1. We note your response to comment 2 of our letter dated April 20, 2011, and we reissue it in part. Please provide us an analysis, including sufficient facts, as to why you believe Mr. Chun Lau is not a promoter. This analysis should include when and the circumstances of how Mr. Lau received his controlling interest in the Company. Your analysis should also describe how the Company was founded and who were the Company's founders. Further, please revise to provide the disclosure required by Item 404(c)(1) of Regulation S-K for Mr. Nelson. We note you only disclose the two note receivables from Mr. Nelson that were subsequently written off by the Company. Your disclosure should include a description of all transactions where Mr. Nelson received anything of value from the Company. Additionally, provide the disclosure required by Item 404(c)(2) of Regulation S-K for Mr. Davis. We may have further comment.
