereof. Revenue is recognized monthly as services are provided.

Income taxes - The Company is a limited liability company. Accordingly, under the Internal Revenue Code, all taxable income or loss flows through to its member. Therefore, no income tax expense or liability is recorded in the accompanying financial statements.

The Company follows guidance pertaining to accounting for uncertainty in income taxes. As a result of this adoption, management assessed whether there were any uncertain tax positions which may give rise to income tax liabilities and determined that there were no such matters requiring recognition in the accompanying financial statements. The Company files income tax returns in the U.S. federal jurisdiction and the state of Alabama. With few exceptions, the Company is no longer subject to U.S. federal, state and local, or non-U.S. income tax examinations by tax authorities for years before 2013.

Evaluation of subsequent events - Management has assessed subsequent events through February 25, 2020, the date the financial statements were available to be issued and concluded no events or transactions occurred during that period requiring recognition or disclosure.

Accounting Standards - The Company is evaluating new accounting standards and will implement as required.

3. TRANSACTIONS WITH CLEARING ORGANIZATION

The Company has entered into a clearing agreement with Wells Fargo Clearing Services, LLC under the trade name First Clearing. Under the terms of this agreement, the Company utilizes the clearing, execution and other services provided by First Clearing, (FC). Specific services include execution of orders for the Company's customers whose cash or margin accounts have been accepted by FC; generation, preparation and mailing of confirmations of customer accounts; preparation and mailing of summary monthly or quarterly statements; settlements of contracts and transactions in securities; engagement in all cashiering functions for the customer accounts; construction and maintenance of books and records for all transactions executed and cleared through FL; and, reporting of orders entered into FC's order entry system by FC on behalf of the Company in accordance with the FINRA Order Audit Trail System (OATS). Under this agreement, the Company is required at all times to maintain a minimum net capital of \$100,000, as computed in accordance with Rule 15c3-1. The Company was in compliance with respect to this agreement at December 31, 2019.

4. RELATED PARTY TRANSACTIONS

In connection with this relationship, the Company and its Parent have executed an expense sharing agreement whereby the Company receives a monthly allocation of expenses incurred by the Parent on its behalf. During 2019, the Company incurred expenses under this agreement totaling \$240,775. The Company owed its Parent Company \$0.00 related to these intercompany transactions. Included in these amounts is a provision for rent payments. The total amount of rent expensed by the Company for the year ended December 31, 2019 amounted to \$46,477. The Company's portion of future minimum rent payments as of December 31, 2019 is as follows:

2020	\$ 46,477
2021	<u>46,477</u>
	<u>\$ 93,954</u>

5. EMPLOYEE BENEFIT PLANS

The Company participates in the Parent Company's 401k profit sharing retirement plan covering all employees who meet eligibility requirements. The Company's annual discretionary contribution to the plan is based on employee eligible earnings and results of the

Company's operations. The Company expensed \$1,181 for contributions to the plan on behalf of its employees for the year ended December 31, 2019.

6. NET CAPITAL REQUIREMENTS

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (SEC Rule 15c3-1), which requires the maintenance of minimum net capital and requires the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1 (and the rule of the "applicable" exchange also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1). At December 31, 2019, the Company had net capital of \$355,086, which was \$255,086, in excess of its required minimum net capital of \$100,000. We have reviewed management's statements, included in the accompanying Exemption Report for year ended December 31, 2019, in which (1) BHK Securities, LLC identified the following provisions of 17 C.F.R. §15c3-3(k) under which BHK Securities, LLC claimed an exemption from 17 C.F.R. §240.15c3-3: (k)(2)(ii) (exemption provisions) and (2) BHK Securities, LLC stated that BHK Securities, LLC met the identified exemption provisions throughout the most recent fiscal year without exception. APPLYING AGREED-UPON PROCEDURES**

We have performed the procedures included in Rule 17a-5(e)(4) under the Securities Exchange Act of 1934 and with the Securities Investor Protection Corporation (SIPC) Series 600 Rules, which are enumerated below, which were agreed to by BHK Securities LLC (Company) and the SIPC, solely to assist you and the SIPC in evaluating the Company's compliance with the applicable instructions of the General Assessment Reconciliation (Form SIPC-7) for the year ended December 31, 2019. Management of the Company is responsible for its Form SIPC-7 and for its compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards of the Public Company Accounting Oversight Board (United States) and in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

The procedures we performed and our findings are as follows:

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance with the applicable instructions of the Form SIPC-7. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.
