Dear Mr. Bowman:

We have reviewed your offering statement and have the following comments. In some of our comments, we may ask you to provide us with information so we may better understand your disclosure.

Please respond to this letter by amending your offering statement and providing the requested information. General

1. We note that the subscription rights are transferable and that you have not included their issuance as part of this offering statement. Please explain to us in detail what exemption shareholders, including affiliates, will rely on for the transfer of the subscription rights or include these rights on the offering statement.

We will consider qualifying your offering statement at your request. In connection with your request, please confirm in writing that at least one state has advised you that it is prepared to qualify or register your offering. If a participant in your offering is required to clear its compensation arrangements with FINRA, please have FINRA advise us that it has no objections to the compensation arrangements prior to qualification.

We remind you that the company and its management are responsible for the accuracy and adequacy of their disclosures, notwithstanding any review, comments, action or absence of action by the staff.
