

## REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Members of  
Fulcrum Securities, LLC

We have audited the accompanying statement of financial condition of Fulcrum Securities, LLC (the Company) as of December 31, 2015, that is filed pursuant to Rule 17a-5 under the Securities Exchange Act of 1934, and the related notes to the statement of financial condition. The Company's management is responsible for this financial statement. Our responsibility is to express an opinion on this financial statement based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the statement of financial condition is free of material misstatement. The Company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the statement of financial condition, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the statement of financial condition. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the statement of financial condition referred to above presents fairly, in all material respects, the financial position of Fulcrum Securities, LLC as of December 31, 2015, in accordance with accounting principles generally accepted in the United States of America.

The accompanying statement of financial condition and the related notes to the statement of financial condition have been prepared assuming that the Company will continue as a going concern. As discussed in Note J to the financial statements, the Company has experienced significant losses from operations and a declining net capital position. These conditions raise substantial doubt about its ability to continue as a going concern. Management's plans regarding those matters also are described in Note J. The financial statements do not include any adjustments that might result from the outcome of this uncertainty. Our opinion is not modified with respect to that matter.
