Approximate Date of Mailing: November 3, 2009

**WE ARE NOT ASKING YOU FOR A PROXY
AND YOU ARE REQUESTED NOT TO SEND US A PROXY**

This information Statement is being furnished by the Board of Directors of Stem Cell Therapy International, Inc. (the "Company") to the stockholders of record of the Company's common stock at the close of business on October 1, 2009 (the "Record Date"), and is being sent to you to inform you of action which has been approved by the holders of at least a majority of the voting power of the Company outstanding on the Record Date, by written consents without holding a meeting of stockholders. By such written consents, such stockholders approved the following action:

1. To amend our Articles of Incorporation to effect an increase in the Company's authorized shares of common stock to five hundred million (500,000,000) shares.
2. To change the name of the Company to AmStem Corporation (the "Amendment").

Our Board of Directors unanimously adopted and approved the proposal on October 1, 2009, and on or about October 22, 2009, we received the written consent, in lieu of a meeting of stockholders, from the holders of a majority of the outstanding shares with the right to vote on these matters. No other votes were required to adopt the Amendment and none are being solicited hereunder. A copy of the Certificate of Amendment to the Articles of Incorporation is attached hereto as Exhibit "A".

This Information Statement is first being mailed or furnished to stockholders on or about November 3, 2009, and the Amendment described herein will not become effective until at least twenty (20) calendar days thereafter. We will pay all costs associated with the preparation and distribution of this Information Statement, including all mailing and printing expenses.

NO VOTE OR OTHER CONSENT OF OUR STOCKHOLDERS IS SOLICITED IN CONNECTION WITH THIS INFORMATION STATEMENT. WE ARE NOT ASKING YOU FOR A PROXY AND YOU ARE REQUESTED NOT TO SEND US A PROXY.

OUTSTANDING SECURITIES AND VOTING RIGHTS

As of October 1, 2009, the Company had authorized:(1) one hundred million (100,000,000) shares of common stock, \$0.001 par value, 54,260,611 of which were issued and outstanding, and (2) ten million (10,000,000) shares of preferred stock, \$0.001 par value, of which none are issued and outstanding.

Each holder of Common Stock is entitled to one vote for each share of Common Stock held on all matters submitted to a vote of Stockholders. However, under Nevada law, any action that may be taken at any stockholders' meeting may be taken by written consent of the requisite number of stockholders required to take such action. The Amendment requires the affirmative vote or written consent of the holders of a majority of the Company's outstanding common stock and Series A Preferred stock.

STOCKHOLDERS' RIGHTS

The elimination of the need for a special meeting of the stockholders to approve the actions proposed and discussed in this Information Statement is authorized by Section 78.320(2) of the Nevada Revised Statutes (the "NRS"). This section provides that any action required or permitted to be taken at a meeting of stockholders of a corporation may be taken without a meeting, before or after the action, if a written consent thereto is signed by the stockholders holding at least a majority of the voting power.

In order to eliminate the costs and management time involved in holding a special meeting and in order to effect the proposed resolutions as early as possible in order to accomplish the purposes of the Company, the Company chose to obtain the written consent of its stockholders holding a majority of the Company's voting power.

The action described in this Information Statement cannot be taken until at least 20 days after this Information Statement has been first mailed to the Company's stockholders.

NO DISSENTERS' RIGHTS

The NRS does not provide for dissenter's rights in connection with any of the actions proposed in this Information Statement.

THE AMENDMENTS

General

The Board has approved, and the stockholders owning a majority of the shares entitled to vote on matters submitted to the stockholders have consented in writing to amend the Company's Articles of Incorporation to increase the number of authorized shares of Common Stock to five hundred million (500,000,000) shares and to change the name of the Company to AmStem Corporation.

A copy of the Articles of Amendment effecting the change in authorized shares of Common Stock and the name change, in substantially the form to be filed with the Secretary of State of Nevada, is attached to this Information Statement as Exhibit "A". The stockholders owning a majority of the issued and outstanding shares of the Common Stock have consented to the increase in authorized shares of Common Stock, which will become effective on November 23, 2009 (the "Effective Date").

The Company has taken all action required under Nevada law to approve the Amendment; however, since stockholder approval of the Amendment was obtained by written consent rather than at a stockholders' meeting, Nevada law requires that notice be sent to all non-consenting stockholders notifying them of the actions taken not more than 30 days after the effective date of the consent and the Exchange Act will not permit such filing until the expiration of 20 calendar days from the date hereof. The Articles of Amendment filed with the Nevada Secretary of State will not become effective until the Effective Date, after the expiration of the 20-calendar day period.

Stockholder Approval Previously Obtained

As of October 1, 2009, the Company had 54,260,611 issued and outstanding shares of Common Stock and no issued and outstanding shares of Series A Preferred Stock. Each holder of Common Stock is entitled to one vote for each share of Common Stock held on all matters submitted to a vote of stockholders.

By written consent dated October 1, 2009 the stockholders owning a majority of the outstanding stock entitled to vote have approved the adoption and implementation of the Amendment. Such action is sufficient to satisfy the applicable requirements of Nevada law that stockholders approve such actions. Accordingly, stockholders will not be asked to take further action on the Amendment at any future meeting and the Board of Directors does not intend to solicit any proxies or consents from any other stockholders in connection with the Amendment.

Purpose and Effect of Increase in Common Stock and Preferred Stock

The increase of authorized common stock will provide the Company with the ability to issue capital stock in connection with any future financing activities or corporate mergers and acquisitions using the Company's capital stock.

When issued, the additional shares of common stock authorized by the amendment will have the same rights and privileges as the shares of common stock currently authorized and outstanding. Holders of common stock have no preemptive rights and, accordingly, shareholders would not have any preferential rights to purchase any of the additional shares of common stock when such shares are issued.

Having a substantial number of authorized but unissued shares of common stock that are not reserved for specific purposes will allow us to take prompt action with respect to corporate opportunities that develop, without the delay and expense of convening an annual meeting of shareholders for the purpose of approving an increase in the Company's capitalization. The issuance of additional shares of common stock may, depending upon the circumstances under which such shares are issued, reduce shareholders' equity per share and may reduce the percentage ownership of common stock by existing shareholders. It is not the present intention of the Board of Directors to seek shareholder approval prior to any issuance of shares of common stock that would become authorized by the amendment unless otherwise required by law or regulation.

The increase in the authorized number of shares of the Company's common stock under the amendment could be used by its Board of Directors to make more difficult, and thereby discourage, delay or prevent, an attempt to acquire control of the Company. For example, the shares could be privately placed with purchasers who might support the Company's Board of Directors in opposing a hostile takeover bid. The issuance of the new shares also could be used to dilute the stock ownership and voting power of a third party seeking to remove directors, replace incumbent directors, accomplish certain business combinations or alter, amend or repeal provisions of the Company's articles of incorporation or bylaws. To the extent that it impedes any such attempts, the issuance of shares following the adoption of the amendment may serve to perpetuate existing management. While the amendment may have potential antitakeover effects, it is not prompted by any specific effort or takeover threat currently perceived by the Company's Board of Directors or management. Although under Nevada law our Board of Directors is required to make any determination to issue such stock based on its judgment as to the best interests of its shareholders, its Board of Directors could act in a manner that would discourage an acquisition attempt or other transaction that some, or a majority, of its shareholders might believe to be in their best interests or in which shareholders might receive a premium for their stock over the then market price of such stock.

Purpose and Effect of Name Change

The Company has changed its name to better reflect the ongoing business of the Company.

EFFECTIVENESS OF AMENDMENT

The Company reserves the right, upon notice to stockholders, to abandon or modify the proposed Amendment at any time prior to the filing of the Amendment upon consent of the Board and the holders of a majority of the existing stock entitled to vote on matters submitted to the stockholders.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

No director, executive officer, nominee for election as a director, associate of any director, executive officer or nominee or any other person has any substantial interest, direct or indirect, by security holdings or otherwise, resulting from the matters described herein, which is not shared by all other stockholders pro-rata, and in accordance with their respective interests.
