Please understand that the purpose of our review process is to assist you in your compliance with the applicable disclosure requirements and to enhance the overall disclosure in your filing. Schedule 14A

Elements of Executive Compensation, page 16

Annual Incentive Pay, page 16

1. We note your disclosure that bonus amounts are based on specific performance targets and that in 2007 these targets were met and bonuses paid. In future filings, please disclose the actual performance targets, the actual performance results and an analysis of how this impacted the actual bonus amounts paid to each named executive officer. If you believe some or all of this disclosure would cause you competitive harm, please provide us with additional information specifically detailing your competitive harm analysis. Refer to Instruction 4 to Item 402(b) of Regulation S-K. Please advise us regarding how you intend to revise this disclosure in the future.

As appropriate, please respond to this comment within 10 business days or tell us when you will provide us with a response. Please submit a response letter on EDGAR that keys your response to our comment and provides any requested information. Detailed cover letters greatly facilitate our review. Please understand that we may have additional comments after reviewing your response to our comment.

We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filing to be certain that the filing includes all information required under the Securities Exchange Act of 1934 and that they have provided all information investors require for an informed decision. Since the company and its management are in possession of all facts relating to a company's disclosure, they are responsible for the accuracy and adequacy of the disclosures they have made.

In connection with responding to our comments, please provide, in writing, a statement from the company acknowledging that:

- the company is responsible for the adequacy and accuracy of the disclosure in the filing;
- staff comments or changes to disclosure in response to staff comments do not foreclose the Commission from taking any action with respect to the filing; and
- the company may not assert staff comments as a defense in any proceeding initiated by the Commission or any person under the federal securities laws of the United States.

In addition, please be advised that the Division of Enforcement has access to all information you provide to the staff of the Division of Corporation Finance in our review of your filing or in response to our comment on your filing.
