Some of the statements contained in this release are forward-looking statements, such as IRC's expectation that the Legacy Sand Project will produce at least 500,000 tons of sand on an annual basis, demand for high quality sands, IRC's annual royalty revenues, and the timing of the first quarterly royalty payments. Actual results and developments may differ materially from those contemplated by such forward-looking statements. There can be no assurance that forward-

looking statements will prove to be accurate. Accordingly, readers should not place undue reliance on any forward-looking statements.

Material Assumptions:

- Contracts to sell the sand are successfully arranged.
- The operator can produce the necessary materials at the design and delivery specifications.
- The operator will perform as designed, and according to the schedule reviewed during due diligence.
