Each party represents to the other party that (absent a written agreement between the parties that expressly imposes affirmative obligations to the contrary):-

- (a) **Non-Reliance.** It is acting for its own account, and it has made its own independent decisions to enter into the Transaction and as to whether the Transaction is appropriate or proper based upon its own judgment and upon advice from such advisers as it has deemed necessary. It is not relying on any communication (written or oral) of the other party as investment advice or as a recommendation to enter into the Transaction: it being understood that information and explanations related to the terms and conditions of the Transaction shall not be considered investment advice or a recommendation to enter into the Transaction. No communication (written or oral) received from the other party shall be deemed to be an assurance or guarantee as to the expected results of the Transaction. Notwithstanding the foregoing, in the case of Counterparty, it has entered into this Transaction pursuant to the direction received by it pursuant to the Pooling and Servicing Agreement.
- (b) **Assessment and Understanding.** It is capable of assessing the merits of and understanding (on its own behalf or through independent professional advice), and understands and accepts, the terms, conditions and risks of the Transaction. It is also capable of assuming, and assumes, the risks of the Transaction, and, in the case of Counterparty, it has been directed by the Pooling and Servicing Agreement to enter into this Transaction.
- (c) **Status of Parties.** The other party is not acting as a fiduciary for or an adviser to it in respect of the Transaction.
- (d) **Severability.** If any term, provision, covenant, or condition of this Agreement, or the application thereof to any party or circumstance, shall be held to be illegal, invalid or unenforceable (in whole or in part) for any reason, the remaining terms, provisions, covenants and conditions hereof shall continue in full force and effect as if this Agreement had been executed with the illegal, invalid or unenforceable portion eliminated, so long as this Agreement as so modified continues to express, without material change, the original intentions of the parties as to the subject matter of this Agreement and the deletion of such portion of this Agreement will not substantially

impair the respective benefits or expectations of the parties to this Agreement. The parties shall endeavor to engage in good faith negotiations to replace any illegal, invalid or unenforceable term, provision, covenant or condition with a valid or enforceable term, provision, covenant or condition, the economic effect of which comes as close as possible to that of the illegal, invalid or unenforceable term, provision, covenant or condition.

- (e) **Purpose.** It is entering into the Transaction for the purposes of hedging its assets or liabilities or in connection with a line of business.
- (f) **Eligible Contract Participant Representation.** It is an “eligible contract participant” within the meaning of Section 1(a)(12) of the Commodity Exchange Act, as amended, including as amended by the Commodity Futures Modernization Act of 2000.

vii) Other Provisions.

- (a) **Fully-Paid Party Protected.** Notwithstanding the terms of Sections 5 and 6 of the Agreement if Party B has satisfied in full all of its payment obligations under Section 2(a)(i) of the Agreement, then unless Party A is required pursuant to appropriate proceedings to return to Party B or otherwise returns to Party B upon demand of Party B any portion of such payment, (a) the occurrence of an event described in Section 5(a) of the Agreement with respect to Party B shall not constitute an Event of Default or Potential Event of Default with respect to Party B as the Defaulting Party and (b) Party A shall be entitled to designate an Early Termination Event pursuant to Section 6 of the Agreement only as a result of a Termination Event set forth in either Section 5(b)(i) or Section 5(b)(ii) of the Agreement with respect to Party A as the Affected Party or Section 5(b)(iii) of the Agreement with respect to Party A as the Burdened Party. For purposes of the Transaction to which this Confirmation relates, Party B’s only obligation under Section 2(a)(i) of the Agreement is to pay the Fixed Amount on the Fixed Rate Payer Payment Date.
- (b) **Proceedings.** Party A shall not institute against or cause any other person to institute against, or join any other person in instituting against, the Transferee, any bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings, or other proceedings under any federal or state bankruptcy, dissolution or similar law, for a period of one year and one day following indefeasible payment in full of the Class A Certificates and the Class M Certificates.
- (c) **Set-Off.** The provisions for Set-Off set forth in Section 6(e) of the Agreement shall not apply for purposes of this Transaction.

- (d) **S&P Substitution Event.** It shall be a “S&P Substitution Event” if Party A has a Long-Term Rating of less than “BBB-” or a Short-Term Rating of less than “A-3,” if applicable, by S&P. In such case, Party A must, within 10 days from such S&P Substitution Event (while collateralizing any Exposure to Party B), transfer this Transaction at Party A’s sole cost and expense, in whole, but not in part, to a counterparty that satisfies the Rating Agency Condition. Failure to comply with this provision shall be an Additional Termination Event with Party A as the sole Affected Party.
- (e) If a **Ratings Event** (as defined below) occurs with respect to Barclays, then Barclays shall at its own expense, subject to the Rating Agency Condition (as defined below), (unless, within 30 days of such Ratings Event, each of S&P and Moody’s has reconfirmed the rating of the Class A Certificates and the Class M Certificates which was in effect immediately prior to such Ratings Event) (i) assign this Transaction hereunder to a third party within (30) days of such Ratings Event that meets or exceeds, or as to which any applicable credit support provider meets or exceeds, the Approved Ratings Thresholds (as defined below) on terms substantially similar to this Confirmation or (ii) within (30) days of such Ratings Event, deliver collateral in accordance with a Credit Support Annex (as defined in the Pooling and Serving Agreement) or (iii) establish any other arrangement that meets the Rating Agency Condition. For the avoidance of doubt, both parties agree that Barclays shall only be required to post collateral pursuant to the terms of a Credit Support Annex for the period (the “Collateral Requirement Period”) during which Barclays’ Rating Event is continuing or until a replacement is in place. Once the Collateral Requirement Period has ended, Counterparty’s Custodian shall return any such Eligible Collateral to Barclays as soon as reasonably practicable and to the extent such Collateral has not already been applied in accordance with this Agreement, including the Credit Support Annex. For purposes of this Transaction, a “Ratings Event” shall occur with respect to Barclays (or any applicable credit support provider), if its short-term unsecured and unsubordinated debt ceases to be rated at least “A-1” by S&P and at least “P-1” by Moody’s Investors Service, Inc. (“Moody’s”) (including in connection with a merger, consolidation or other similar transaction by Barclays or any applicable credit support provider) such ratings being referred to herein as the “Approved Ratings Thresholds,” (unless, within 30 days thereafter, each of Moody’s and S&P has reconfirmed the ratings of the Class A Certificates and the Class M Certificates, as applicable, which were in effect immediately prior thereto). “Rating Agency Condition” means, with respect to any particular proposed act or omission to act hereunder that the party acting or failing to act must consult with any of the Rating Agencies then providing a rating of the

Certificates and receive from the Rating Agencies a prior written confirmation that the proposed action or inaction would not cause a downgrade or withdrawal of the then-current rating of the Certificates.

- (f) **Additional Termination Events.** An Additional Termination Event will occur if a Ratings Event has occurred and Party A has not complied with (e) above; in such event an Additional Termination Event shall have occurred with respect to Party A and Party A shall be the sole Affected Party with respect to such Additional Termination Event.
- (g) **Affiliates.** Each of Party A and Party B shall be deemed to have no “Affiliates” as such term is defined under the Agreement.
- (h) **Transfer.** Notwithstanding anything to the contrary herein, no transfer (including, but not limited to transfers under Section 7 or otherwise) shall be made unless the transferring party obtains a written acknowledgment from each of the Rating Agencies that, notwithstanding such transfer, the then-current ratings of the Certificates will not be reduced or withdrawn.
- (i) **Set-off.** Notwithstanding any provision of this Agreement or any other existing or future agreements, each of Party A and Party B irrevocably waives as to itself any and all contractual rights it may have to set off, net, recoup or otherwise withhold or suspend or condition its payment or performance of any obligation to the other party under this Agreement against any obligation of one party hereto to the other party hereto arising outside of this Agreement. The provisions for set-off set forth in Section 6(e) of this Agreement shall not apply for purposes of this Transaction
- (j) **Amendments.** The parties are prohibited from amending the cap agreement (including the ISDA Form, scheduled items, confirmation and collateral assignment of cap agreement) without the consent of any Pledgee and rating agency confirmation.
- (k) **Limitation of Liability.** It is expressly understood and agreed by the parties hereto that (a) this Agreement is executed and delivered by U.S. Bank National Association, not individually or personally but solely as trustee of Party B in the exercise of the powers and authority conferred and vested in it, (b) the representations, undertakings and agreements herein made on the part of Party B are made and intended not as personal representations, undertakings and agreements by the Trustee but are made and intended for the purpose of binding only Party B, (c) nothing herein contained shall be construed as creating any liability on Trustee, individually or personally, to perform any covenant either expressed or implied contained herein, all such

liability, if any, being expressly waived by the parties who are signatories to this Agreement and by any person claiming by, through or under such parties and (d) absent its willful misconduct or gross negligence with respect to its obligations under the Pooling and Servicing Agreement, under no circumstances shall the Trustee be liable for the payment of any indebtedness or expenses of Party B or be liable for the breach or failure of any obligation, representation, warranty or covenant made or undertaken by Party B under this Agreement.

- (l) **Expenses.** Notwithstanding anything to the contrary in Section 11, Party B shall not be required to reimburse Party A for any of Party A's out-of-pocket expenses incurred by Party A related to its enforcement of Party A's rights hereunder.

The time of dealing will be confirmed by Barclays upon written request. Barclays is regulated by the Financial Services Authority. Barclays is acting for its own account in respect of this Transaction.
