Offering Statement on Form 1-A filed October 21, 2019

Risk Factors

Because directors and officers currently and for the foreseeable future will continue to control Canamed4Pets, Inc., page 11

1. We note your disclosure that the directors, officers and affiliates of Canamed4Pets, Inc. beneficially own a majority of your outstanding common stock voting rights. Please revise this disclosure to also reflect the voting and conversion rights of the outstanding shares of preferred stock held by your sole officer and director.

Our proposed business is dependent on laws pertaining to the marijuana industry, page 12

2. Please update your disclosure regarding the Cole Memorandum to reflect subsequent developments, including the latest guidance issued by the Department of Justice to federal prosecutors on January 4, 2018 regarding marijuana enforcement.

Use of Proceeds, page 16

3. Please revise your offering circular to state whether or not the proceeds will be used to compensate or otherwise make payments to officers or directors of the issuer or any of its subsidiaries. Refer to Instruction 2 to Item 6 of Part II of Form 1-A.

Management, page 27

4. We note that it appears that Jason Black was appointed as the President and Chief Executive Officer of Indo Global Exchange(s) Pte, Ltd. in May 2019. Please tell us why such business experience is not disclosed in your offering circular. Refer to Item 10(c) of Part II of Form 1-A.

Exhibits

5. We note you state in Part I of your Form 1-A that you have 1,659,991,381 shares of common stock and 2 million shares of preferred stock outstanding and that your jurisdiction of incorporation is Wyoming. Please file as exhibits your complete certificate of incorporation and bylaws as currently in effect, as well as any amendments. The version of the charter you have provided does not reflect your current name and only authorizes 75,000,000 shares of common stock and no preferred stock. In addition, your charter and bylaws reflect the State of Nevada as your jurisdiction of incorporation. Please also file the instruments defining the rights of the preferred stockholder.
6. We note counsel's opinion only includes 38,000,000 shares and is limited to the laws of the State of Nevada. However, the Company is incorporated in the State of Wyoming. Please provide a legal opinion that covers the laws of the State of Wyoming and includes the 2,000,000,000 shares being offered. For guidance, see Section II.B.I.a. of Staff Legal Bulletin No. 19 (CF), Legality and Tax Opinions in Registered Offerings (October 14, 2011), available at <https://www.sec.gov/interp/leg/cfslb19.htm>. Similarly, we note that the subscription agreement filed as Exhibit 4.1 provides that the aggregate number of securities sold shall not exceed 38,000,000. However, this is not consistent with the number of shares offered under the offering statement. Please revise.

General

7. You disclose on page 20 of the offering circular that you "expect to elect to become" a public reporting company under the Exchange Act upon completion of this offering and thereafter publicly report on an ongoing basis as an "emerging growth company." You also disclose that if you do not elect to become a public reporting company under the Exchange Act, you will be required to file annual and semiannual reports under Regulation A. However, as your offering is a Tier 1 offering under Regulation A, it does not appear that you will have any periodic and current reporting obligations under Regulation A, and you do not appear to be registering a class of securities under the Exchange Act. Please explain your disclosures or revise your filing to reflect the limited

reporting requirement for an issuer that has filed an offering statement for a Tier 1 offering that has been qualified under Regulation A, and to clarify that you are not currently registering any class of securities under the Exchange Act.

We will consider qualifying your offering statement at your request. In connection with your request, please confirm in writing that at least one state has advised you that it is prepared to qualify or register your offering. If a participant in your offering is required to clear its compensation arrangements with FINRA, please have FINRA advise us that it has no objections to the compensation arrangements prior to qualification.

We remind you that the company and its management are responsible for the accuracy and adequacy of their disclosures, notwithstanding any review, comments, action or absence of action by the staff.

You may contact Lily Dang, Staff Accountant, at (202) 551-3867 or Karl Hiller, Accounting Branch Chief, at (202) 551-3686 if you have questions regarding comments on the financial statements and related matters.
