The Securities and Exchange Commission (Commission) issued an Order Instituting Proceedings (OIP) on October 7, 2010, pursuant to Section 12(j) of the Securities Exchange Act of 1934 (Exchange Act), alleging that the eight Respondents have securities registered with the Commission and have not filed required periodic reports. All Respondents were served with the OIP by October 18, 2010. No Respondent has filed an Answer due within ten days of service of the OIP. See OIP at 4; 17 C.F.R. § 201.220(b).

Counsel for Andain, Inc., Aquest Minerals Corp. (n/k/a Anderson Energy Ltd.), and Aztek Technologies, Inc. (n/k/a Aztek Resource Development, Inc.), participated in the telephonic prehearing conference on October 28, 2010. Counsel and the Division of Enforcement expect that these three Respondents will enter Offers of Settlements that the Commission will accept.

I find the remaining five Respondents in default because each has not filed an Answer, did not participate in the prehearing conference, and has not otherwise defended the proceeding. See 17 C.F.R. §§ 201.155(a), .220(f), .221(f). Based on these facts, I find the following allegations in the OIP to be true as to them. See 17 C.F.R. § 201.155(a).

¹ In EDGAR and in the OIP at page 2, the name is eXtr@ct, Inc.

they make or are required to make the information public under the laws of the jurisdiction of their domicile or in which they are incorporated or organized; if they file or are required to file information with a stock exchange on which their securities are traded and the information was made public by the exchange; or if they distribute or are required to distribute information to their security holders. Ariel Resources, Asensia, ATG, Audre, and Axis.com have each failed to comply with Section 13(a) of the Exchange Act and Exchange Act Rules 13a-1 and 13a-13 or 13a-16.

Section 12(j) of the Exchange Act authorizes the Commission, where it is necessary or appropriate for the protection of investors, to revoke the registration of a security where the issuer of a security has failed to comply with a provision of the Exchange Act or the rules thereunder. I conclude on these facts that it is both necessary and appropriate to revoke the registration of each class of the registered securities of Ariel Resources, Asensia, ATG, Audre, and Axis.com.
