2. We note disclosure on page 1 indicating that the Managing Owner may purchase contracts that do not correlate directly to the Index. Confirm that you will provide similar disclosure in future filings.

The Managing Owner, page 4

3. We note that the Managing Owner's experience is "limited." Please describe to us in more detail the actual experience of the Managing Owner. Confirm that you will provide similar disclosure in your future filings.

Item 7. Management's Discussion and Analysis ... page 19

Liquidity, page 23

4. Please tell us whether you have been subject to margin calls. If so, quantify the amount of such margin calls in your most recent three fiscal years, or since commencement of investment operations if shorter, and confirm that you will provide similar disclosure, as applicable, in your future filings.

Results of Operations, page 24

For the year ended December 31, 2008 and the period ended December 31, 2007, page 27

5. Please provide us with a more detailed discussion of changes in the fund's net asset performance. Discuss the relationship between net asset values and the performance of the index. Describe changes in the underlying indexes and the value of contracts in the fund's portfolio that resulted in overall changes to the

NAV. Also, to the extent that changes in net asset value reflect material changes in interest income, please describe the impact and reasons for changes in your interest income. Confirm that you will provide similar disclosure in your future filings.

Item 8. Financial Statements and Supplementary Data

Financial Statements

General

6. Please tell us how you have complied with Article 3 of Regulation S-X to provide separate financial statements for the Fund and Master Trust, as each are considered separate registrants.

Consolidated Schedule of Investments, page 38

7. We note that you have presented a lone settlement date for futures contracts disclosed within the schedule. Please clarify whether the portfolio of exchange traded futures contracts expire on the same date, within the month noted (i.e., settlement date noted is average date), or based on a range of dates. If such contracts settle within a range, please tell us why you have not provided a range of settlement dates for these futures contracts. Refer to paragraph 7.16.d. of the AICPA Audit and Accounting Guide – Audits of Investment Companies.

Consolidated Statements of Income and Expenses, page 40

8. Please revise your statement to present your Net income (loss) on a per-share basis. Please refer to SFAS 128 and SAB Topic 4.F. In addition, please revise your Selected Financial Data on page 17 to disclose this information as well.

Notes to Consolidated Financial Statements

(4) Summary of Significant Accounting Policies

(1) Organizational and Offering Costs, page 48

9. We note that all organizational and offering expenses of the Fund and Master Fund are incurred and assumed by the Managing Owner. Please tell us, and clarify in future filings, whether the Fund or Master Fund is responsible to the Managing Owner for reimbursement of such payments.

Item 9A. Controls and Procedures, page 54

10. Please revise to provide disclosure regarding the disclosure controls and procedures and internal control over financial reporting for DB Energy Master Fund. We note that your report generally uses the term “Fund” to refer to the Fund and the Master Fund collectively. We believe, however, that you should provide separate disclosure regarding controls and procedures for each separate registrant. Provide similar disclosure regarding disclosure controls and procedures in Item 4 of your quarterly reports on Form 10-Q.

Item 11. Executive Compensation, page 56

11. We note that DB Commodity Services LLC receives a monthly management fee of $1/12^{\text{th}}$ of 0.75% of the daily net asset value per share at the end of each month. Please revise your disclosure to clarify, if true, that this fee is payable monthly in arrears and disclose when any amounts incurred, but not yet paid at the end of the year, are paid. Confirm, if accurate, that the fee is based on NAV per share rather than total NAV. In addition, please quantify any brokerage fees paid to any affiliate of DB Commodity Services LLC. Please supplementally provide us your proposed disclosure.

Item 15. Exhibits and Financial Statement Schedules

12. We note that you have incorporated by reference the forms of various agreements rather than executed agreements. Please tell us why you have not filed executed copies of these agreements. Please see Item 601(a)(4) and Instruction 1 to Item 601 of Regulation S-K.
13. We note your License Agreement with Invesco Powershares Capital Management LLC for the “PowerShares” trademark. Item 601(b)(10) of Regulation S-K requires you to file as an exhibit any material contract. Please include the License Agreement as an exhibit or provide us an analysis as to why you believe it is not a material contract.

Certifications

14. We note that you have provided certifications relating only to PowerShares DB Energy Fund. Considering that DB Energy Master Fund is a separate registrant for purposes of reporting under the 1934 Act, you should also provide certifications relating to that registrant. Please amend your 10-K and all subsequent 10-Qs to include the appropriate certifications.

15. We note that you have included the title of the certifying individual when identifying such individual at the beginning of the certification. As your certifications must be signed in a personal capacity, please confirm to us that in future filings your certifications will exclude the title of the certifying individual from the opening sentence. Please also ensure that the certifications of your current principal executive and financial officers are in the exact form set forth in Item 601(b)(31) of Regulation S-K.
